Here's Opportunity

ATHLETICS
Our Purpose...

Unlimited opportunity for students exists here at Virginia Tech. Our purpose is to illustrate this Tech Opportunity in an interesting and informative yearbook.

We have chosen six of our most outstanding alumni to represent success in each of the divisions of this book. By their messages and accomplishments we wish to show how it is possible for any student, with the desire to work and strive for the best, to grasp this opportunity and use it as a springboard to success in life.

When a person comes to Tech as a student, he can choose from many things both curricular and otherwise and go forward to great things in his chosen field. It is up to the student to select his goal and then utilize the many opportunities which V. P. I. offers as a means of achieving that goal.

It is with this thought in mind that we present to you this yearbook with its theme of "Opportunity at Virginia Tech."
We Dedicate

We have chosen the dedication for The 1952 Bugle in conjunction with our aforementioned purpose.

We did not single out one person to honor, but instead we felt that we should recognize ALL Technicians who have profited and will continue to profit from their attendance at this institution.

It is with great pleasure that we dedicate this, The 1952 Bugle, to the endless number of Alumni, Students, and Future Students of Virginia Polytechnic Institute who have taken and will take advantage of the Tech Opportunity as a means of achieving success in their chosen fields of endeavor.
To The Students

To many of us the immediate future may appear dark and confused. The very old conflict between the East and the West has been brought into sharp relief in Korea. On our side there is an interrelation between faith, hope and democracy. On the other side there is atheism, despair, and totalitarianism.

It is our hope that through your experiences here in your classes, your participation in clubs, sports, and other activities, including your religious life, you have gained some more definite concept of what is involved in our American way of life and our responsibility to maintain and improve it. If this objective has been achieved, the future is not too dark. The struggle between the East and the West will continue, but faith, hope, and free men are on our side.

Many V. P. I. men and women have helped to make our country economically strong and great. In many other respects most of you will have an even greater opportunity—that of helping to bring about peace and understanding among the nations and peoples of the world.

Newman, President; H. N. Young, Acting Dean of Agriculture; E. B. Norris, Dean of Engineering; Dr. C. R. Lyons, Health Officer; Dr. R. E. Bates, Director of Student Affairs.
A Message...

TO THOSE WHO ASPIRE:

Memories of V. P. I. for me are memories of teachers and classmates, books and the campus. But strongest of all are my memories of teachers.

The warmth of their welcome on the day I first rode from Christiansburg through the scenic countryside to Blacksburg, set the feeling which carried through my years at V. P. I.

This friendliness which began with the teachers, extended through the student body and pervaded the whole town of Blacksburg. The thought that I still have close and understanding friends in Blacksburg remains today, through memories of the beautiful campus, of long walks in the country to Brush mountain, to Tani's creek, Lovers Leap, the Horseshoe Bend of New River, and old Kanodes Mill. The rigid but fair military discipline under which we lived seems in retrospect to have helped us adjust to the world after graduation.

Bugle 1907

"E. B. Fred

Agriculture

Middleburg, Va.

Second Lt. U.S. Army; Treasurer J.E.C. Club, '06-07; President, Agriculture Club, '06-07; Assistant Business Manager, Bugle, '06-07.

To represent the classes we have chosen Dr. E. B. Fred who is President of one of the largest colleges in this country. His memories of V. P. I. and his views on education serve to emphasize the importance of the many little things which go to make up the complete college career. These things are all part of the great opportunity offered to students of Virginia Tech.

I took from V. P. I. some ideas on education which have stood the test of years. Let me list a few of them:

Higher education points the way; real education is the product of a life-time of study.

As his education increases, the responsibilities an individual must accept, increase.

Only when he is constantly learning can a teacher adequately teach.

The good teacher opens the student's mind; he does not cram it.

Academic freedom is the freedom of the student to learn.

The student must know as a friend and counsellor several members of the faculty.

Perhaps this final point, friendship of teacher and student, is my most cherished memory of V. P. I.

E. B. Fred, '07

Electrical Engineering Bristol, Tenn.
A.I.E.E., 1-2-3; Southwest Virginia Club, 1-2-3; Vice-President, 4.

JOSEPH LUTHER HENDRICKS, JR., '52
Aeronautical Engineering Norfolk
Transfer from: Norfolk Division, W & M YP; Glee Club, 2; L.S.B., 3-4; Phi Delta, 3.
Senior Class

THOMAS GROVE HENKLE, '52
Agricultural Engineering  Halltown, W. Va.
A.S.A.E., 3-2; Alpha Zeta, 3-4; Engineering Club, 2; Treasurer, 3; Association for the Advancement of Engineering, 3-4.

RICHARD EDWARD HERRON, '52
Chemical Engineering  Richmond
Richmond Club, 5-3-4; Mason Mach., 3-4; A.I.Ch.E., 5-3; Secretary, 4; Phi Lambda Upsilon, 3; View-President, 4; Tau Beta Pi, 3; Phi Kappa Phi, 4.

GEORGE ERNST HEYM, '52
Chemical Engineering  Long Island, N. Y.
Transfer from: Sangamon College, 1; Sangamon Photo Club, Vice-President, 1; Tech Photo Club, 2; Mason Mach., 3-2-4; A.I.Ch.E., 5-3; President, 4; Yankee Club, 1; Phi Lambda Upsilon, 5-4; Tau Beta Pi, 4.

NANCY PORTER HEYM, '52
Architecture  Freeport, N. Y.
Bugs, 1; Virginia Tech, 1-2; A.A.H., 1-2; Yankee Club, 1; Mason Mach., 1-2-3-4; WUWT, 1-2.

ROBERT ERNEST HICKS, JR., '52
Transfer from: Concord College; Black and Brindle Club, 2-4; Cotillion Club, 3-4; Student Co-op Club, 3-4; Agricultural Club, 4.

ELTON THOMAS HIGHT, '52
Mining Engineering  Richmond
Transfer from: Richmond Extension, VPI; A.I.M.E., 3-3; Vice-President, 4.

CHARLES ARTHUR HILDRETH, '52
Electrical Engineering  Norfolk
Transfer from: Norfolk Division, W & VPI, 1-2; Engineers Club of Hampton Roads, 1-2; Track, 2; A.I.E.E., 3-4; I.R.E., 4; Norfolk Club, 4.

JUNIOR BRISTO HILMON, '52
Forestry and Wildlife Conservation  Amosota
Forestry Club, 1-3-4-5; Football Manager, 1-3-5; Co-Head Manager, 4; Phi Sigma, 4.

THELMA LOUISE HIXON, '52
Home Economics  Segregansett, Mass.
T.W.C.A., 3-4; Home Economics Club, 4.

GUS EMANUEL HNARAKIS, '52
Building Construction  Hopewell
Transfer from: Richmond Extension, VPI, 1-2; Golf Club, 4.

HARRY EMANUEL HNARAKIS, '52
Aeronautical Engineering  Hopewell
Transfer from: St. Helens Extension, VPI, 1-2; A.A.E., 3-4.

CHARLES RODERICK BRUCE HOBBITS, '52
Geology  Richmond
Corps, 1-2; Richmond Club, 1-2; Chemistry Club, 1; A.A.S., 2-2; Ice Club, 3-4; Helotes Society, 4.
The Class of 1952

DAPHNE FRANCES HOBSON, '52
Home: Economics
Alexandria
Transfer from: George Washington University; Radford College;
Alpha Delta Pi, 2-2-4; Treasurer, 1; Pan Hellenic; Athletic Representative, 1; Basketball, 1; Eta Nu; Senior Honor Society, 2; Chili Club, 1; Sigma Nu, 3; Home Economics Club, 5-4; Capitol Club, 2-2-4; Y.W.C.A., 2-4; Masonic Mark, 1.

CARL GRAHAM HODNETT, JR., '52
Mechanical Engineering
Keeling
Transfer from: Randolph-Macon; Danville Extension, VPI;
A.S.M.E., 4; Seminole Club, 2; Danville Club, 4; Baptist Student Union, 2.

EUGENE C. HOGGE, '52
Agricultural Education
Norfolk
Alpha Zeta, 2; Scribe, 4; F.F.A., 1-2-2-2; Block and Bridge Club, 2-3-4; Agricultural Club, 2-4; Vice-President, 2; Cheerleader, 2-2-2-2.

CARL FRANKLIN HOOVER, '52
Forestry and Wildlife Conservation
Richland, Pa.
Forestry Club, 1-2-2-4; Phi Sigma, 3-4.

BOBBY GILEN HUDSON, '52
Civil Engineering
Roanoke
Transfer from: Roanoke College, 1-2; A.S.M.E., 4.

HORACE L. HUFF, '52
Mechanical Engineering
Hillsville
Transfer from: West Georgia College; A.S.M.E., 4.

JAMES CLAY COEN HUGHES, '52
Business Administration
Gilliam, W. Va.
Transfer from: Bluefield College; Black Diamond Club, 3-4; Business Club, 2; Choir, 2.

DOUGLAS VERNON HUNDLEY, '52
General Science
Danville
Transfer from: Elise College; Glew Club, 5-3-4; Biology Club, 5-4; Bugle, 4.

JOSEPH GLENN HUTCHESON, '52
Civil Engineering
Clifton Forge
A.S.C.E., 4; Chi Epsilon, 3-4.

JOSEPH WARREN HUTT, JR., '52
Business Administration
Montross
Transfer from: Washington and Lee University; Cotillion Club, 3-4; Northern Neck Club, 3-2; President, 4.

WILLIAM IVES, JR., '52
Geology
Huntington, W. Va.
Kappa Mu; Sigma Xi, 1-2; Secretary, 2, President, 4; Kappa Xi, 1-2; Sigma Xi, 1-2; Epsilon Gamma, 3-4; A.S.M.E., 4; Journal Club, 4; Association for the Advancement of Engineering, 3-4.

ELIZABETH ANNE JAMES, '52
Dairy Husbandry
Aroda
Dairy Club, 1-2, Reporter, 2; Secretary, 4; Co-Editor Dairy Journal, 4; Y.W.C.A., 1; Secretary, T; Junior Representative, 3; Vice-President, 4; Piedmont Club, 1; E.S.A., 3-4; Student Senate, 1; Assistant Steward, 3-4; Secretary, 4; Church Choir, 4.
PAUL BARRY JENKS, JR., '52
Business Administration
Lebanon
Transfer from: Milligan College; Cotillion Club, 2-4; South- 
west Virginia Club, 1-2-3-4; Intramurals, 2-4.

THOMAS DUFFY JENNINGS, '52
Metallurgical Engineering
Roanoke
Newman Club, 2-3; Ronceverte Club, 1-2-3-4; S.M., 2-3-4; 
Civilian Rite Club, 7; Alpha Sigma Nu, 5-4; Sigma 
Gamma Epsilon, 2, President, 4; Tau Beta Pi, 3-4; Omicron 
Delta Kappa, 2-3-4; Civilian Honor Court, Assistant Defense 
Attorney, 2; Defense Attorney, 3; Virginia Tech, 4.

WILLIAM M. JENNINGS, '52
Mechanical Engineering
Dublin
Baseball, 3-4; Monogram Club, 4; Corps, 1-2-3-4.

OSCAR PRICE JOHNSON, '52
Industrial Engineering
Williamson, W. Va.
Transfer from: Bluefield College; Phi Theta Kappa, 1; 
A.I.E., 8-4; Chairman Program Committee; Senators, 4; 
Intramurals, 3-4; Class of '52 Ring Dance Committee; 
Black Diamond Club, 2; Alpha Pi Mu, 4.

WILLIAM STUART JOHNSON, '52
Mining Engineering
Richmond
German Club, 2-3, Vice President, 4; A.I.M.E., 1-2-3, 
Treasurer, 4; Track, 2-4, Captain, 1; Co-Captain, 3; 
Monogram Club, 2-3-4; Richmond Club, 1-2-3-4, Student Com- 
mittee, 4; Student Activities Committee, 4; Omicron Delta 
Kappa, 4.

SHULER JAMES JOHNSTON, '52
Agricultural Education
Eggleton

JAMES BERNARD JONES, '52
Agricultural Economics
Orange
Agricultural Economics Club, 1-2, Secretary, 2, President, 
1; Agricultural Club, 2-3-4; Alpha Zeta, 8-4; Piedmont 
Club, 1-2; Baseball, 5-3; Alpha Phi Omega, 4.

RICHARD MARTIN JONES, '52
Electrical Engineering
Takoma Park, Md.
A.I.E.E., 2-3-4; Capital Club, 1; Eta Kappa Nu, 3-4; Tau 
Beta Pi, 2, President, 4; Omicron Delta Kappa, 4; Phi 
Kappa Phi, 4.

JAMES RILEY KEE, '52
Animal Husbandry
Portsmouth
Alpha Zeta, 3-4; Black and Bruce Club, 3, Marshall, 4;
Portsmouth Club, 2, Sgt.-at-Arms, 4; Agricultural Club, 2; 
Secretary, 2; President, 4; H.H. Club, 4, Reporter, 3;
Agromy Club, 2-3-4; Intramurals, 3-4.

JACQUELINE JEAN KELLEY, '52
General Science
Charleston, W. Va.
Y.W.C.A., 1, Cabinet, 2-3, President, 4; Westminster Pi; 
Innovis, 1-2-3, Council, 4; Mason Mark, 2-3-4; Hillcrest 
Honor Committee, 3-4; Biggs, 7; Phi Sigma, Secretary, 4.

MELVIN RANDOLPH KERFOOT, '52
Mechanical Engineering
Roanoke
Ronceverte Club, 1-2-3, President, 3; Cotillion Club, 2;
Assistant Secretary-Treasurer, 3, Secretary-Treasurer, 4;
A.S.M.E., 4.

CHARLES DONALD KING, '52
General Science
Clintwood
Lonesome Pine Club, 1; Intramurals, 1; Biology-Science 
Club, 1-2-3-4.

Virginia Tech
STEPHEN HIRAM KIRBY, '52
Agricultural Education
Victoria
Sotuhside Club, 1; Sgt.-at-Arms, 2-5; President, 4; Baseball, 2; Windor Group, 2-3-4; F.F.A., 1; Watchdog, 2-3-4; Agricultural Club, 2-3-4; Sgt.-at-Arms, 1; Block and Bridge Club, 2-2-4; Intramurals.

LELAND EUGENE KITE, '52
Industrial Arts Education
Waynesboro
Transfer from: Newport News Apprentice School; Industrial Arts Education Club, 5-4; Treasurer, 3; Shenandoah Valley Club, 4.

MALCOLM THOMAS KITSON, '51
Business Administration
Maplewood, N. J.
Yankee Club, 3-4; Business Club, 3-4; Senator, 3-4.

ADAM KLIMEK, '52
Civil Engineering
Petersburg
A.A.C.E., 1-5-4; Petersburg-Hopewell Club, 1-2-3-4; Intramurals, 1-2-3-4.

ROBERT WILLIAM KLIMPEL, '52
Electrical Engineering
Hempstead, N. Y.
Transfer from: Sunyjan College; Yankee Club, 5; Treasurer, 3; A.A.E.E., 5-4; Eta Kappa Nu, 5; Treasurer, 4; Tau Beta Pi, 4.

LEON MILLER KLINE, '52
Dairy Husbandry
Manasas
Transfer from: Bridgewater College, 1-3; Alpha Zeta, 4; Phi Sigma, 4; Dairy Club, 3-4; Dairy Club Annual, Business Manager, 4; Block and Bridge Club, 4; Agricultural Club, 3-4.

GERALD McNEAL KNOTT, '52
Business Administration
Colonial Heights
Petersburg-Hopewell Club, 1-2-3-4; Business Club, 3-4; Basketball, 1; Corps, 1-2; Intramurals, 3-4; Manager, 1-2.

HENRY IRVING KOLM, '52
Electrical Engineering
Richmond
Transfer from: Richmond Extension, VPI, 1-2; A.A.E.E., 3-4; Eta Kappa Nu, 3; Recording Secretary, 3; Helix Club, 3; Secretary, 4; Richmond Club, 3-4; Society of Student Engineers, 1-4.

JOHN DAYRELL KORTEHEUER, '52
Mechanical Engineering
Charlotte, N. C.
A.A.M.E., 1-3-4; Swimming, 1-2-3; Track, 1-2; Canterbury Club, 4.

FRANK L. KUCHINSKI, '52
Chemical Engineering
Manville, N. J.
Alpha Phi Omega, 4; A.A.C.E., 3-3; Vice-President, 4; Newman Club, 3-4; Yankee Club, 3-4; Intramurals, 1-2-3-4; Association for the Advancement of Engineering, 3, Vice-President, 4.

DANIEL PAUL LaMORTE, '52
Electrical Engineering
Bronx, N. Y.
A.A.E.E., 3-4; Newman Club, 1-2-3-4; Yankee Club, 1-3-4.

LOUIS JAMES LANCASTER, '52
Forestry and Wildlife Conservation
Baltimore, Md.
Forestry Club, 1-3-4; Alpha Phi Omega, 3; Treasurer, 4; Phi Sigma, 3; Vice-President, 4; Intramurals, 1-2; Alpha Zeta, 4; Phi Kappa Phi, 4.

Senior Class
Top Row

WILLIAM EDWARD LaPRADE, JR., '52
Industrial Engineering
Rochester, N.Y.
Transfer from: Buntsch College; A.L.E., 3, Corresponding Secretary, 4.

PATRICK MOORE LATHROP, '52
Architecture
Richmond
A.L.E., 4; Richmond Club, 3-4; Intramurals, 1-2-3-4.

GERALD WALTER LEDGER, '52
Business Administration
Lake Geneva, Wis.
Alpha Kappa Psi, 3-5-4; Business Club, 4; Golf, 3-3-4; Metaphysics Club, 3-4.

ANCIL LEROY LEE, JR., '52
Mechanical Engineering
Portsmouth
Transfer from: Norfolk Division, W & M-VPI; Portsmouth Club, 3-4; L.M.C.A., 4; A.R.E., 4; Laymen Student Union, 3-4.

WITHEROW REYNOLDS LEGGE, JR., '52
Mechanical Engineering
Winchester
Transfer from: Hampden-Sydney College; Alpha Chi, 3-4; President, 3; German Club, 1-2-3-4; K.S.R.E., 3-3-4; Pi Tau Sigma, 3; Vice-President, 4; Tau Beta Pi, 3-4; Omicron Delta Kappa, 4; Secretary, 3-4; Class of '52, Ring Dance Committee.

ROBERT ARTHUR LEVERANCE, '52
Industrial Physics
Rochester, N.Y.
Transfer from: University of Rochester; Case Club, 2; Physics Club, 4; Yankee Club, 4.

Bottom Row

ALVIN HAYDEN LEWIS, '52
Architecture
Chester, Pa.
Transfer from: St. Helens Extension, VPI; Debating Society President; Student Christian Association President; Debaters Club, 2; Wesley Foundation; A.L.E., 3-4; President, 1.

ROBERT BURNS LINDEMANN, '52
Civil Engineering
Norfolk
L.M.C.A., 1-4; Secretary, 3; Vice-President, 4; Band, 1-2; Intramural Band, 3-3-4.

LUTHER HAROLD LINGERFELT, '52
Civil Engineering
Crewe
L.M.C.A., 3-3-4; Southside Virginia Club, 3-3-4.

DAVID LEE LIPPS, '52
Agricultural Education
Albie
F.F.A., 3-3-4; Student Union, 2-4; Agricultural Club, 1-2; Inter-Varsity Christian Fellowship, 3-4.

DONALD WALTER LOCK, '52
Agricultural Engineering
Lake Geneva, Wis.
Transfer from: Whitewater State Teachers College; L.H.A.E., 4.

BILLUPS ESTERROOKES LODGE, '51
Industrial Arts Education
Newport News
Virginia Tech, Art Editor, 3-3-4; Salland, 4; Industrial Arts Education Club, 3-3; Reporter, 3; Eastern Shore Anchor Club, 3, Reporter, 3-4; Case Club, 3; Marion Mark, 3; Pi Delta Epsilon, 3-4.
Virginia Tech

RICHARD JOHN LOUDEN, '52
Civil Engineering
Lindley, N. Y.
Transfer from: Simpson College; A.S.C.E., 3-4; Chi Ep-
colon, 3-4; Student Conductor, 2-3-4; Yankee Club, 3-4;
Intramurals, 3-4.

REGINALD McILWAINE LOWERY, '52
Aeronautical Engineering
Richmond
Transfer from: California Aeronautical Technical Institute;
V.I.W.C.A., Junior Cabinet, 2; Senior Cabinet, 4; I.S.A.E., 3-4.

GILES MARION LUGAR, '52
Business Education
Pulaski

RICHARD NOTTINGHAM LUXFORD, '52
Business Administration
Norfolk
Transfer from: Norfolk Division, W & M-Y!; Norfolk
Club, 4.

LAUREN OSWALD LYONS, '52
Forestry and Wildlife Conservation
Lambertsburg
Forestry Club, 1-2-3-4; Phi Sigma, 4.

ARCHER KENDALL MABE, '52
Mechanical Engineering
Dryfork
A.S.M.E., 2; Pi Tau Sigma, 4; Huxley Club, 4.

THEODORE ARNT MAGNUSDAL, '52
Business Administration
Hopewell
Petersburg-Hopewell Club, 1-2-3; Secretary, 4; Corps, 1-2;
Intramurals, 3.

HOWARD VICTOR MAHANEY, '52
Industrial Engineering
Norfolk
Transfer from: St. Helene Extension, VPI; A.S.M.E., 1-2;
A.I.E.E., 3-4; Norfolk Club, 5-4; Treasurer, 5; Intramurals,
1-2-3-4.

JUNE FRANCES MAILE, '52
Home Economics
Blacksburgh
Y.W.C.A. Cabinet, 1; Home Economics Club, 1-2-4.

WILLIAM M. MANDEVILLE, '52
Architecture
Charleston, W. Va.

HARRY LLEWELLYN MAPP, JR., '52
Business Administration
Exmore
Eastern Shore Anchor Club, 1-2; Vice-President, 2; Presi-
dent, 3; Business Club, 1-2-3; Corps, 3-5.

RICHARD MELVIN MARSHALL, '52
Mechanical Engineering
Norfolk
Transfer from: Virginia Military Institute; Norfolk Di-
FRANKLIN ELWOOD MARTIN, '52
Electrical Engineering
Bracey
Transfer from: St. Helena Extension, VPI; Southwest Virginia Club, 3-8; 3-8; A.I.E.E., 3; Treasurer, 4.

FRED WILLIAM MARTIN, '52
Aeronautical Engineering
Portsmouth
L.A.A., 2-2-4; Gamma Alpha Eho, 2; President, 4; Association for the Advancement of Engineering, 5-6.

RICHARD HARRISON MARTIN, JR., '52
Agricultural Engineering
Lynchburg
Transfer from: Lynchburg College; A.S.A.E., 2-4; Treasurer, 4; Lynchburg Club, 2-4.

DAVID GRAHAM MATTHEWS, JR., '52
Mechanical Engineering
Richmond
Transfer from: Bluefield College; A.S.M.E., 2-4; Richmond Club, 4.

JOHN PRESTON MAYNARD, '52
Civil Engineering
Norfolk
Transfer from: Norfolk Division, W & M-VPI; A.S.C.E.; Norfolk Club.

JOSEPH COLBY McALEXANDER, JR., '52
Mechanical Engineering
Hilton Village
A.S.M.E., 2-4; Baptist Student Union, 1-2-3; Chapister, 4.

WILLIAM HOWARD McCLURE, '52
Animal Husbandry
Greenville
Alpha Beta, 3-4; Block and Bridge Club, 3-2; Vice-President, 4; A.I.A.E., 3; Treasurer, 4.

SAMUEL TOWNSEND McCRAKEN, JR., '52
Mechanical Engineering
Richmond
A.S.M.E., 2-2-4; Pi Tau Sigma, 4; Richmond Club, 1-2-3-4; Camera Club, Secretary, 2; President, 3; Corps, 4.

GEORGE McCULLOCH, JR., '52
Civil Engineering
Bluefield, W. Va.
Tan Beta Pi, 3-4; Chi Epilson, 3; Vice-President, 4; A.S.C.E., 2-4; Black Diamond Club, 1-2; Secretary, 3-4; Corps, 1-4.

JOHN HENRY McDEVITT, '52
Dairy Husbandry
Culpeper
Transfer from: University of Virginia; Piedmont Club, 1-2-3; Dairy Club, 1-2-3; Agricultural Club, 2-3.

ROBERT FRANKLIN McKENNA, '52
Animal Husbandry
Annapolis
Block and Bridge Club, 2-4; T.M.C.A., 2-2-4; Corps, 2-3; Kappa Kappa Kappa, 2-3-4; Gamma Chi, 3-4; Wesley Foundation, 2-3-4.

GLEN DAVE McLAUGHLIN, '52
Civil Engineering
Springfield
Transfer from: Bridgewater College; Chi Beta Phi, 1; Chi Epilson, 2-4; A.S.C.E., 4; Baptist Student Union, 2; Korean War Council, 4.

The Class of 1952
BEVERLY NEWTON McMANAWAY, '50
Industrial Engineering  
Petersburg
Wesley Foundation, 1-2-3-4; Committee Chairman, A.L.E.E., 2-3-4.

WALLACE RUSSELL McMILLAN, '52
Industrial Arts Education  
Bedford
Forestry Club, 1; Industrial Arts Education Club, 2-4; Glee Club, 1.

GORDON LEWIS MEANS, '52
Electrical Engineering  
Parksley
Eastern Shore Anchor Club, 1-2-3-4; Case Club, 2; A.L.E.E., I.R.E., 1-2-3, Corresponding Secretary, 4.

CHARLES BURTON MEYER, JR., '49
Business Administration  
Arlington
Capitol Club, 1-2-3, President, 5; Pi Delta Epsilon, 3-4; Baseball, 1; Tennis, 3-3-4; Monogram Club, 2-4; Publications Board, 3, Secretary, 4; WUVT, 3, Director of Special Features, 2, Director of the Station, 3-4; Corps, 1-2; Intramurals, Manager, 2.

GEORGE JACK MICHAELIDES, '52
Electrical Engineering  
Morphia, Cyprus Island
Transfer from: University of Athen, Greece; Northfield Divi- 
sion, W & WVP; Eta Kappa Nu, 2-4; Cosmopolitan Club, 2-4; String Ensemble, 2-4; A.L.E.E., 4.

WILLIAM LEIGH MICHELINIE, '52
Mining Engineering  
Alderson, W. Va.
A.I.M.E., 1-3, Treasurer, 2; President, 4; Student Associate, 4; Sigma Gamma Epsilon, 2, Secretary-Treasurer, 1.

GEORGE ALFRED MILLER, '52
Dairy Husbandry  
Porcellville
Dairy Club, 1-2, Treasurer, 3; President, 4; Agricultural 
Club, 3-4; Alpha Zeta, 3-4; Black and Blue Club, 2-3-4; 
4-H Alumni Club, 1-2-3-4; Corps, 1-3.

WILLARD EDWARD MILLER, '52
General Agriculture  
Bridgewater
Transfer from: Medical College of Virginia; Bridgewater 
College; Horticultural Club, 1-2; Shenandoah Valley Club, 
1-2-3-4, Vice-President, 3.

CHARLIE HOWARD MITCHELL, JR., '52
Mechanical Engineering  
Eastburg
Engineers Club, 2; A.S.M.E., 3-4; Rifle Club, 4; Baptist 
Student Union, 2-3-4.

PHILIP MAHONEY MITCHELL, '52
General Agriculture  
Manassas
Dairy Club, 2; Agricultural Club, 4; Capital Club, 1-2-3-4; 
Richmond Club, 2-4; Sweman Club, 2-3-4; Intramurals, 
1-2-3-4.

ROBERT SHERMAN MOHLER, '52
Business Administration  
Schenectady, N. Y.
Biology-Science Club, 1; Business Club, 2-4; Yawkey Club, 
1-2; Intramurals, 1-2-3; Lambda Chi, 2-4; Lacrosse Club, 2-4, 
President, 4.

THOMAS HENKE MOORE, '52
Electrical Engineering  
Timberville
A.L.E.E.-I.R.E., 2-4; Shenandoah Valley Club, 3-3-4; WUVT, 
2-3, Technical Director, 4; Eta Kappa Nu, 3-4; Pi Delta 
Epsilon, 2-4;Roger, 1.
Senior Class

WELLFORD HOLTON MOORE, '52
Business Administration
Petersburg
Petersburg-Bigwell Club, 1-2-3, Vice-President, 4.

CARL RICHARD MORRIS, '52
Industrial Arts Education
Hampton
Industrial Arts Education Club, 3-4; Cavaliers, 3-4.

JAMES BARRON MORRIS, '52
Civil Engineering
Big Stone Gap
Transfer from: Bluefield College, 1-2; A.S.C.E., 2-4; Tau Beta Pi, 2; Secretary, 4; Chi Epsilon, L. Treasurer, 4; Linncrest Pine Club, 3-4; Intramurals, 3-4.

RICHARD BAILEY MOTTLEY, JR., '52
Electrical Engineering
Richmond
Richmond Club, 1-2-3; WUVT, 2; A.I.E.E., 3-4; Corps, 1.

ALVIN FRANK MURPHY, '52
Business Administration
Martinsville
Transfer from: Randolph-Macon College, 1-2; German Club, 2-3-4; Seminole Club, 3-4; Seniors, 1; Business Club, 3.

GEORGE ARTHUR NATCHUS, '52
Electrical Engineering
Norfolk
Transfer from: Norfolk Division; W & M-YPI; IPES Club, 1-2; Phi Eta Sigma, 4.

CLAUDE WILSON NEWMAN, JR., '51
Agricultural Economics
Baskerville
Y.M.C.A., 1-2; Cabinet, 3-4; Agricultural Economics Club, 1-2-3-4; Agricultural Club, 1-3-4; Alpha Chi Sig, 1-2-3-4; Seminole Club, 1-2-3-4; Old Belt Club, 3-4; Corps, 1-2-3; Photo Club, 2-3; Intramurals.

WILLIAM ANDREW NEWSOM, JR., '52
Aeronautical Engineering
Norfolk
Transfer from: Norfolk Division; W & M-YPI; L.A.E., 3-4; Rifle Club, 3-4.

RICHARD CONWAY NEWSOME, '52
Electrical Engineering
Oak Ridge, Tenn.
A.I.E.E.-IEEE, 1-3-4; Vice-Chairman, 4; Short Wave Club, 2-3-4; WUVT, 2-3; Case Club, 2-4; Southwest Virginia Club, 3-4.

CECIL FRANKLIN NICHOLS, '52
Agricultural Economics
Huddleston
Corps, 1-2; Agricultural Club, 3-4; Agricultural Economics Club, 3-4.

RALPH EDWIN NOLF, '52
Biology
Cresskill, N. J.
Yankee Club, 2-3-4; Biology Club, 3-4; Rifle Club, 4; Class of '52 Ring Dance Advisory Council, 3.

FELIX EDWARD OBENSHAIN, JR., '52
Industrial Physics
Roanoke
Roanoke Club, 1-2-3-4; Sigma Pi Sigma, 3; President, 4; Physics Club, 1-2-3-4; President, 4.
The Class of 1952

Top Row

WILLIAM DANIEL O'CONNELL, '52
Mechanical Engineering
San Diego, Cal.
Transfer from: San Diego State College; University of California; A.S.M.E., 1-2-3-4; Newman Club, 3-4.

EDMUND LEE OGGURN, '52
Mechanical Engineering
Richmond
A.S.M.E., 4; Pi Tau Sigma, 4.

BEVERLY GRAY OLIVER, '51
Industrial Arts
Portsmouth
Wesley Foundation, 1-2-3-4; Portsmouth Club, 3-4; Methodist Student Movement, 1-2-3-4; Industrial Arts Education Club, 3-4.

RICHARD ELMER OLIVER, '52
Civil Engineering
Portsmouth
Transfer from: North Carolina State College; A.S.C.E., 3-3-4; Portsmouth Club, 2-3, Vice-President, 4; Intramurals; Corps, 1-2.

AARON BRITT OLSEN, '52
Electrical Engineering
Norfolk
Transfer from: Unions College; A.I.E.E., 2-4; Norfolk Club, 2-2-4; Short Wave Club, 4; Virginia Tech, 2-2-4; Masonic Club, 2-3; Senate, 4; Part Flying Board, 4.

CHARLES LEONARD OVERSTREET, '52
Mechanical Engineering
Roanoke
Transfer from: Roanoke College; A.S.M., 2-4; Rifle Club, 4.

Bottom Row

JACK DAVID OWEN, '52
Electrical Engineering
Roanoke
Transfer from: Roanoke College; A.I.E.E.-I.R.E., 3-4; Short Wave Club, 4; Roanoke Club, 4.

DONALD C. PAISLEY, '52
Civil Engineering
Mouth of Wilson
Transfer from: Blount College; Chi Epsilon, 2-4; A.S.C.E., 3-4.

PAUL DENTON PAISLEY, '52
Civil Engineering
Mouth of Wilson
Transfer from: Emory and Henry College, 1-2; Chi Epsilon, 2-4; A.S.C.E., 2-4.

RICHARD EDWARD PALATINE, '52
Aeronautical Engineering
Waterbury, Conn.
I.A.S., 3-4; Gamma Alpha Phi, 3-4; Newman Club, 1-2-3-4; Yankee Club, 3-4.

WILLIAM W. PATTERSON, '52
Civil Engineering
Norfolk

JAMES FRANKLIN PAYNE, '52
Geology
Bradshaw, W. Va.
Holden Society, 2-3-4; Sigma Gamma Epsilon, 3-4.
JOSEPH ELMO PEERY, '52
Business Administration  Vivian, W. Va.
Alpha Kappa Psi, 3-4; Varsity Football, 1; Business Club, 3-4; Black Diamond Club, 4; Intramural, 3-5, Corps, 1-5.

DONALD LEE PEMBERTON, '52
Electrical Engineering  Richmond
Transfer from: Richmond Extension, VPI, 1-3; Student Society of Engineers, 1-3; P.E.I., 1, President, 2; A.I.E.E., 3-4; Canterbury Club, 3-4; Richmond, Club, 3-4; Intramural, 3-4.

AUBREY TUCKER PENNINGTON, '52
Industrial Arts Education  Blackstone
Industrial Arts Club, 2-3.

JOSEPH RICHARD PERINI, '52
Civil Engineering  Framingham, Mass.
Engineer, 3-5; Beta Phi Alpha, 3-5; Newman Club, 1-2-3-4; Yankee Club, 1-2-3; Swimming, 1-2-3-4.

HOWARD COTTRELL PHILLIPS, '52
Geology  Richmond
Swimming, 1-3; Holden Society, 2-3-4; Westminster Fellowship, 4; A.I.M.E., 4.

WADE BANNER PHILLIPS, '51
Business Administration  St. Paul
Cotton Club, 5-4; Arnold Air Society, 3.

JOHN AKERS PHIPPS, '52
Industrial Physics  Independence
Transfer from: Emory and Henry College; Physics Club, 2-4; Secretary-Treasurer, 4; Sigma Pi Sigma, 5, Secretary-Treasurer, 4; Phi Kappa Phi, 4.

MARIYANCE PICKELL, '52
Home Economics  Harriman, Tenn.
Transfer from: Virginia, University, 1-5; Home Economics Club, 1, President, 1-2, Secretary-Treasurer, 4; V.W.C.A., 1, Council, 2-3, Secretary, 4; Student Council, 3; Civic Club, 1-3; Orchestra, 1-3; Interact Annual Staff, 2.

DOUGLAS DEANE PLEASANTS, '52
Industrial Engineering  Richmond
A.S.M.E., 7; A.S.H.E., 3-4; Richmond Club, 4; V.W.C.A., 4.

OLEY SWANSON POER, JR., '52
Mechanical Engineering  Greensboro, N. C.
Transfer from: Guilford College; Order of DeMolay, 5-2; Tar Heel Club, 1-2, Secretary, 8, President, 4; Ring Dance Invitational Committee; Band, 1-4, LaVanne, 2-4; A.S.H.E., 4.

WILMER BASSETT POTEAT, '52
Mechanical Engineering  Norfolk
Transfer from: Norfolk Division, W & M, VPI, 1-2; IMPS Club, President, 3-4; Pi Lambda, Vice-President, 1-2; Rotaract Club, 1-3-4; Home Council, 2; Basketball, 1-2; Track, 1-2; Interclub Council, 2; A.S.M.E., 3-4; Norfolk Club, 3-4.

DONALD BRIGSTOCK POWELL, '52
Metallurgical Engineering  Richmond
Transfer from: Richmond Extension, VPI, 1-2; Society of Students Engineers, 2; A.S.H.E., 3, Secretary, 4; Richmond Club, 4; Interfraternal, 3-4.

Virginia Tech
VERNON CABELL FOWLER, '52  
General Science  
Portsmouth

RICHARD EUGENE PREECE, '52  
Ceramic Engineering  
Transfer from: Clairfield College; American Ceramic Society; 3-4; Black Diamond Club; 3; Treasurer; 3.

BETTY LOIS PRICE, '52  
Home Economics  
Blackburg
Transfer from: Intramurals; 1-4; Captains; 3-4.

ROBERT DONALD PRICE, '51  
Business Administration  
Altavista
Corps; 1-3-6, Sg.t.; 1; Pi Beta Epsilon; 3; Historian; 1; Alpha Phi Omega; 3-4; Historian; 2; Sigma Nu; 3-4; Business Manager; 1; Publications Board; Treasurer; 3; Cheerleader; 3-4; Pitcher Club; 3; Treasurer; 3-4; 3-4; Vice-President; 4; Business Club; 3; Business Staff; 3.

DENNIS MARSHALL PRILLAMAN, '52  
Business Administration  
Bassett
4-H Club; 1; Sodexo Club; 1-3-4; Business Club; 3-4; Business Club; 3; Corps; 1-3-4.

JOHN RANDOLPH PRILLAMAN, '52  
Horticulture  
Calloway
Transfer from: Leechburg College; Horticultural Club; 3-4; Treasurer; 3; 3-4; Business Staff; 2.

SAMUEL REECE PRITCHARD, JR., '52  
Business Administration  
Alexandria
Y.M.C.A.; 1; Capital Club; 1-3-4; WUVT; 3; Business Club; 3-4; Secretary; 3; Alpha Kappa Psi; 3; Vice-President; 3.

ROBERT EDWARD QUIGG, '52  
Civil Engineering  
Rochelle, N. J.
Transfer from: Trenton Junior College; A.S.C.E.; 3; Track Club; 3; Intramurals; 3.

RICHARD JOHN QUIGG, '52  
Metallurgical Engineering  
Blacksburg, Va.
Tram Club; 3; Captain; 3-4; Civilian Honor Court; Assistant Defense Attorney; 2; Defense Attorney; 1; Tau Beta Pi; 3-4; Sigma Gamma Epsilon; 2; Corresponding Secretary-Editor; 3-4; Alpha Sigma Nu; 3-4; Honorary Service Club; 3-4; Intramurals; 3-4; Manager; 3-4; Social Civitan Manager; 3-4; Yappe Club; 3-4; Secretary; 3-4; Alpha Club; 3; Corps; 3-4; A.S.C.E.; 3-4; A.A.E.; 2; Governor Bella Rapp; 2.

HENRY CLAY QUINLEY, '52  
Civil Engineering  
Jonesville
Transfer from: Lincoln Memorial University; A.S.C.E.; 4.

WILLIAM CHARLTON RAGSDALE, '52  
Chemical Engineering  
Kinston, N. C.
A.I.C.E.; 3-4; Tau Beta Pi; 3; Phi Lambda Upsilon; Treasurer; 3.

MACK RANEY, '52  
Mechanical Engineering  
La Crosse
Transfer from: University of Wisconsin; A.S.C.E.; 3-4; 3-4; Phi Lambda Upsilon; Treasurer; 3.

Electrical Engineering
Richmond
Transfer from: Duke University; Richmond Extension, VPI, 1-2; Engineers Club, 1; Society of Student Engineers, 2; A.I.E.E., 3-4; Short Wave Club, 4; Richmond Club, 3-4.

AMIR HOSHANG YAVA, '52
Civil Engineering
Teheran, Iran
Transfer from: University Tutorial College, London; Cosmopolitan Club, 4; A.S.C.E., 4; Y.M.C.A., 4; Swimming, 4.

RICHARD J. VANDERBILT, '52
Mechanical Engineering
Staten Island, N. Y.
Transfer from: Wagner College; Davis & Elkins College; A.S.M.E., 1-2-4; Yankee Club, 2-3-4.

Bottom Row

WILLIAM BOYD VAUGHAN, '52
Business Administration
Bowling Green
Business Club, 2; Fredericksburg Club, 3, Hgt. al-Armo, 4.

WALTER THOMAS VAUGHT, '52
Biology
Ivanhoe

JAMES LEE VIA, Jr., '52
Agricultural Education
Critt
Block and Bridge Club, 3-4; Agricultural Club, 1-2-3-4; I-H Club, 2; F.F.A., 1-2-3-4.

VERNON ROGERS VINES, '52
Mechanical Engineering
Norfolk
Transfer from: Wake Forest College; Norfolk Division, W & M-VPI, 1-2; Alpha Phi Omega, 3-4; A.S.M.E., 4; Norfolk Club, 2-4.

THOMAS EDWIN WALDROP, '52
Business Administration
Mannboro
Virginia Tech, 2; Southside Club, 4; Business Club, 4;

DONALD HENRY WARD, '52
Mechanical Engineering
Amelia
A.S.M.E., 2-3-4; Tau Beta Pi, 3-4; Pi Tau Sigma, 3; Secretary, 4; Senate, 4.
CHARLES STEWART WARREN, '52
Electrical Engineering  Norfork
Transfer from: Norfolk Division, W & M, 1-2; Eta Kappa Nu, S-4; Bridge Correspondent; Student Member A.I.E.E.-I.E.E., 2-4; Short Wave Club, 3-4; WUVT, Technical Staff, 4.

BASIL GORDON WATKINS, JR., '52
Mechanical Engineering  Lynchburg
Pi Tau Sigma, 3-4; A.S.M.E., Secretary, 3, Vice-President, 4; Class of '52 Ring Dance Flower Committee, Chairman; Lynchburg Club, 1-4; R.S.C., 4; Tau Beta Pi, 4; Phi Kappa Phi, 4.

JAMES THEODORE WATSON, '52
Mechanical Engineering  Richmond
A.S.M.E., 2-4; Rifle Club, 4.

RYLAND CARTER WATTS, '52
Agronomy  Chase City
Agronomy Club, 1-2, 4; Vice-President, 3; Agricultural Club, 5-3-4; WUVT, 2-3; Old Blue Club, 3-4, President, 4; Student Life Council, 1.

JOHN SCOTT WAYLAND, '52
Dairy Husbandry  Hume
Corps, 1-3; Dairy Club, 1-3-4; Agricultural Club, 2-3; Student Grange, 2-3, Y.M.C.A., 1.

JOSEPH M. WAYMAN, JR., '52
Business Administration  Front Royal

SAMMIE WHIDBEE WEAYER, '51
Business Administration  Portsmouth
Alpha Phi Omega, Alumni Secretary, 3; President, 4; Pi Delta Epilon, 4; Virginia Tech Engineer, 1-2, Sales Manager, 3, Assistant Business Manager, 4; Bugle, 2, 4, Associate Editor, 2; Virginia Tech, 2-2; Portsmouth Club, 1-2, 3; President, 4; Order of DeMolay, 1-2-3; Business Club, 2-3; Mason Rank, 2; Y.M.C.A., Junior Cabinet, 2; Rifle Club, 3; Cheerleader, 4; Intramurals, 1-2-3; Corps, 1-2-3-4.

BENJAMIN HARRISON WEDDLE, JR., '52
Agronomy  East Lynn, Mass.
Football, 1; Baseball, 1; Intramurals, 2-3; Agronomy Club, 2; Treasurers, 2, President, 3, National Agronomy Club, Secretary, 3; Agricultural Club, 2-3, 4; Phi Sigma, 2-4; Alpha Zeta, 2; Treasurer, 4.

BAYNE CALDWELL WELKER, '52
Business Administration  Greensboro, N. C.
Intramurals, 1; Tarheel Club, 3-4; Business Club, 4; Alpha Kappa Psi, 3-4.

DONALD LEE WELLER, '52
Electrical Engineering  Hagerstown, Md.
Transfer from: Lynchburg College, Mason Rank, 2-4; President, 2; Alpha Phi Omega, 2-3-4; Ski Club, 3-4; A.I.E.E., 2-4.

ROBERT RANDOLPH WESSON, '52
General Agriculture  Gholsnville
Agricultural Club, 3-4; Agronomy Club, 3-4; Dairy Club, 4; Student Counselor, 4; Southside Club, 3-4.

RALPH SUTHERLAND WESTING, JR., '52
Animal Husbandry  Greens Farms, Conn.
Transfer from: Stanford College, 1; Track, 3-4; Block and Tackle Club, 3; Reporter, 4; Monogram Club, 3-4; Psi Sigma, 3-4; Agronomy Club, 3; Secretary, 4; Intramurals, 3-4; Alpha Zeta, 4.

Virginia Tech
GEORGE OTTO WHITE, '52
Business Administration
Portsmouth
Transfer from: Norfolk Division, W & M VPI, 1-2; Kappa Sigma Kappa, 1-2; Portsmouth Club, 2; Treasurer, 4.

WILLIAM EDWIN WHITE, '52
Industrial Engineering
Norfolk
Transfer from: Norfolk Division, W & M VPI, 1-2; A.I.E.E., 4.

Virginia Tech
New rat gets his key to happiness?

Good old English!!!

Rat style

Just checking

Moments of relaxation...

...and satisfaction

But sarge, it doesn't feel right

Rat and daddy

Rat dance and blind date

Walk it off

Tired, rat?

First shave?

Body English

Shucks, I just came up here to miss one test
A Message...

TO THOSE WHO ASPIRE:

If there is any one single factor more important than another in determining the future of America, it is our educational system.

Our alma mater is a case in point. V. P. I. is but one of many American institutes of education. Yet for nearly four score years a brilliant procession of distinguished men and women have gone forth from the academic calm of our campus to win success in all fields of human endeavor. How many industries, how many great agricultural ventures, how many scientific advances, how many projects of engineering genius, how many social institutes—yes, and how many battalions and regiments—have received their guidance and their inspiration from those who have been graduated from Virginia Polytechnic Institute!

For the future—even more than for the past—the state, the nation, the world will offer great opportunities for those who have been trained to know and to think; to solve problems by means of ideas; to profit consciously from past experiences, and to be guided not alone by the immediate and the material but also by intelligent and unselfish purpose—Ut Prosim, "That I may do good."

The men and women of V. P. I. will always make the grade outside, if they have made the most of the opportunities of their undergraduate years, because they will be well trained to make decisions, to act, and to execute the skills required for action. These attributes, coupled with a will to work, are the rock-bottom foundation of success and of leadership in any field of future endeavor,

Lewis A. Pick, '13
Lieutenant General
Chief of Engineers
Military
To The Corps

The Corps members of the Class of 1952 will soon leave V. P. I. As they prepare to do so they must remember that they are not leaving the Corps. The Corps consists not only of the members of the four undergraduate classes in residence. It includes also the thousands of cadets—many of them now passed on—who have graduated in all the years since the college was established in 1872.

As you of the Class of 1952 follow in their footsteps, you must be guided as they were by the code of life, the principles, and the lessons you learned from your life as a cadet. That code, those principles, and those lessons have helped them solve the problems with which they have been faced as leaders in industry, in business, in agriculture, and in the armed forces of our country. They will help you too to do your part in solving the even more serious and more difficult problems with which you and the world are faced today.

We of the Military Department feel that you are ready to face those problems and we wish you success in doing so.

W. R. MERRITT
Colonel, Artillery
Commandant

The Military Department Staff

Absent: Lt. Col. Ripley.

"... The organization to which we, the undergraduate students of the Corps of Cadets belong, shall be known as the Corps of Cadets of the Virginia Polytechnic Institute, and shall work towards the furtherance of the ends of this body as a whole, towards its general betterment, a greater college spirit, and the attainment of those things which will tend to make the Institute greater in every way. ..."
Cadet Executive Committee

"It shall be the duty of the Executive Committee to guard and protect the reputation and name of the Corps of Cadets and recommend punishment for offenders who bring discredit upon the Corps of Cadets in matters not involving the Honor System in accordance with the provisions contained in the V. P. I. Military Regulations. The Executive Committee shall consist of two members from the Senior Class, and one each from the Junior, Sophomore, and Freshman Classes. The Vice-President of the Corps of Cadets shall serve as chairman of the Committee."

Cadet Senate

"... All legislative and governing powers of the Corps of Cadets shall be vested in an agency to be known as the Senate of the Corps of Cadets of the Virginia Polytechnic Institute, which shall be composed of senators elected from the Corps of Cadets."
Cadet Honor Court

"... The Honor Court is the court composed of elected and appointed members of the Corps of Cadets, and is the supreme judicial body of the Corps of Cadets, and shall try all cases pertaining to violations of the Honor System. . . ."

Cadet Honor Court Jury

The Jury of the Cadet Honor Court is of a permanent nature, the jurors being elected from the Cadet Corps. There are three men from each academic class on the jury.

The same Bull Bill to see to pull a little this time

Ugly man, Bill Giffard, scores the pants off football opponents

And last but not least - our corps maverick and our hero
The Society of American Military Engineers was organized to advance the science of military engineering, and to foster a better spirit of cooperation between military and civilian engineers in an effort to provide a reserve of trained personnel from which to draw in time of war. Each year in recognition of his outstanding achievements, an ROTC student of the Corps of Engineers is awarded a medal by the National Society. Important parts of the functions are discussions, visiting speakers, and films made available from the Department of the Army Film Library.

Regimental Staff

OFFICERS

Colonel David M. Rainey .................................................. Regimental Commander
Lt. Colonel Donald G. Sutherland ................................. Executive Officer
Major Daniel W. Cheatham, Jr. ................................ Adjutant, S-1
Major W. Phillips Brown ................................................ Intelligence Officer, S-2
Major Kenneth L. Motley .............................................. Plans and Training Officer, S-3
Major John M. Eliff .......................................................... Supply Officer, S-4
Major Samuel T. Isaac .................................................... Special Service Officer

The Regimental Staff, for the year 1951-52, has taken great pride in working with the members of the Virginia Polytechnic Institute Corps of Cadets. We feel that whatever accomplishments we have made are due only to the cooperation and interest shown by the men with whom we have worked.

The staff, commanded by David M. Rainey (better known as “Ramrod”) has been ably assisted by: D. Gene “Bubbe” Sutherland, the senate fireball; Dan W. “Hack-em-back” Cheatham, who thrills all logs within thirty miles; W. Phillips “Twinch” Brown, who knows all, hears all, and sees all; Kenneth L. “One Beer” Motley, still proving to Nancy that “German” is best; John M. “Ginme-more-stripes” Eliff, still on the trail of that missing rifle; and Sam T. “Leaflets-on-VMI” Isaac, with a lawbook in each hand.
The Colors

The Corps Today - - -

Since the close of the Second World War the Corps of Cadets has been faced with the very difficult task of regaining its prewar position. Today the Corps boasts sixteen hundred cadets, composing fifteen companies and the Band.

True, the Korean War has thinned our ranks considerably. We have seen many friends and buddies leave the Corps to serve our country, some of whom will never again be running out of the barracks in time for minute call at Retreat. But we are sure we shall always see one thing here at V. P. L. and that is a proud Corps of Cadets. For the Corps of Cadets IS V. P. I. The two cannot be separated, and they will grow larger and better together as the Corps continues to turn out outstanding young officers and men for our country.
In Memoriam

James Solomon Schaeffer

(March 4, 1886 – November 25, 1951)

Director – V.P.I. Regimental Band
(1916 – 1951)

The V. P. I. Cadet Regimental Band returned to dear old number one barracks this year where it all began some years ago. To most of us it was just a shack, but after a few weeks and several gallons of paint it turned out as a real “Home In The Corps”.

Some of the major accomplishments throughout the year, along with leading the Corps and cheering the football team, were trips to Alexandria, Norfolk (Oyster Bowl Game), Winchester (Apple Blossom Festival), and other concerts throughout the state.

This has been one of the most successful years in a long line of great Hightly Tighty Bands at V. P. I. It is with thought in mind that we bring our college career to a close with a “Hightly Tighty . . . . . .”

J. F. Neel
Captain

Mrs. Jack F. Neel

First Battalion Staff

OFFICERS

Lt. Colonel Lawrence S. Hansrote               Battalion Commander
Major J. Landon Short                        Executive Officer
Captain Roger C. Gray                        Adjutant, S-1
Captain John R. Holland                      Supply Officer, S-4
Sgt. Major Robert Q. Williams                Sergeant Major

We, Colonel Hansrote's chain gang, composed of five highly-blitzed, stainless steel links bid adieu to our college days with a sigh of relief, (completed staff work). Yet the links of fellowship and hard work that bound this chain together will always remain as memories of our last year at old V. P. I.

The big link was Commander, Larry "Coach" Hansrote; followed by Executive officer, Landon "Buy a Bagle" Short; and Adjutant "Rombo" Roger Gray. Supply Officer, J. B. "Zebra" Holland and Sergeant Major R. Q. "Married Man" Williams were the two links that completed the chain.

It was certainly a pleasure to work with the five excellent A. F. Squadrons, composing the First Battalion, commonly known as "groocoup", and we appreciate their cooperation in upholding the standards of A. F. R. O.-T. C. We hope that future staffs will derive as much experience and pleasure from their duties as we have from ours.

Now since we soon will be "Bus-drivers" too, We want to salute our superiors in blue:

Lt. Colonel "Joiling Joe" Russell  
Major "Hollywood Sunglasses" Meacham  
Major "Blusher Boy" Francis  
Captain "Boney Bill" Cox  
Captain "Sweet and Low" Pryor  
Lieutenant "Flushbottom" Stitt

"First with the mostest", is "A" Company, the oldest Company in the Corps, and the best Company in the eyes of all those who are, or ever have been in, "The Pride of the Corps". This year has been one of continued success in academic, military, social, and athletic work for all the men in "A" Squadron.

During the past five years "A" Company's teamwork, and winning spirit have won for them three battalion Citation Cords, and the Kohler Cup. As the year closes the men of "A" agree that we had the best Company Captain in the Corps, Walter Smith, and a peerless staff of Senior Officers.

We will always remember our Company, its Officers, and the words of an old "A" Company man, the late Captain Lloyd W. Williams, "Retreat, Hell! We just got here."

Under the guiding hand of our captain, "JP" Rector, we, the men of Company B have set a pace and record in the Corps of Cadets that has kept other companies constantly on the alert. We have forged the way for others and have undertaken many projects which were only to be copied by our rivals. We are proud, however, to be the leaders and to have these many followers; for by doing so we have made a contribution towards the Corps of Cadets at V. P. I.

We wish to leave one thought with our successors. We have proved that a company can be run strictly, sternly, and forcefully, and still have spirit, fun, and happiness.

"R" Company's captain, John "fall in the lake" Rector, believes in military and fun, each in its own place. The first lieutenant is D. R. S. "the little monster" Peters who is definitely too much in love (with D. R. S. Peters). The platoon lieutenants are J. D. "red-head" Clendenen, L. T. "just one more" McKinnney, and J. W. "the great platoon marcher" Holcomb. Our first sergeant is J. S. "pencil" Deutsch who neglects duty and then has heart trouble. J. W. "no supplies" Way carries the shaft instead of receiving it.

Creedon "Old Boy"

Sorry to have disturbed you through the years, but you knew how the life of a marine is spent. Rich.
Throughout past vicissitudes, it has been the aim of every Company in the Virginia Tech Cadet Corps to achieve the highest possible level of “Esprit de Corps.”

The inspiring leadership of the Cat Company officers linked with the wholehearted cooperation and assistance of the underclassmen has made it possible for the company to live up to the ideals and standards set by their predecessors, and approach their ultimate goal.

"Amazing"—That is the characteristic of our organization in one word. Dubbed by many in the past "The Country Club", D Company this year is doing the unbelievable. To the happy-go-lucky attitude has been added a spirit of determination which is unequalled in the Corps. Every man is working with undying efforts towards the Citation Cord and Kohler Cup. The result: Company D is leaving the rest of the Corps in a cloud of dust.

Newly formed as an air squadron this year, Squadron E has shown cooperation, spirit, and the determination to excel; all of which are characteristics essential to the attainment of our goal—the unit Citation Cord and the corps Kohler Cup.

Squadron E shall long be remembered by the men who have shared in its activities and close fellowship throughout the year.

Second Battalion Staff

OFFICERS

Lt. Col. Billy M. Brammer
Battalion Commander

Major Mills A. Riddick
Executive Officer

Captain Charles R. Ward
Adjoint, S-1

Captain Forrest D. Tignor
Supply Officer, S-4

Sgt. Major John C. Glenn
Sergeant Major

The Second Battalion Staff has endeavored to make our battalion the best in the Corps. Through interest and cooperation we feel that we have gone a long way in accomplishing this goal. This has been clearly shown by the outstanding performances of the companies of the battalion. Our efforts have been overshadowed by their accomplishments.

Our staff, commonly known around the campus as “Brammer’s Q. C. Kids”, is composed of four Artillerymen and one outcast from the Ordnance unit. The “kids” are led by “Rabbit” Brammer from Chigger Ridge in the free state of Patrick County, Virginia. The “exec” is “Donkey” Riddick who hails from among the “swamp-rats” of Suffolk, Virginia. From Washington, D. C. comes the staff’s only danny Yankee, “Schlitz” Ward, the adjutant. Next is our “Rebel” supply officer, “Judge” Tignor, from Atlanta, Georgia. And lastly, the only sane man on the staff, “Lover” Glenn, Sergeant Major, from the Mountain Empire of Virginia.

Since we too will soon be donning the army khaki, we’d like to pay tribute to these our superior officers, who have guided our actions and demerit grades through this our senior year:

Lt. Colonel “Old Corps” Ripley
Major “Eager Ed” Beda
Major “McNo-hair” McNair
Major “Smiley” Myers

The 1952 F Company, holder of the artillery citation cord and the intramural championship of 1951, will endeavor to uphold the honor and prestige of the ’51 Company. Under the command of “Chick” Dyson it will strive to add to its collection of trophies the coveted Kohler Cup. It is not the sole purpose of Company F to win material honors, but also to develop a high standard of leadership and comradeship among its men.

The 1952 edition of “G” Company, capably led by “Cap’n Ed” Petty, has its sights set on nothing short of the best. It is the ultimate aim of every man, from the last rat in the rear rank up through the “ole man” himself, to get that citation cord, and at the same time to aid in the development of better citizens and better leaders for tomorrow.

Our motto is “GET IT DONE,” and if anybody can do it the Petty boys can!

Company H, comprised of the men who formed last year's Company E, feels proud of the fact that in addition to having a great military organization, we possess more elected Corps officers than any other company.

We have always strived to attain the high standard of leadership and cooperation for which V. P. I. cadets are famous; and in the years to come, we shall be proud to say, "Sure, we were in Company H."

“I” Company has had a very successful year in which all the classes, from the lowly freshman to the highest senior, have cooperated to obtain a common goal. We have worked hard and played hard, and together we have made “I” Company one to be honored and respected throughout the Corps. We hope and believe that “I” Company will continue to maintain itself as a company in which every member has the highest feeling of pride.

Company K is the only Signal Corps company at V. P. I. The unit appeared on the campus for the first time last year and definitely is here to stay.

Many thought that there would not be a large enough enrollment in Signal Corps R. O. T. C. to assure the continuance of the company. In fact, last year the company was padded with twenty-five Artillery cadets to bring it up to full strength. However, the addition of thirty-five new freshmen, all enrolled in the Signal Corps, is a good indication of things to come.

The scarcity of men qualified for such a technical unit as the Signal Corps has made it a privilege to be a member of Company K. The men are proud of their distinction and look forward to a bright future as Signal Corps cadets and Signal Corps officers.

These fellows get to miss retreat.
Third Battalion Staff

OFFICERS

Lt. Colonel Richard W. Stevens. Battalion Commander

Major Nick J. Andre. Executive Officer

Captain Jordan M. Kilgour. Adjutant, S-1

Captain Raymond F. Huntington. Supply Officer, S-4

Sgt. Major Daniel A. Overey. Sergeant Major

We, the members of the Third Battalion Staff, take much pride in leading the two Engineer Companies, the two Infantry Companies, and the latest addition to our Battalion and the Corps Company "S", the Athletic Company. Our companies are composed of the ground force soldiers, the men who do the dirty work in combat that wins victories. We feel confident that the fine spirit and hard work displayed here at Tech by them, will shine on as future victories in years to come.

At this time, we wish to express our appreciation to our commissioned and non-commissioned officers for their co-operation in making our Battalion a great success.

This efficient staff, "commended" by Col. Dick "Webster" Stevens, "executed" by Nick "Nockie" Andre, "agitated" by Mac "Q-ball" Kilgour, "supplied" by Ray "red on the head" Huntington, and "staffed" by Dan'L "bottomless" Overey, has again come through with top honors.

In closing this, our Senior year (we're safe now!):

"We wish to give credit where credit is due,

So hats off to the men who have led us through—"

Major "Little Napoleon" Katherman,

Major "Smilin' Joe" Cook,

Captain "West Point Horatio Hornblower" Harmeling,

Captain "Fireball" Adams.

Composed strictly of engineers (thank the Lord), Co. L is rapidly taking its place as the outstanding Company on the campus, envied by all and envious of none.

Ably led by Captain “Pook” Upshike, the spirit of cooperation and closeness throughout the year has been the deciding factor that will eventually lead the L Co. Engineers back to the red and white citation cord that they so justly deserve.

During the past the Engineer companies here at V. P. I. have set high standards for the rest of the Corps to follow. Striving forth this year under the capable leadership of Captain Gus W. Dyer, Company M of the Engineers has shown to everyone what high morale, determination, and cooperation can do.

The company has proved its purpose by producing men of high caliber having the outstanding qualities of leadership, fellowship, and character. Yes, they felt cocky, they looked cocky, and they were cocky!

"Handsome" Willie and his doughboys were Infantrymen from "rat" to "rat daddy" nine months of a glorious and memorable year in the annals of "X" Company. They proved, by their efficiency, spirit, and teamwork that they could handle any problem, no matter what the situation or the terrain. "Follow Me" was the password and "Do or Die" was law.

Company "O", led by "Pinkey" Dadmun, is showing the spirit and efficiency that marks the Infantry to be the "leader of the Corps". The company is striving to repeat its performance of winning the Citation Cord and Kohler Cup Trophy of last year.

The men of Company "O" hold their heads high as they look to a future in the Infantry where leadership and endurance prevail.

It will be noted by all that the year 1951-52 was one that saw many changes in the Corps of Cadets. The formation of a company to be made up entirely of athletes became a reality. With the opening of school last September, "Sugar" Company made it known to all that it was to be heard from during the year that followed. We think that we have succeeded in this fore-warning.

Looking back with pride upon our energetic participation in Corps activities, the credit for a job well done belongs to—not one, but all the men of Company "S". We have learned the meaning of friendship, cooperation, and teamwork. Now as the college year comes to a close, each of us feels justifiably proud of the organization of which he is a member.

Student Life

A college education that is gained almost exclusively from formal academic instruction is woefully incomplete and is wholly inadequate preparation for the later achievement which should be expected of college graduates.

Personality traits which demonstrate stability, leadership, and an ability to get along congenially with one's associates are equally essential. These are developed, primarily, by activities outside of the classroom or laboratory.

Students who, in addition to their academic work, engage in the activities of student government, the Corps of Cadets, student publications, athletics, or curricular, religious, and social organizations are making the most of their college opportunities. On their own initiative they are developing abilities and acquiring experience in areas of human endeavor which others choose to forego.

They are doing more than that. They are also contributing greatly to the college community by providing services essential to its well-being and occasions for enlightenment and recreation which enhance its richness and breadth.

The students participation in these activities are to be commended for their efforts for self-improvement and are to be thanked heartily for their contributions to student life at V.P.I.

A Message...

TO THOSE WHO ASPIRE:

The ambitious young man goes to college to increase his stature so that he can see over the heads of the crowd and choose for himself a preferred position in life. At Virginia Polytechnic Institute he will find every necessary facility for making the required growth. The courses offered in the field he has selected will give him the essential grounding. Diligent application to his studies will develop his mind and train him to think, reason, analyze and solve technical problems. But he should not confine his efforts to the classroom. He should welcome opportunities for debate and discussion to the end that he may be able to express his thoughts clearly in speech and writing. He should participate in athletics and other campus activities in order that he may come to accept both success and reverses gracefully. He should learn to get along with others and to cooperate with them in any organized attempt to accomplish a purpose. Having built through such a rounded college experience a broad foundation he can stand on it in his chosen field or use it as a stepping stone to other fields if they look greener, assured of reaching his goal.

The wide variety of activities sponsored by the V. P. I. Agricultural Club provides training for each member in leadership, parliamentary law, public speaking, community activities, and cooperation among members and faculty in the school of agriculture. All members are constantly reminded of the latest advances in agriculture through books, magazines, and speakers secured by the club. With an organization designed for the development of the individual, all members upon graduation feel that they are much better equipped to serve their country as agriculturists.

The Dairy Club was organized in the spring quarter of 1921. In
the spring of 1938, the club was granted a charter by the American
Dairy Science Association and has since been known as the Virginia
Tech Chapter of the American Dairy Science Association.

The objectives of the club are: To develop and encourage leadership
in the field of dairying; to bring the dairy students closer to
the problems in the field of dairying by having educational programs;
to promote fellowship among its members; to encourage activity by
sponsoring both dairy cattle and dairy products judging teams; and
to bring students and dairymen of the State closer together by spon-
soring Dairy Day.

The V. P. I. Collegiate Chapter of the Future Farmers of America is an organization which is primarily for those students in agricultural education, but it also welcomes as members those agricultural students who were formerly F. F. A. Members in high school.

The highlights of last year's work were a fish fry, a Father and Son Field day and banquet, and an F. F. A. annual which was published by the chapter and distributed to each local F. F. A. Chapter in the state.

The Home Economics Club was established for the benefit of those students in the Home Economics field in order to encourage an appreciation of art and science and to broaden their outlook on the Home Economics field. The club provides for the development of leadership and teamwork by social, business, and professional experience through the various aspects of club life. The organization is affiliated with the National Home Economics Association, and the requirements for membership are those maintained by the national group.

The Horticultural Club was organized to promote educational and social fellowship among its members, both faculty and students. The club endeavors to stimulate interest by means of exhibits, movies, lectures, discussions, and many other activities. Each year the club makes an award to the outstanding horticulturist in Virginia. The principal event of the year's activities is the Horticulture Show which is presented each fall.

The club is actively supported by the professional and commercial interests in the state.

Rural Sociology is that branch of social science which seeks to know and understand rural society through scientific methods.

The Rural Sociology Club of V. P. I. is composed of students in the Rural Sociology curriculum. The club’s purpose is to create more interest in Rural Sociology as a field of study and service and to promote a closer relationship among the students in this curriculum.

The Executive Council of the Association for the Advancement of Engineering is a representative body whose purpose is to promote the best interests of the School of Engineering; to represent the various engineering curricular clubs and to coordinate their efforts. To date the main efforts of the council have been directed toward the presentation of the annual engineering conference. This annual conference which has done much to build up the V. P. I. Engineering School in the eyes of industry is planned solely by the students on the council and is presented with the aid of the engineering organizations on the campus.

The American Ceramic Society is a student branch of the national organization. Its purpose is to acquaint the students with the various branches of Ceramic Engineering and to give them a wider knowledge of the problems and opportunities in the field of Ceramics. The society offers the students in Ceramic Engineering an added incentive to develop leadership, scholarship, and the art of working together. The various activities of the society tend to form a closer correlation between the students and their future work in the Ceramic industries.

The V. P. I. Chapter of Student Affiliates of the American Chemical Society, the second oldest in the country, was organized in 1938 to enable students majoring in chemistry to become better acquainted with their field. Guest speakers, motion pictures from different chemical firms, and plant inspection trips, help to further an interest in various aspects of chemistry. Through the Student Affiliate Chapter, chemistry majors are urged to participate in the activities of the American Chemical Society, and they acquire a better understanding of the applications of chemistry in industry.

The V. P. I. Student Section of the American Institute of Architects is an organization with the dual purpose of keeping the architectural student in constant contact with the architectural profession and providing a medium of fellowship with other students in the curriculum of Architecture.

By its connection with the national organization, and co-operative activities carried on with many other architectural schools of the nation, the club accomplishes its purpose, and establishes a social unity among its members.

Membership in the student chapter of the American Institute of Chemical Engineers offers an opportunity for a broader and deeper education in this technical field and for fellowship with students of all classes in this curriculum. This membership also affords an introduction to association with the national society after graduation.

These professional alliances made during student days aid in acquiring the professional attitude necessary to set the pattern for later life.

The society also gives recognition to outstanding students in the chemical engineering field.

The Student Branch of A. S. A. E. offers the opportunity to its members for leadership development, fellowship among students, and a closer relationship with the faculty. Weekly programs are designed to be of special interest to students who have a desire for the advancement of agriculture through engineering. The club keeps abreast with the latest news in agriculture and especially those current technical topics related to farm power and machinery, soil and water conservation, rural electrification, and farm structures. A. S. A. E. is active in the School of Agriculture as well as in the School of Engineering.

The V. P. I. Student Chapter of A. S. C. E. has a three-fold purpose. First, it seeks to round out the Civil Engineering students, education by acquainting them with topics of engineering interest through talks by competent engineers and through movies and field inspection trips. Second, it offers students and faculty members the opportunity of becoming acquainted. Third, the chapter strives to promote a professional spirit among the students.

All Civil Engineering students are eligible for membership and are urged to join the society.

The Holden Society, an organization of the student geologist, has as its object the promotion of further understanding between the geology students and their geology instructors by the presentation of discussions beyond the scope of classroom instruction. By this contact with additional phases of the geologic sciences, it is hoped that a desire is fostered among the members for a higher scholastic and scientific achievement.

TO THOSE WHO ASPIRE:

College athletics were designed to give a student physical and mental training, the appreciation of clean living, the development of a competitive will to succeed, and the development of the spirit of fair play.

High pressure athletics are generally accompanied by evils of competitive recruiting, lowering scholastic standards, requiring an excessive share of the student's time and the outright payment of money for services. These evils have contributed to the present scandals in many sports.

Athletic games must be fun to play. When participation ceases to be fun and becomes grim physical drudgery, many benefits are lost.

The confidence one gains from the possession of physical stamina and the mental attitude to work against odds, and the thrill of winning a hard but cleanly fought game is known only to those who have experienced it and is preserved in their memories.

The Virginia Tech Monogram Club is composed of men who have been awarded a monogram in one of the varsity sports. Letters and sweaters are given to the members by the club in recognition of their achievement in sports. The purpose of the organization is to maintain a close bond of fellowship among varsity athletes at Virginia Tech; to foster and promote athletics at Virginia Tech in every way possible, and to encourage prospective athletes of good character to attend the institution.

Athletic Director

Frank O. Moseley during his first year at Virginia Tech, brought to this campus an added spirit which this school has not seen in many a year.

Moseley as Athletic Director and coach, has scouted football talent from all over the nation, and he has brought to this campus players who will make Tech proud of their football team.

Coming from the University of Kentucky, as backfield coach on Bear Bryant’s Kentucky powerhouse, Moseley found the Tech squad in the doldrums of the defeated. He recruited several new faces to school over the summer months, and built up the team’s spirit, which in years to come should be a part of some of VPI’s finer teams.

The drive and enthusiasm which Frank O. Moseley has brought to this campus, is typical of this hard-working amiable coach, and an outstanding Athletic Director, who deserves a world of credit.

Board of Directors of the Athletic Council

Sitting: Herring, Parde, Bear.
Standing: Burnett, Luczak, Russell, Fleenor.
Football

The Virginia Tech football squad for the 1951 season looked as if they were going places when Jack Williams hit Howard Cowan with a first play from scrimmage touchdown pass against Davidson, but instead of rising the Gobblers sank deeper into the ranks of the defeated.

Supported mostly by freshmen and sophomore linemen, besides some returning lettermen, the Tech eleven couldn't shake loose Bryant, Welsh, or Gates, all freshmen, enough to put the Gobblers on even terms with their opposition. Inexperienced linemen plus, the newly introduced coaching methods of Frank O. Moseley, made the line weak in the earlier games of the season, but toward the end of the campaign, when VPI beat Richmond, the line and the backs were functioning smoothly as a well balanced team.

Led most of the season by the passing and brilliant quarterbacking of Johnny Dean, plus the superlative running of All-Southern Conference Freshmen Backs of the Week, Ducky Welsh and Tommy Bryant; the Maroon and Orange in future years have much to look forward to. Such defensive stalwarts as Hughes, Onderko,

Coach Moseley with the four seniors who just completed their last game of college football, bowing to VMI, 28-7. Reading from left to right are guard Frederick, quarterback Petty, Coach Moseley, defensive halfback Boyle, and linebucker Laczak.
and Lacenak, gave many opposing quarterbacks a hard time in calling the right plays.

Although Tech lost all their games except one, which was a 20-14 victory over Richmond, the spirit of the boys while on the gridiron never slackened. Spirit was the keynote of this squad's achievement, and when the boys have the experience behind them they will be a tough aggregation to beat.

Besides losing a close, hard-fought battle to N. C. State at Homecoming, leading VMI at the half was one of Tech's brightest points of the season. The highly touted squad from Lexington was co-champion of the Southern Conference and had an impressive record of 7 wins and 3 losses. At the half, VMI was behind a vastly improved squad from Tech, 7-0. However, their depth and the brilliant running of Tom Birge were too much for the Gobblers, with the Keydets winning 20-7.

The boys rock 'em on the big day against Richmond.
Above:
Left: Cox eludes Davidson man and goes for TD.
Center: Welsh scooting right end.
Right: Bryant hits paydirt against State at Homecoming.

Below:

Center: Gates spills Blue Devil.
Right: Cowan Books 'em.

Each year, The Virginia Tech, official school paper, awards to the outstanding player of the Homecoming game, the Virginia Tech trophy. In this year's game against N. C. State, Johnny Dean, and Ki Luczak won top honors. Pictured at left are from left to right: Dick Huff, Monogram Club president, Dr. Purdue, Athletic Association, Luczak, and Dean.
Above: Dean pitches out to Welsh in season’s opener against Davidson.

Left:

Top: White scores against VMI on pass from Dean.

Middle: Gobbler smothered.

Bottom: Dean hurdles over for six against Richmond.

In a sports writers poll conducted by the Touchdown Club of Roanoke, Ki Luczk was selected as the State’s outstanding football player. Luczk beat out such men as All Southern Conference Gil Boretti, W & L, and All American Joe Palmese, U. Va. Ki is pictured holding the trophy with Coach Alf Sutterfield, Tech, as the great Sammy Baugh looks on. Baugh made the presentation.
Basketball

The 1951-52 edition of Tech basketball didn't fare too well, winning only four games in twenty tries. Losing seven of his first eight men as a result of graduation, Coach Laird had to rebuild his squad with only Johnny Cantrell back. Laird used the following men besides Captain Cantrell as his starters: Charlie Hall, Mickey Smith, Charlie Eaton, Bill Cox, Odie Green, and Bill Bolton. Cox and Bolton were freshmen.

The Gobblers started off by losing their first nine games in a row. GWU broke their 20 game home victory streak. But then on the Blacksburg court, U. Va., became the first victim of the Lairdmen as they fell 90-62. Charlie Eaton hit for 35 points, tying the court record set by "Tex" Tilson last year.

After two more losses, Tech bounced back and built up a three game winning streak, downing Richmond, W. & L., and VMI. However, West Virginia, led by All-American Mark Workman, came to town and dropped the Hokies 99-82, which started a new five game losing streak.

Left to Right: Cantrell, Petty, Ferguson, Bolton, Eaton, Jennings, Cox, Hall, Green, Stengesser, Grimes, Smith, Anderson.
Tech closed out their season with a close 82-83 loss to Hampden-Sydney on the local court. Center Emerson Johnson sparked the Tigers to victory as he set a court record by pouring 30 points through the hoops.

Although the Techmen compiled the worst record of any court team of the past few years, there were some bright spots during the season. Many of the games were close and Tech always went down fighting.

Captain Johnny Cantrell was the playmaker of the team and a new star was discovered in Charlie Eaton. Cantrell's fine all around play earned him a place on the All Big Six team. The little guard tallied 256 points for a 13 point average per game.

Forward Eaton led the Tech scorers with 308 points, good enough for a 15 point average per game. The Radford push-shot artist earned a place on the second string All-State team as a result of his play.

Mickey Smith, Odie Green, and Charlie Hall all played good sound ball. Smith and Hall are rebound artists. Two new cagers were discovered in freshmen Bill Cox and Bill Bolton. Both of these men hit for 20 points or more in several games.

Top: Eaton and U. Va. man fight for possession.

Stylish bucket by Bolton.

Left: All eyes on the ball as Cox, Workman jockey for position under the boards.
Swimming

Coach Lou Onesty's swimming team had a fair year, winning two meets and losing five. Wins came at the expense of W & L and Davidson while the losses were to N. C. State, U.N.C., V.M.I., Duke and U. Va.

In the state meet, which was held in Blacksburg, the Hokies came in third behind V.M.I. and U. Va. Although points were not scored in the Southern Conference, Techmen finished in the upper brackets.

Mac Jones and Ben Miller were the top individual performers on the team. Both men are veterans of last year's squad. Miller performed in the sprints while Jones was a sprinter and distance man. Co-captain Bill Nisley and John Haydon did well in the breast stroke and Jim Allen, the other Co-captain and Johnny Ellison performed well in the diving.

The freestyle relay combination of Miller, Jones, Phil Emmons and Bill Valentine was beaten only once during the regular season. They knocked several seconds off of the school record. With freshman Johnny Lineweaver subbing for Valentine in the SIC meet, this quartet finished second behind Duke, and broke the school record again.
Wrestling

The Virginia Tech wrestling team had one of the finest teams of recent school years. Led by Howie Wright, who as a freshman was outstanding, and Mac Bullard, captain, the squad compiled a record of five wins and three losses.

Every man on the squad, with the exception of Sammy Cook, won more matches than they lost. Tops, as far as individual performances during the regular season, records belong to Jack McNicol, Wright, and Bullard. McNicol lost twice, Bullard once, with Wright undefeated in 167 pound competition.

Others who did well for first year men were Al Motley, Jack Deaton, and Cook. Ben Chambers, veteran grappler, once again had a good season, coming in second in 177 pound division in the Southern Conference Tournament.

Coach Teske, in his first year as wrestling coach, was quite instrumental in the team’s accomplishments. The squad as a whole had two freshmen, one sophomore, three juniors, and two seniors, which gives an indication to watch out for them again next year.
McNicol gets his man.

Action on the bench.

Third Row: Kavanaugh, Roberts, Bryant, Gale, Evans, Loving, McBroom.
Fourth Row: Manager Veeckho, Matheny, Blankenship, Hall, Davis, Moore, Neal, Manager Hoback.

Track 1951

The thinclads of Virginia Tech, under the tutelage of Coach Oneesty, for the third consecutive year won the annual state track meet held at Lexington.

For the second year in a row, the cindermen from VPI were pushed to the limit by the strong aggregation from U. Va., with Tech winning the meet by virtue of the last event, mile relay. Sparked by Stu Johnson, who tallied 11 1/2 points; Don Cochran, first place javelin; Jack Miller, two-mile winner; and "Poochie" Bryant, who tied for first place in the high jump; the Gobblers did not win the meet until the combined efforts of Johnson, Hass, Hardy, and Mottley brought home the bacon in the mile relay, which gave the orange and maroon the margin of victory.

Tech's efforts in the state indoor track meet were not as successful as they witnessed in the earlier outdoor meet. Lacking sufficient training facilities the Gobblers placed
third in the meet. The squad also placed high in the Washington Evening Star meet.

The highlight of the season, however, was accomplished individually, when during the 52 indoor track season Stu Johnson and Jack Miller were invited to the Baltimore Invitational Meet. Stu left all contenders standing at the pits as he romped home first in the 600 yard run. Miller also gave a fine showing as he placed fifth among the nation's best milers. Other individual feats were accomplished by Don Cochran, who placed high in both the Southern Conference as well as the Southern Conference-Southeastern Conference meet.

Besides all individual and team accomplishments, the team ended the season undefeated.

1952 Co-Captains Miller and Peasley with Coach Onesty.

**Freshman Track 1951**

The freshmen track team of Virginia Tech started the season in full stride by trouncing the Virginia yearlings, 71-16; but V.M.I. swamped Tech in their second and last meet by a 78-44 count.

Competing in the state meet, the fresh squad placed second, with the VMI “Hate” once again on top.

The highlight of the season was the high jump record set by freshmen Bee Lankford, with a 6 foot 5 inch jump, for an all time team and Miles Stadium high.

*Second Row*: Young, Baker, Coen, Elliott, Bunce, Pratt, Pettit, Harrell.

*Third Row*: Managers Varner and Gelker, Lankford, Coach Onesty, Genakis, Blake, Managers Moncrief and Rosati.
Rifle Team

In their first full year of inter-collegiate competition, the VPI rifle team, under the direction of Major Elliott Katherman, compiled a fine record. Led by captain Eddie Harnsberger, Tech had other fine shooters in Bill Hoeck, Tom Gilligan, Jack Barton, Bob Sayre, and Dave Garthoff. Losing only one man from this year's squad, chances look pretty good for next year.

The team won seven postal matches without a loss, and also won seven out of eight shoulder-to-shoulder matches, losing only to top-ranking Maryland.

The team reaped a great honor when it won the William Randolph Hearst Trophy for the Second Army with a score of 939 out of a possible 1600 points.

Lacrosse

1951

The second season of Lacrosse at VPI showed a definite improvement in the style of play, but it was not noticeable in the records, the team going winless for the second year in a row.

Playing such fine teams as Kenyon, W. & L., and Delaware, Coach Hickey's and Cubble's squad found it mighty rough going, especially against Delaware, who had All-American Don Swan.

With the increase of interest each succeeding year, the Gobbler's stickmen look for better teams within a reasonable time, although they are greatly handicapped by inexperience, lack of coaching, and equipment.

Kneeling: Manager Broshawn, Lewis, Swanson, Bush, Biren, DeRoskey, Burroughs, Calkins, Manager Terry.

Standing: Comegys, Drummond, Overman, Onofrietti, Purcell, Bowman, Harper, Perry, Trainer Kasiner, Coach Cubble.
Baseball 1951

Despite the loss of 13 lettermen, who helped to win the Northern Division of the Southern Conference in 1950, the Gobbler nine ended the '51 season with a fair 8 won and 11 lost record.

Lacking depth, the mound staff of Cal Schadel and Troy Moore got little support if any from the bull-pen, and in most cases what each man started, he had to finish on his own, without any relief. Toward the end of the year Bob Garman came into his own as a twirler, and became the third competent starter on the team.

Ed Pierce, Sterling Wingo, and Cal Schadel led the squad in run producing base hits, with each of them batting near or well over .300.

Newcomers to the squad were Fishburne, Jennings, Lampert, Hensetty, and Yelton. All these men with a year experience behind them, should play bang-up ball in the 1952 season.

If Schadel and Moore can be amply replaced on the mound, and Wingo and Slayton, in the outfield, as well as at the bat, Tech could very easily repeat the feat they accomplished back in 1950, by winning the Northern Division of the Southern Conference.

Sterling Wingo, for the second year in a row, was named to the All Southern Conference team.
Above:
Top: Wings rounding third.
Middle: Center thrown out at first.
Bottom: Fishburn scores again.

Top Left: Pierre belts one.
Top Right: Jennings goes high for throw.
Bottom: Mounds are Schoedel and Moore.
Golf 1951

The golf squad, losing most of their varsity veterans, compiled a record of one win and eight losses.

However in the tournament for the state championship, Tommy Fox and Harold James finished ninth and seventh respectively. Fox was named captain for the coming 1952 season.

With only one returning letterman on the tennis squad, the team did as well as can be expected, winning only once out of ten matches.

Inexperience and such foes as Washington and Lee, William and Mary, and University of Virginia, caused plenty of trouble for the green squad, who in many instances were shut out in match play.

Tennis 1951

Kneeling: Barham, Williamson, Sivils, Seino.
Standing: Coach Buchanan, Morris, Pollard, Meyer, Quigg.
Absent from picture: Showalter.
Cheerleaders and Managers

Kneeling: Chestnut, Borden, Turner, Caruso.
Second Row: Noble, Price.
Third Row: Hogg, Miller, Leech, Meyer, Weaver.

Second Row: Haydon, Skeena, Noble, Hoback, Taylor, Geikler, Markley.
About: Heard.
A Message...

TO THOSE WHO ASPIRE:

With the emphasis of our economy on production, graduates of technical schools, such as Virginia Tech, have an exceptional opportunity to get started on their careers in the field of their choice. The college man who has demonstrated leadership and technical ability in his studies and campus life is being sought out and trained for rapid advancement to management positions. The opportunity at Virginia Tech to train for the better job openings is unique in many respects. Combined with an excellent academic curriculum is a broad program of student activities which provides a practical approach to leadership development.

All classroom and campus activities are on a democratic basis, which gives each student an equal opportunity. In the voluntary campus activities, he must start at the bottom rung of the ladder and as a graduate he is accepted as one who recognizes that he must earn his way upward step by step. The tradition of hard work prevails on the campus. Limited social life coupled with rigorous schedules creates an attitude of industriousness and work habits essential to success on the job. Participation in numerous student government activities, honor societies, curricular clubs, sectional clubs, cadet corps, publications, dramatics and social clubs provides training in the practice of good human relations. An opportunity for development in religion, the social sciences and civic responsibilities is offered by the Y.M.C.A., an integral part of campus life. A pattern of good health habits is set by the campus life regulations of the cadet corps and physical training facilities of the athletic department. Supplemenating the required technical courses are elective courses in the arts assist the student in self expression.

The opportunities at Virginia Tech beyond an academic education are elective with the individual. The student who will seek out these and apply himself to them will build an excellent sub-surface for his road to the top. The way to the top is open for him if he will only seek it out step by step from his freshman year on the campus throughout his career.

PUBLICATIONS BOARD

John W. Gray ........................................... President
William A. Adair ........................................ Vice-President
Charles B. Meyer ........................................ Secretary
Robert D. Price ......................................... Treasurer

The Publication Board is the administrative body governing all of the recognized publications at VPI. The student membership is composed of all publication heads, the president of Pi Delta Epsilon, and a representative from each of the student bodies. The faculty is represented by the Director of Student Affairs, and three other members selected by the board.

The purpose of the Board is to govern the major policies of each of the publications, to direct and coordinate their activities, and to select the publication heads for each year.

The major activity of the Board this year has been to assist and direct the reorganization of the student radio station, WUVT.

The Board wishes to thank all of those who have made it possible to again have publications at VPI.

John W. Gray

This book, The 1952 Bugle, is the end product of a year's hard labor by the editorial staff. Thousands of torturous yet happy hours were spent in assembling and editing the material. Late hours, deadlines, picture problems, disappointments, surprises; they were all part of the editorial staff's job.

Our goal was to surpass former Bugles which have won state and national recognition. We have made layout changes, added humor, overcome financial difficulties and done our best to satisfy every student's desires, in order to make The 1952 Bugle the best. We hope you like it.
The Business Staff of the 1952 Bugle wishes to give you, the students of Virginia Tech, a more accurate and valuable interpretation of your days so pleasurably spent on this campus. The book has been made possible through the work done by the students on the staff, who sacrificed their time to do an excellent job in sales, collections, and advertising together with the support of the entire student body.
Throughout its many years of unfailing service to Tech students, *The Virginia Tech* has not been just another college newspaper. Every issue has been an earnest attempt to give both complete campus news coverage and unadulterated student opinion. The fact that our paper has maintained a high position among college newspapers year after year has been ample proof of successful endeavor.

Untiring devotion on the part of every staff member has made possible the continuance of past excellence. Much credit goes to those whose only reward for long hours of hard work has been the warm, heart-felt feeling of a job well done.

In August of 1951, the studios of WUVT were the scene of a disastrous fire.

Since school opened in September, much work has been directed to the relocation and reconstruction of the student station. Through the concentrated efforts of the staff members, WUVT strives to bring to the campus the best in musical entertainment and informative news. It is the purpose of WUVT to provide the facilities necessary for the training of those students who may wish to launch a career in some phase of commercial radio.

The members of Station WUVT have exerted all their efforts this year to the task of returning to the air after having been so rudely interrupted by the fire in August. After overcoming this obstacle, WUVT should rank among the best in college radio stations. We are certain that we shall advance in the radio field and shall improve our service to students, school, and community here at Tech.

Seated: Sara Carter; Harper Brame; Jimmy Buck.
Standing: Ed Lomerson; Bill Hommowun; Roger Heller.

Seated: John Buck; Ann Woriscek; Cliff Phillips.
Standing: Edwin Bolen; Henry Buck; Brandon Jones.
Others: Harriett Darrier; Carl Smith; Wood Van Valkenburgh; Janet Vilbrant; Dick Wagner.

We, the staff of the 1952 Sentinel, hope that through our efforts the college year of 1952 will be made brighter.

Our cartoons depict college humor, and our calendar is to keep Techmen abreast of college activities.

It is hoped we have upheld the reputation built up by Sentinel staffs in the past.

The Honor Society of Phi Kappa Phi was founded in 1897. There are 54 chapters in the United States. Its purpose is to emphasize scholarship and character in the thought of college students, and to foster the significant purposes for which institutions of higher learning have been founded. Phi Kappa Phi is devoted to stimulate mental achievement and recognize through election to membership. This membership is limited to those students who are among the upper one-eighth of their class. Only one-tenth of any class, however, may be elected. The V. P. I. Chapter was installed in 1921 with fourteen charter members. Since that time there have been 1392 members elected.

The Omicron Delta Kappa society is an honorary leadership society, recognizing achievement in the five major phases of campus life—scholarship; Athletics; Social and Religious Affairs; Publications, and Speech, Music and Dramatic Arts. The Circle is composed of those students who have lived up to the expectations of character, scholarship, and service and leadership in campus life.

The Society itself strives to promote the ideals for which it stands. This year's activities have included publishing the ODK Bulletin, being host to the Eastern Province Conference in Fall 1939, and establishing a local ODK scholarship in honor of Paul Derringer.

Pi Delta Epsilon is our national honorary journalistic fraternity. The V. P. I. Chapter is the second oldest honorary fraternity on the campus, having received its charter May 1, 1930. Members are selected from those juniors and seniors who have distinguished themselves by outstanding ability as staff members of campus publications. The fraternity has as its objectives the promotion of student participation in undergraduate publications and the elevation of the cause of journalism.

The Tau Beta Pi Association was founded at Lehigh University in 1885 by Edward Higginson Williams, Jr., to mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as graduates in engineering, or by their attainments as alumni in the field of engineering, and to foster a spirit of liberal culture in the engineering colleges of America. The Virginia Beta Chapter was installed at V. P. I. in 1922 and has consistently worked for the best interests of the students and faculty of the School of Engineering.

Alpha Zeta recognizes achievement by the undergraduate and graduate student in all fields of agriculture. Members are chosen on the basis of their qualities of scholarship, leadership, character, and personality. The organization's services include establishing a closer bond between the many branches of agriculture, the promotion of agriculture as a science, and the further development of the qualifications and attitudes of a modern agriculturist. Alpha Zeta strives for improvement of agriculture both on the campus and in the outside world, by the development of a better-qualified graduate.

Scabbard and Blade, national honorary military society, was founded in 1904. The society is composed of the outstanding senior officers in the Cadet Corps in the different colleges and universities of the nation. It seeks to encourage and develop those attributes of military appearance, ability, and personality essential with that breadth of interest necessary to make officers into gentlemen. Company I, Seventh Regiment, was installed on the V. P. I. campus in May, 1905. Membership is restricted to those who show evidence of fitness for leadership. The purpose of the society is to keep any blade which might contribute to the betterment of the Corps of Cadets, and preservation and development of the essential qualities of good and efficient officers.

Eta Kappa Nu, the electrical engineering honor society, was founded in 1904 at the University of Illinois. In 1910 Beta Lambda chapter was installed at V. P. I. Although the qualifications for membership distinctly stimulate and reward high scholarship, Eta Kappa Nu also has a broader purpose. As conceived by its members for nearly half a century, its aim is to assist its members throughout their lives in becoming better men in their chosen profession and better citizens. The main purpose is to promote fellowship among electrical engineers and to advance the profession at all times.

Chi Epsilon, a national honorary civil engineering fraternity, was founded at the University of Illinois in 1922 and the assumption that a fraternity with the broad principles of scholarship, brotherhood, practicality and sociability would be an incentive to greater achievement in the civil engineering profession.

The fraternity fosters the development and exercise of fundamentally sound traits of character and technical ability among engineers which will work towards a higher standard of service offered to humanity by the engineering profession.

Pershing Rifles is recognized throughout the United States as a national honor military society which is established primarily for bands by O. T. C. The society is dedicated to the perfection of military proficiency and leadership. Company E, Virginia Tech, located at the Virginia Polytechnic Institute, was first organized July 1, 1943, under a charter granted by the National Headquarters of Pershing Rifles.

The organization participates in the Tobacco and Apple Blossom Festivals, attends the President's and the Governor's inaugural balls and furnishes a firing squad for Armistice Day Ceremonies, operates a canteen corps uniform exchange, and holds a dance once a year.

The BLOCK AND BRIDLE CLUB is an honorary organization whose objectives are to promote a higher scholastic standing among students of Animal Husbandry, to promote more interest in intercollegiate judging contests, to bring about a closer relationship among men pursuing some phase of Animal Husbandry as a profession, and to encourage students to take up the study of Animal Husbandry. The local chapter of the BLOCK AND BRIDLE CLUB received its charter in December, 1935 and has been very active on the campus since that time.

Among the activities which the BLOCK AND BRIDLE CLUB sponsors are judging contests, a "Little International Livestock Show", an annual banquet, and two informal dances. A new project this year was an Alumni Banquet which was held in Richmond on October 3, 1951. Seventy-three student and Alumni members attended the banquet and acclaimed it a great success. The club plans to continue all of these activities in the future.

Although the Block and Bridle Club is primarily an Animal Husbandry organization, there are included in the membership men from many other curricula.

The Gamma Alpha Rho Society was founded in recognition of the need of distinguishing in the field of aeronautics those who by their scholarship, integrity, and achievement in aeronautics, have conferred honor upon their Alma Mater. Further, this Society is to promote better understanding between the students and faculty and to develop a high plane of professional attitude, producing among undergraduates especially, a better code of professional ethics. In attaining this, the Society is to act as a means of organizing aeronautical activities of both scientific and social nature.

Phi Lambda Upsilon was founded as an honorary chemistry society in March, 1909, at the University of Illinois. The chapter at V. P. I. is the Alpha Theta chapter and was installed in 1933.

The aims and purposes of the Society are, "the promotion of high scholastic and original investigation in all branches of pure and applied chemistry." Public lectures or programs are held twice each academic year and the organization presents an annual award to that sophomore student enrolled in chemistry or chemical engineering who has the highest quality credit average for his first five quarters.

Sigma Delta Psi, national honorary athletic fraternity, encourages health and symmetrical bodily development. Before election, every member must pass a series of all-round tests of physical ability. The national fraternity was founded in 1912 and the V. P. I Chapter was installed in 1938. In 1940-41, competing against sixty leading colleges and universities of the country, the V. P. I Chapter won the national award. The very rigid entrance tests present a challenge to any athlete and provide for development of the body along with intellectual growth.

Tau Sigma Delta was established to provide a national collegiate honor society open to students of all American colleges and universities in good standing in an accredited college or Department of Architecture, Landscape Architecture, and Allied Arts. Its prime object is to emphasize scholarship and character and to stimulate mental achievement; and to reward those students who attain high scholastic standing in Architecture, Landscape Architecture, and Allied Arts of Design by the prize of membership.

The local chapter of Tau Sigma Delta annually awards a prize to the sophomore student in Architecture, Architectural Engineering, and Light Building Construction who turns in the most outstanding work in design or in structural design.

The Gamma Chapter of Alpha Sigma Mu, national honorary metallurgical fraternity, was founded at V. P. I. on November 26, 1941. The name Alpha Sigma Mu signifies the Arts and Sciences of Metals. The purposes of the fraternity are to further the things for which its title stands, to promote and recognize scholastic attainments among students in metallurgy, to aid in bringing its members more closely together so that they may help each other both in college and after graduation, and to further friendly relations among the colleges offering metallurgical engineering. Junior and senior students who have a scholastic standing in the upper third of metallurgical engineering are eligible for membership in the fraternity.

This organization was established at the first Air R. O. T. C. summer camp at Langley A. F. B. under the name of the Arnold Society of Air Cadets. A V. P. I. chapter was formed on this campus in January, 1949. In May, 1950, the name was changed to the Arnold Air Society.

Its purpose is to further the ideals of the U. S. Air Force and to recognize those students enrolled in Advanced Air R. O. T. C. who have distinguished themselves by their academic and military achievements.

Phi Sigma, national honorary biological science society, was founded on March 17, 1915, at Ohio State University, and the Alpha Psi chapter was installed at Y. P. I. on May 14, 1916. Prior to affiliation with the national society, the campus organization was known as α-ψ-τ.

The purpose of the society is to promote interest in biological research and to afford opportunities for fellowship between students and faculty members in agronomy, animal husbandry, biology, dairy husbandry, and poultry husbandry. Although originally dedicated as an honorary biological research society, it is now considered as a learning guild of biologists interested in research. In effect, election to Phi Sigma is an opportunity for better work, rather than merely election to an honor society.

Sigma Pi Sigma is the only national physics honor society. Its chapters are restricted to colleges and universities of recognized standing which offer a strong physics major. The chapters receive into membership physics students and a few others in closely related fields, irrespective of their membership in other organizations, when such students attain high standards of scholarship, professional merit and academic distinction. Membership is conferred upon no basis of selection other than scholastic or professional record. Both men and women students are eligible for membership. Reception into the society is consummated without formal pledge or secret-order training.

Alpha Phi Omega is a service fraternity, whose primary purpose is to render service to campus, community and nation. A definite program is maintained that directs the activities of members and pledges toward the benefit of their fellowmen.

The stated purpose of the fraternity is to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity. To successfully follow this purpose, four fields of activities are entered: service to the student body and faculty, service to youth and community, service to members of the fraternity and service to the nation as participating citizens.

Tau Kappa Alpha, national honorary forensic fraternity, is dedicated to the cultivation of effective speaking. It recognizes that like many other good things, oratory has been abused by charlatans and misused by seekers of selfish power. This organization seeks to preserve it as an instrument of a free people to perfect their freedom, and to quicken their hopes and ideals. To these ends, the national organization, in cooperation with the local chapters, strives to encourage and promote good speaking.

Members are elected on basis of scholarship, character and sustained effort to perfect themselves as speakers.

Advisory Board

Concurrently with the founding of the Virginia Polytechnic Institute in 1872, the V. P. I. Young Men's Christian Association was born. Since its inception, this Christian organization has grown with the college, meeting the needs of many of its students for real Christian fellowship. Each year the association carries out many laudable campus and community projects which give the members a real sense of Christian accomplishment. The Y. M. C. A. welcomes all students and presents a great opportunity for Christian service and leadership.

Underclassmen make up the membership of the Y. M. C. A.'s Junior Cabinet. These younger students learn by practice the ways in which the Christian Association serves the campus and community. One can observe them doing playground work, helping high school Hi-Y's, or teaching children in the mission on Brush Mountain. Not infrequently they will be found promoting a party for freshmen, leading a vesper service, participating in a Bible Class, or taking part in a barracks discussion led by a member of the faculty. Those who give evidence of leadership are usually chosen to fill vacancies on the Senior Cabinet, which directs the religious affairs from year to year at Virginia Tech.

The purpose of the Lutheran Student Association is to afford a means whereby Lutheran students in America may consider and act upon their common problems in the service of Jesus Christ in conformity with the common faith of the Lutheran Church of America.

On the campus the aims and emphasis are to strengthen and sustain Christian students in their faith through the use of the Bible, privately and in groups, through prayer, through regular church attendance, through frequent reception of Holy Communion, and through fellowship in the Lutheran Student Association of America, to encourage appreciation of the Church and its teachings in our world today and to afford the opportunity for cultivating friendships and social life on a Christian level.

The Westminster Fellowship consists simply of those who participate in its varied activities. Composed primarily, though not exclusively, of Presbyterian students, it seeks a common fellowship in Christ through the local church.

The main activity of the group consists of a supper meeting and program each Sunday night of the school year, but many other activities, such as going on deputation and to conferences, teaching Sunday School classes and helping in outpost services, holding outings and dance parties, all contribute to the many fold activity of the group.

A central guiding core is given to the program by the council, composed of the officers and chairmen of the committees in charge of various phases of the program. This council holds semi-annual retreats and weekly meetings, and seeks in cooperation with adult advisors and the minister-to-students to so function as to provide a welcome home in Christ to the students of V. P. L.

The V. P. I. Debating Society is an organization composed of the students of the College who are interested in intercollegiate debating. The purpose of this organization is to stimulate interest in debating and to aid students in their public speaking and presence of mind. Debates are held with other Colleges throughout the year. Before each debate, elimination contests are held to select the most capable persons to participate in that debate. By this method of selecting debaters, everyone is encouraged to deliver a speech on the current topic. All students are urged to join this club and to share in its benefits.

Dr. J. H. Woolwine .................................. Medical Adviser
Mr. P. O. Oakey ...................................... Honorary President

The Virginia Tech Life Saving Corps is primarily a service organization. Its members, trained in Red Cross Water Safety and First Aid, serve as life guards for the college pool and are available at all times for emergency and rescue work. The L. S. C. is a charter member of the Virginia Association of Rescue Squads as well as an associate with the International Association of Rescue Squads.

Order of DeMolay

OFFICERS

S. Meyer  Master Councillor
H. C. Ahalt, Jr.  Senior Councillor
W. D. Bush  Junior Councillor
H. W. Johns  Scribe
G. Winslow  Treasurer
Mr. O. R. Cundiff, R. C. Peterson  Advisers

Many questions have arisen as to what DeMolay is. The general purposes of the order, to which only young men between the ages of 14 and 21 years are eligible, are few. While secret signs, words and modes of recognition are used, DeMolay has no secrets from the world as far as its central purposes are concerned. The members are banded together for mutual improvement, to help each other live clean, manly, upright, patriotic lives, which will be a credit to their parents and friends. In the meetings are inculcated only those principles which are in harmony with this exalted purpose. One of the cardinal teachings of DeMolay is devoted championship of the public schools.

Membership is largely composed of boys in the college here. However, several boys from the high school are members, and they are the ones who will be the future officers of the chapter. DeMolay is not a Masonic organization but is sponsored by a Masonic body. The sponsoring body here in Blacksburg is Hunter's Lodge, A. F. & A. M.

The V. P. I. Short Wave Club was formed in order that students interested in amateur radio could pursue their hobby jointly. Although the club began functioning in a group in 1928, it was not until 1936 that it was formally organized.

The major activity of the club is the operation of its own radio station, W1KPV. This station has communicated with other stations in nearly every country in the world.

In order that its members may become licensed radio operators, the club offers preparation for the government examination. Code classes are held daily and a talk on some phase of radio is an integral part of each meeting.

The Apple Club consists of those students from Warren, Clarke, Fauquier, Frederick, Loudoun, Page, and Shenandoah counties in Virginia, and adjoining counties of West Virginia. The club was founded in 1941; previously, students from this section were members of the Shenandoah Valley club. Inactive during the World War II period, it was reorganized in the Fall of 1947.

The Apple Club strives to promote fellowship among its members, and to aid in the indoctrination of those members who are new on the campus. To achieve this, dances and parties are held during vacations, in addition to smokes and regular meetings held on the campus.

R. E. Preece .................. Secretary

The Black Diamond Club is one of the youngest sectional clubs on the V. P. I. campus. It was organized in the spring of 1947.

Our organization is composed of students from Mercer, McDowell, Bland, and Tazewell counties—the heart of a great coal empire.

The purpose of our club is to provide a stronger fellowship and a greater unity among students from this area while in school and after leaving.

R. TAYLOR                    Treasurer
D. C. RICHARDS               Sergeant-at-Arms

The Capital Club is one of the largest and most active sectional clubs on the campus. The main objective of the club is to promote lasting friendship and fellowship among the students of V. P. I. The club was organized in 1929, and since the absorbing of the Alexandria and Arlington Clubs in 1947, it has drawn its members from the greater Metropolitan Washington area.

Activities include: at least one social per quarter with the Capital Club of Radford, smokers, parties, and dances, aside from the regular bi-weekly meetings. Through these club activities the members are drawn closer together.

The Danville Club is the newest of the sectional clubs on the Tech campus. Students from Danville and vicinity, and former extension students of V. P. I. at Danville, organized this club to promote goodwill and fellowship. The club provides entertainment for its members, aids new students, provides closer harmony between the club and the Alumni Association at Danville.

The Eastern Shore Anchor Club was organized on November 6, 1904, by the students of the Eastern Shore of Virginia and Maryland attending V. P. I. Following World War II, the club expanded to include students’ wives and students from the Eastern Shore of Delaware as members. This club endeavors to promote good fellowship among the boys and girls of that locality. Each year the club awards a scholarship to a “worthy high school graduate of the Eastern Shore.” Several social functions were sponsored during the past year, the successful Annual Christmas Dance held at Wilkins Beach Hotel being the highlight of them all.

The purpose of the Fredericksburg Club is to foster a closer relationship among the students in the surrounding counties of King George, Spotsylvania, Stafford, and Caroline. This club endeavors to promote good fellowship among the boys and girls of that locality.

Our outstanding social event of the year is the Annual Christmas Dance.

Other objectives of the club include aid to students in their social and academic life.

The Hampton Roads Club is the oldest and most active of V. P. I. sectional clubs. The club is composed of students from Newport News, Hampton, Phoebus, Bull Island, Williamsburg, and surrounding territory.

The club annually sponsors five dances at home as well as its formal, private Christmas Ball in conjunction with the Peninsula Alumni Chapter.

The purpose of the Hampton Roads Club is to promote good will and fellowship among its members, to aid new students in becoming acclimated to college life, to promote a better understanding between the Corps of Cadets and the Civilian Student Body, and to foster a closer relationship between the alumni and students of the Hampton Roads area.

The Lonesome Pine Club, composed of students from the border counties of Virginia and Kentucky, derives its name from "The Trail of the Lonesome Pine," and it is one of the oldest sectional clubs on the Tech campus. The object of the club is to promote goodwill and fellowship among all members of the Lonesome Pine Club, to aid new students in becoming acclimated to college life, and to promote a deeper understanding between the Corps of Cadets and the Civilian Student Body. Friendship fostered in the club is strengthened thus while developing today the leaders of tomorrow.

The purpose of the Lynchburg Club is to foster a closer relationship among the students of Lynchburg and vicinity.

The Lynchburg Club has long been an active organization on the campus. In September, 1947, the club was reorganized after an inactive period during the war. The club sponsors several activities during the year; the principal ones being the annual Thanksgiving Dance and the annual picnic in June. Also popular are the between-quarters parties.

The Northern Neck Club is made up of students attending V. P. I. from Northumberland, Lancaster, Westmoreland, and Richmond Counties. The club was formed to provide aid to boys coming to Tech from this area. By the little things that have been done to make the "long four" a bit easier, and to promote friendliness among students, we feel that we have achieved our goal.

The Old Belt Club is composed of students from Halifax and Mecklenburg counties. It was organized in the spring of 1950 for the purpose of promoting goodwill and fellowship among the members of the club, aiding new students in becoming acclimated to college life, closer harmony between the Corps of Cadets and the Civilian Student Body, and promoting a deeper understanding between the students and the Alumni Association.

B. P. Cook Treasurer

The Peanut Club of Virginia Polytechnic Institute is one of the oldest sectional clubs on the Tech campus. Any student residing in the cities of Suffolk, Smithfield, and Franklin and in the counties of Nansemond, Isle of Wight and specified sections of Surry and Southampton counties is eligible for membership. The club operates on a non-profit basis and the business of the club is of a strictly social nature. Meetings are held bi-monthly at which time the business of the day is discussed, with smokers and general get-togethers being held several times each quarter.

Probably the most important function of the club is held during the vacations between quarters. This usually consists of a dance, held at a centrally located place so as to be easily reached by every member of the club and their guests. During the registration period and the first quarter of a new student’s life at V. P. I., the members of the club render valuable assistance in many various ways, aiding the new student to become acclimated to his new found college life.

The Petersburg-Hopewell Club was formed in 1947 to reactivate the Petersburg Club which functioned on the campus before World War II.

Dances, smokers, and various other activities given by the club tend to promote fellowship among the students both at Tech and at home, and to provide closer harmony between the club and the alumni Association of the two cities and the surrounding area.

The Richmond Club of V. P. I. was formed January 6, 1894 as a purely social organization, to include all men from the Capital City and vicinity. Club activities have not been confined strictly to "a brand new party every hour," but have included civic projects such as the contest it sponsored in the spring of 1940 in which the school chose their "Alma Mater." The Club is proud of the Christmas Mother families sponsored each year as well as the good fellowship created among students from Richmond.

The Roanoke Club, composed of students living in the Roanoke Area, is an extra curricular club for the purpose of promoting fellowship and goodwill among the students from this area, both at home and on the campus.

The major social events sponsored by this club are five "Big" dances, including the one following the V. P. I-U. Va. Game, the Thanksgiving Dance and the Christmas Dance; and the annual Spring Picnic. Through these, and other activities, we hope that we have added a bit of enjoyment to the long four years of academic work.

A Message...

TO THOSE WHO ASPIRE:

Social and extra curricular activities should broaden the training of college men and give not only leadership training, but an opportunity to gain experience in working cooperatively as a member of a group for a common cause.

The bookworm who makes high academic grades, the over-indulged athlete who devotes all of his time to athletics, and the playboy who fails to take anything seriously are types to be avoided.

Rewards in after life are generally in direct proportion to responsibilities assumed and the manner in which they are discharged. One must be able to "get along with people" and deserve their confidence.

Employers scrutinize very closely the records outside of the classroom. They want well rounded men, who can not only perform a certain service efficiently, but who can take their places as members of the community.

Active and serious participation in campus life will broaden the student and give him those intangible qualities which will enable him to be outstanding, regardless of where he may go or what he may do.

For:

T. F. CLEMMER, '16
Died October 10, 1951
The Cotillion Club has been in existence on the campus of V. P. I. since 1913. Since its founding, the club has constantly endeavored to improve social conditions on the campus and the social relations between the student body and the faculty. Through the efforts of a congenial and representative group of men, the Cotillion Club has realized a significant achievement toward raising the standards of this phase of campus life.

It is the hope of the Cotillion Club to continue in its efforts to further advance the importance as well as the quality of the social relations and activities on the campus of Virginia Tech.

1952 marks a red-letter year for the German Club, as it heralds a new year and our Sixtieth Anniversary. From an obscure beginning in 1892, when a small group of students organized the group and named it after a style of dancing popular in the "90's," to 1952, when every known style of dancing seems to be popular, the German Club has grown and prospered. It has prospered, however, not financially so much as it has prospered in the realization that it has been performing a small task for the students of V. P. I.
Southern Colonels

MEMBERS
C. M. Madon, Jr. Director

G. A. Bonner Business Manager
J. M. Painter Secretary
Professor E. C. Marsh Faculty Adviser

The Southern Colonels reorganized in February, 1951, and is known as the oldest dance orchestra on the V. P. I. campus, having first been organized in 1924. Since its beginning and its recent reorganization, the Colonels have played excellent dance music here at Tech and at other schools all over Virginia and neighboring states. The orchestra has been at all times progressive and has kept abreast of the changing trends in modern dance music. As a means of giving talented Techmen an opportunity to play with a professionally styled musical outfit and by providing their fellow students with a source of recreation, the Southern Colonels Orchestra have been a real asset to V. P. I.

"The V. P. I. Glee Club is a semi-social, semi-cultural group of civilians and cadets interested in singing. The club functions are: to make several tours in the state; to sell Glee Club records of the school songs; to sing at school functions; and to participate in the state choral competitions.

The club is yet in its infancy—this being only its sixth year. To gain recognition since its organization in 1946 by Mr. C. J. Hesch, has been hard work. Yet, very rapid progress has been shown and under the new and inspiring direction of Mrs. C. T. Holland a very successful future is anticipated."

The Maroon Mask is the dramatic society of V. P. I. Its main purpose is to provide an outlet for talent in dramatics both on stage and back stage. Of no less importance is the entertainment afforded the student body by the work of the Maroon Mask. Loyalty, friendship, and cooperation are essential for such creative work. With these aims in mind, the Mask proudly presents each production.
Actress Jean Harlow commented on movie last scene.

Spike Jones came to town with acrobats.

What do you think of U.P. 3, Spike?

Southern Colonels' Supperland Show.

Joe says it's gonna be great.

The make-up ordeal.

... and then the play itself.

Nelson Eddy sings a little "Shortnin' Bread".

The Starlighters' song.

... and Anthony's Saints marched.
1952 Ring

We practiced for the figures...

...and we got dressed

Finally, the big day arrived...

...and built a big ring

The civilian leaders looked sharp...

...as did the cabaret figure...

At the big moment some took it easy...

...and others didn't

Freddie Martin and his singing sax...
Dance

... make the dancing superb ...

... and the martini men took a twirl ...

... while some got autographs ...

... some just dreamed ...

... and so was this ...

Some rooms looked like this afterwards.

The Class of '52 brings Silver Vespers to the Campus for the first time.

...and a welcome to the grade.
coming

Borrowed it from Dr. Parlier

Navunsers for the Wolfpack

All the flotes looked good...

... from any angle

Let's not get too technical

Home grown

From the spectators' point of view

The boys deserved our support after losing a close one.
Formals and
Where is the little girls' room?

Dagging out at the tea dance.

Open house refreshments.

My feet's gone to sleep.

Sunday morning.

Kim and Nancy cut German Club's 60th Anniversary cake.

Bread at the Military Ball.

Kelly and Lowie separated by our baby.

Aah wuss, we all can't go to the dance.
The corps took over Norfolk...

Life went on as usual...

Sought intramural battles in the rain...

Put up with the jokers...

Hung around...

Got a little exercise...

And sack time...

Plus those mid-night snacks...

And made many resolutions...
We throned to the pep rally...

...and watched the band boys pull stunts...

...pridely displayed our colors...

faithfully checked for their sugar report...

...took time out for pool...

...got a few cookies from home...

...and bowling...

...learned some new jokes...

...but also worried a little about the future...

shot a few squirrels...

hoped the Buckie Wagon would hold up...
The book store supplemented our cash...  

...and we got to go to a few movies...  

Thanksgiving found us singing  
Tech Triumph in Roanoke...  

...and making a big flag...  

There was time for meditation...  

...pure bliss...  

...sorority party...  

...doting cute...  

...and posing for pictures...  

The flu situation was bad for a while...  

...but everything came out O.K. in the end.

OPPORTUNITY
awaits top technical men in the
world's largest factory of its kind

It's not the kind of opportunity that assures the
most mediocre man a rocket-like rise to the "top".
But it is the solid kind of opportunity that recognizes
merit and offers steady progress to any ambitious,
willing-to-learn, intelligent VPI Graduate who wants
a future in a great Southern industry fast coming
into its own.

Engineering, Chemistry, Selling, Advertising,
General Business Administration—in these and
other fields at The Lane Company, there are sturdy
and much-used "ladders to the top" awaiting the
right men.

VPI colors fly today at a number of key posts
in the Lane organization: President, Director of
Engineering and New Product Development, Plant
Manager, Territorial Sales Representative... these
to mention a few. Thus, the VPI Graduate now
launching his career in the Company finds an espe-
cially congenial "Alma Mater" atmosphere to make
him feel at home right from the start.

Don't judge opportunity by its distance... sometimes
the biggest opportunities are closest to home!

IT'S UP TO US!

The American system of Free Enterprise is by far the best economic system in the world—the system that has insured the fullest freedom to all, produced the highest standard of living and brought to mankind more comforts and conveniences than any other system anywhere on the globe.

Americans will not trade its system of Free Enterprise for any of the new or old "isms" nor will it permit its Government in any way to infringe upon it by political maneuvers that would substitute Government ownership and operation for present-day sound business management.

LYNCHBURG, VIRGINIA
Creating
YEAR BOOKS
of Distinction

It takes more than "good printing" to create outstanding Year Books.

The J. P. Bell Company specializes in Year Books. First, by maintaining a Department of trained and experienced personnel that devotes its entire time to the planning and servicing of Year Books. Secondly, by maintaining a plant equipped with the most modern machinery, manned by skilled, efficient workmen.

There is a certain mark of Distinction on all J. P. Bell publications.

Bob,

Well, by now, our "rat"
year is just about over. This next year is going to be a lot better. It's really been fun with you. I'm looking forward to seeing you. And forget all the serious stuff. Have fun together. We'll be seeing you this summer or next year. Lots of luck.

Dad
