FOREWORD

The Class of 1961, going out into the decade of the "soaring sixties," has a changing and tension ridden world to face. This year has seen a continuation of the fight for freedom and against oppression which has been the constant occurrence in world affairs for at least three decades. Every day the graduate adds a new country to the steady growing list of areas of conflict: Cuba, Laos, Algeria, the Congo, other new African Nations. The examples are legion. Changes are taking place, almost too rapidly to follow. It is almost a certainty that before the end of the year, the last great unexplored frontier, that of outer space, will have been broached. The realm of the stars will not be a mystery much longer.

The member of the Class of 1961 faces a greater challenge than has ever been faced before. The emphasis is being put more and more on youth. In President Kennedy's Inaugural Address, he spoke directly to the youth of the nation, to this generation, challenging them to take an active part in the world around them. And probably the statement that has had the most effect on the college graduate this year has been his declaration of ask not what this country can do for you, but rather what you can do for this country. This is the challenge to be met by the Class of 1961.
DEDICATED TO FREEDOM . . .

Because these are days when peoples in Asia, Europe, and Africa struggle against aggression, because theirs is a struggle for peace, economic security, and most of all freedom, to their struggle we dedicate this book.
ADMINISTRATION
THE PRESIDENT

WALTER STEPHENSON NEWMAN
A.B., M.S., Ph.D., LL.D.

Since 1947, Dr. Walter S. Newman has been President of an ever-expanding VPI. After attending Hampden Sydney College, VPI, Pennsylvania State University, and Roanoke College in that order, he went on to a varied career in the field of education and government including teaching agricultural education, being state supervisor of agricultural, state Administrator of the NYA, Assistant State Superintendent of Public Instruction, and vice-president of VPI.

Among the many honors he has accrued are Honorary American Farmer (FFA award), Phi Beta Kappa, Phi Kappa Phi, Omicron Delta Kappa, Alpha Zeta. He has also been listed in Who's Who in America.
VICE PRESIDENT

LOUIS A. PARDOE, A.B., M.S., Ph.D.

Before coming to VPI, Dr. Pardue had an active career as a physicist and educator. He taught at his alma maters, University of Kentucky and Yale, as well as at Lehigh University. During the war he was a research associate and senior physicist on the Manhattan Project, at the University of Chicago, and at Oak Ridge.

Among his many activities are: member of the Regional Advisory Council on Nuclear Energy, member and Vice-President of the Board of Directors of Oak Ridge Institute of Nuclear Studies. Among his honors are Phi Beta Kappa, Phi Kappa Phi, Sigma Xi, Omicron Delta Kappa.

BUSINESS MANAGER

STUART K. CASSELL, B.S., M.S.

After finishing his work at VPI in 1933, Mr. Cassell went on to work on the Federal Farm Program until the end of the war. He then returned to VPI in his present position on a "temporary" basis, and, to quote him, has been "stuck ever since." Among his activities he has been on the Board of Trustees of Marion Junior College and a Deacon in the Presbyterian Church. He is an honorary member of Phi Kappa Phi and Alpha Zeta.
BOARD OF VISITORS
Colonel John Tyssowski, Dr. Paul D. Sanders, Mr. G. L. Furr, Rector, Judge William S. Moffett, Mr. Erwin H. Will, Mr. E. H. Lane, Mr. Oscar F. Smith, Miss Mary Fred Claytor, Mrs. E. Floyd Yates, Mrs. English Showalter, Mrs. Turner A. Gilmer, Mrs. H. R. Redding, Dr. Granville M. Read.

ACADEMIC COUNCIL
Dr. James W. Dean, Mr. Paul N. Derring, General John M. Devine, Dean John W. Whittemore, Dr. E. R. Irving, Dr. Paul H. Farrier, Dr. Walter S. Newman, Mr. O. W. Addington, Dr. Dan Frederick, William L. Gibson, Dean Laura J. Harper, Dr. Louis A. Pardue.

HOME ECONOMICS

This year VPI took another step forward in the progress towards becoming a well-rounded university. In addition to the three schools already extant, the School of Home economics was founded under the Deanship of Dr. Laura Jane Harper, former head of the department of home economics. The new school includes the departments of Clothing and Textiles, Nutrition, Family Life, and a general course. To date there has been only one appointment made as to the heads of these departments, that being Miss Oris Glisson as head of Clothing and Textiles.

COL. JOHN TYSSOWSKI
November 24, 1960
Miss Judith Annette Mayo, of Pocahontas, Virginia, a Junior at Radford College, was crowned Tech's Homecoming Queen on October 8, 1960. Judith, better known as Judy, enjoys reading—especially English literature and poetry; her taste in music includes progressive jazz, the classical and popular music. Very active in extracurricular activities, Judy is Vice President of the Junior Class, a member of Alpha Sigma Alpha social sorority, and devotional chairman of the YWCA at Radford College. Upon receiving her B.A. Degree in Education, Judy plans to go into the teaching profession.

The 1961 Ring Dance will be forever etched into the memory of the more than 500 members of the Class of 1961 who attended. Held in War Memorial Gym and featuring the music of the dynamic Stan Kenton and his orchestra, the dance was broadcast live over much of the east coast in addition to all parts of the state. The setting was Manhattan Towers and the theme was "Rhapsody in Blue" featur-
Dance

In a birds-eye view of the New York skyline and an open-sky-effect dome ceiling, complete with twinkling stars. Civilians formed their figure, a crescent moon, to the strains of "Moonlight and V.P.I.", and cadets formed a giant question mark, signifying the important questions of the future. In the position of honor to be viewed by guests and juniors was a giant replica of the class ring holding lasting memories for all.
V.P.I.'s Homecoming, honoring the classes of 1910, 1920, and 1935 was held the weekend of October 8, 1960. Although physically dampened by the rainy weather, the spirit of Virginia Tech never shone more brightly.

Saturday, the big day for the returning alumni, included a 37-unit parade, a full dress Corps Review, the Homecoming Football Game, and other activities sponsored by different departments of the college. The highlight of the day was the crowning of Miss Judy
Mayo as Tech’s 1960 Homecoming Queen at half time of the Wake Forest-V.P.I. game. Also in the Homecoming Court were: Evelyn Kinler, Teddy Rea- ver, Ruth Ann Orr, and Deam Jones. The Techmen, catching the spirit of the occasion, beat the Deacons, 21 to 13.

As an end to a wonderful Homecoming, the Alumni and their guests were honored at an informal dance sponsored by the Monogram Club in the Memorial Hall on Saturday night.

Having been on this campus since March, 1915, The Cotillian Club has as its purpose the bringing together of a congenial and representative group of the gentlemen of the student body who shall constantly hold in high accord the purpose of the organization. Namely, the improvement of social conditions within the student body, and the improvement of social relations.

The Cotillion Club sponsors three sets of non-profit formals—Fall, Winter and Spring—during each school year, bringing the better known dance bands to Tech's campus. It is the sincere desire of the club that it can continue to provide the students and the faculty on this campus with the best possible music for its dances and concerts.

THE VPI GERMAN CLUB, ESTABLISHED IN 1892, HAS ALWAYS MADE FINE DANCES AND SOCIAL FUNCTIONS ITS PURPOSE. IT CONTINUALLY STRIVES TO PRESENT FOR STUDENTS OF TECH, AS WELL AS ITS MEMBERS, A SOCIAL LIFE WHICH IS IN KEEPING WITH THE HIGHEST IDEALS.

THE GERMAN CLUB FURNISHES THE BASIS OF A REWARDING SOCIAL LIFE AT TECH BY SPONSORING THREE DANCE WEEKENDS A YEAR. IN THE PAST IT HAS INTRODUCED MANY STUDENTS TO THE BENEFITS OF ON-CAMPUS SOCIAL ACTIVITIES. THE CLUB FEELS THAT THIS IS A WORTHY PURPOSE.

EVER MINDFUL OF ITS TRADITIONS THE GERMAN CLUB PROVIDES A WARM CONGENIAL ATMOSPHERE FOR ITS FORMAL DANCES AND EXTENDS INVITATIONS TO THE STUDENTS AND SPECIAL FRIENDS.

JANICE MITCHELL  MISS ANDREE LEROUX  NANCY WARREN  JEAN CORSETTY

THESE WERE THE GERMAN CLUB SPONSORS FOR FALL AND WINTER GERMANS OF 1960

MUSIC WAS PROVIDED BY RICHARD MALTBY, DEAN HUDSON, LES BROWN AND DAN TERRY
Virginia Tech is known throughout the South for its fine formals, and the 1960 Fall Formals were no exception. The weekend of November 4 and 5 found the Cotillion and German Clubs going all out again to show the Techmen and their dates a wonderful weekend.

The Cotillion Club presented its "Presidential Ball" in the War Memorial Hall with the band of Billy May playing for the Friday night's dance and Burt Massengale for the Saturday afternoon's Tea Dance and the Saturday evening's dance.
Formals

Creating the true atmosphere of a Presidential Ball, the hall was decorated in the national colors of red, white, and blue.

The German Club brought the wonder of Indian Summer to life in the Squires Hall Ballroom by using the colors of autumn in the decorations and with the aid of the bands of Richard Maltby and Ean Hudson, Friday and Saturday night respectfully.

Sunday marked the close of a weekend which will long be remembered by many.
Winter

The weekend of February 10 and 11 brought four of the country’s name bands to Tech, along with bus, car, and train loads of beautiful girls for the annual Winter Formals.

The German and Cotillion Clubs had as themes for the dances C'est Magnifique and Playboy's Hideaway, respectfully. The Cotillion Club decorated the War Memorial Hall with the colors of red, white, and black, and brought the hideaway to life with the traditional Playboy Bunny.
While not very far away, the German Club brought to the SAB Ballroom the spirited French atmosphere with gleaming chandeliers that highlighted the decorations of various hues of blue.

Looking to the musical side of the weekend, we find the bands of Les Brown and Dan Terry playing for the German Club Dances; while Buddy Marrow and Billy Butterfield provided the Cotillion Club dances with music.

The Southern Colonels have completed another successful season following in the fine heritage of Tech's oldest and most popular dance band. The Colonels have become known throughout the state for their smooth, danceable sound and a constant effort has been made to include the latest advancements in the field of music. In keeping with their constant effort for improvement the Colonels have now enlarged to become the largest dance band on campus. The Colonels will continue in their efforts to provide the best in dance music on the VPI campus.

The Collegiates were organized in 1953 and soon became known as VPI's own dance band. The band remains in this honored position year after year by upholding its excellent reputation for providing fine music listening and dancing.

The Collegiate extensive library includes all types of music from old standards to the latest in modern jazz arrangements. This library when played by the well trained group of accomplished musicians that comprise the band, make any dance a memorable event.

This year as in the past the Collegiates have traveled all over the State of Virginia playing successful engagements at many schools and on our own campus, fulfilling our goal to provide the best in music for all our audiences.
VIRGINIA TECH GLEE CLUB

The Virginia Tech Glee Club is an organization comprised of students from many different parts of the country. Although each of these young men in pursuing his interest in his own particular curriculum, they all have a least one common interest. They all love the sound of good music. Under the inspiring direction of Mrs. Helen Rose Holland, the Club strives to spread good will and musical pleasure as far across this country as song can resound. Proudly representing its school, the club travels far and near to render its best to audiences of all types.

A great deal of practice and hard work is necessary to prepare for a concert, but the results are always rewarding. This year has been a successful one for the club. Besides the usual concert tours, the club joined the Radford Choral Club in a production of the Christmas portion of The Coming of Christ. Practicing two days a week, the club has built what it feels to be a well-rounded repertoire of music. Whether it be a moving anthem, the exhilarating sound of “Stouthearted Men”; or the sweet, soft sound of “Gigi,” there is always something to be heard at a Glee Club concert to suit every taste. The biggest hope of the Virginia Tech Glee Club is that the audience will enjoy listening to the concert just as much as the club always enjoys giving it.

The officers of the club this year were: President, John Robertson; 1st Vice-President, Richard Dyson; 2nd Vice-President, James Ingram; Concert Manager, William Swann; Secretary, William Wagner; Treasurer, Dennis Capp; Librarian, Donald Kelly; Director Helen Rose Holland; and Accompanist, Norman Griest.
MAROON MASK

Under the Directorship of Phil Milhous and the technical supervision of Mrs. Milhous (Ma), Maroon Mask has enjoyed over twenty seasons on Barruss Hall stage, some successful, some not so successful. Open to any student, faculty member or townperson who has a desire to be active in the theatre, Maroon Mask attempts to bring good theatre to the Tech campus. This year, three plays were given, one a quarter, instead of two as had been done in the past. The plays, My Sister Eileen, High Tor, and Blythe Spirit gave a diversity of good entertainment for the year.
MAROON MASK

Dramatic presentations by the Maroon Mask have been a mainstay on the Buruss Hall stage for twenty seasons. This year was one of the group's most successful artistically. Starting with last Spring's production of Dark of the Moon and running through My Sister Eileen, and High Tor, the group gave the Tech audience a diversified offering.

Dark of the Moon, a reworking of the Endymion legend set in the hills of Tennessee, was counted by many as the best production the group has put on. Starring Charlie Runyon as the witch boy and Martha Miller as his star-crossed love, the production combined acting with choreography and backwoods Bible Belt revival singing. The high spot of the performance was the revival itself presided over by Ed Gillenwater in the role of Preacher Haggler.
PRESENTS

This Fall saw a change from the semi-tragic dark of the Moon with the endurable comedy, My Sister Eileen. The cast was led by Thea Soca and Bobbie Morris as the two sisters from Ohio, Eileen and Ruth Sherwood. This role was Miss Morris' farewell appearance at Tech, and was another in her long list of fine performances.

A steam shovel (containing two crooks high above stage), the ghost of Hendrik Hudson's crew, an antiquated Indian, and a few sack robbers thrown in for good measure were presented to the audience in the Winter's production of Maxwell Anderson's verse play, High Tor. Mr. Anderson's tragic-comic play saw the farewell performance of two more of the Mask's standbys. Sharing the leads, Charlie Runyon as Van Van Dorn, the owner of the mountain High Tor, and Judith Weinstarb as Lise, the ghost wife of the captain of the crew, capped their four years with the Mask.

In 1955 the Association of Married Students was established on campus under the sponsorship of the YMCA. The AMS functions under the leadership of married students to provide for their social, civic, cultural, and educational development.

Each year the membership of the AMS has increased. This year the enthusiasm of married students and the increased activities and services offered by the association helped to make this organization a strong group on campus. Some of the wives classes included bridge, swimming, dancing, handicraft, golf, prenatal, and sewing. Each quarter, in addition to classes, the AMS sponsored an informal dance for married students. Other activities included a tea for wives, picnic, fashion show, benefit bridge party, and a float entry in the Homecoming parade.

It is the hope of the AMS to continue in its effort to represent the married student on campus, to increase its membership, and to provide for the educational welfare of all married students.

Officers of the Wives' Group and their respective offices are: Betty Stadler, Chairman Projects and Finance; Frances Meredith, Program Chairman; Peggy Novak, Scrapbook Chairman; Louise Caldwell, Vice-President; Jackie Lou Poffenbarger, Classes Chairman; Jean Lucy, Publicity Chairman; Charlotte Johnston, Recording Secretary, Joan Gibbs, Poster Chairman; Carolyn De Ryder, Hospitality Chairman.

LEFT TO RIGHT: Betty Stadler, Frances Meredith, Peggy Novack, Louise Caldwell, Jackie Lou Pfenninger, Joan Lucy, Charlotte Johnston, and Joan Gibbs. Missing from the picture is Carolyn DeRyder.

A.M.S. Activities
AGRICULTURAL EXPOSITION

The V. P. I. Agricultural Exposition was organized to combine the efforts of all agricultural curricular clubs into staging an annual Spring Exposition. It provides an opportunity for students to invite parents and friends to V. P. I. also to publicize Tech and agriculture throughout Virginia. The Exposition helps to create a closer bond between students and faculty of individual departments and between students of different departments, and to establish a better relationship between industry and V. P. I.

The V. P. I. Agricultural Exposition was first organized and sponsored by the Virginia Chapter of the Fraternity of Alpha Zeta in 1954. Since 1959 it has been a separate organization governed by its own constitution and by-laws.
ENGINEERING CONFERENCE

The 11th Annual Engineering Conference was held April 28, 29, and 30, 1960, at Y. P. I. Through the years, since the first such conference in 1956, it has become one of the outstanding events on the college calendar and has provided a means for the Tech engineering student to keep up with the latest achievements in his field.

The conference consists of student exhibits, curricular club symposia, and many outstanding speakers; all working together to present the wide area of engineering to those who attend the conference.
ENTERTAINMENT AND CULTURE

Through the work of the Social and Cultural Program Committee many outstanding artists have been brought to Burruss Hall to enlighten and entertain the Techman.

The season began with the world famous Pilar Gomez Spanish Dancers on October 25. This company is composed of young artists who present a varied repertoire of dances—everything from the Mexican folk-dances to dances depicting the "roaring twenties."

Miss Gomez is a native of Mexico and for many years was the leading star of the Mexico City National Opera. Miss Gomez is an outstanding choreographer and has done the choreography for and directed the performance of such famous ballets as "Carmen" and "La Traviata."

Another visitor to the Burruss Hall stage—the National Opera Company—presented Bizet's opera "Carmen" on November 1. This company, formally known as the "Grass Roots" company, is a haven for young professional singers desiring employment. Many of these performers have been on Broadway and in the New York City Opera Company and on national television.

This was the twelfth year of the opera company’s operation and during its existence it has given over 900 performances throughout this country and Canada.

Shortly before the beginning of fall quarter exams, the famed Baltimore Symphony Orchestra with Miss Frances Yeend and Mr. Charles O’Neil came to Tech on December 9.

This was the first time that a major orchestra has sought to bring the tradition of grand opera to a large number of communities through the use of this type of program. Miss Yeend and Mr. O’Neil presented scenes from Wagner’s "Die Walkuere" and Verdi’s "Otello"; also included on the program were instrumental selections by the orchestra.

The orchestra was under the direction of Peter H. Adler, Miss Yeend, a star of the New York Center Opera, has given many European concerts; Mr. O’Neil, a dramatic tenor, was making his debut concert tour.

On January 25 the Karlsrud Chorale presented a program including operatic scenes, art songs, folk songs, and a medley of Broadway show tunes.

Edmond Karlsrud, the director, has established himself as a recitalist, soloist and great artist with symphony orchestras over the nation, in Canada, and Mexico.

Theodore Lettvin, pianist, presented the last of the year's concerts in Burruss Hall on March 6. A graduate of Curtis Institute of Music in Philadelphia, Lettvin has received many national awards. He has studied under Setkin.

Mr. Lettvin is currently head of the piano department of the Cleveland Music School Settlement and has been teaching there for four years. Mr. Lettvin made a European tour in the fall of last year and during the Spring he toured the United States.
CIVILIANS
Dr. Dean came to VPI in 1959 with a varied and extensive background. Born in McKeesport, Pennsylvania, he attended the University of Pittsburgh, Grove City College, Bucknell University, and Pennsylvania State University, obtaining a Ph.D. from the latter. During the war he was a Major in the U.S. Air Force serving in the China theatre with the famed Flying Tigers (U.S.A.F. 14th Air Force.) Among his awards are the Silver Star, Distinguished Flying Cross (five times), Air Medal (five times), and the Purple Heart twice.

He has worked with students at Bucknell University, Penn State University, and Coe College, and was Assistant Manager of the Westinghouse Educational Center in Pittsburgh.

CAMPBELL HALL

FEMOYER HALL
SENATE

The Senate of the Civilian Student Body is composed of students interested in improving the general welfare of the civilian students on campus.

Senators are elected in the fall of the year in elections in the civilian dormitories and at campus polling places for civilians living off-campus. One senator is elected for every 50 civilian students.

The function of the Senate is to serve as the legislative body of the Civilian Student Body Government. Its agenda varies from problems of dining hall food to campus pep rallies; from the types of trees planted on campus to the establishment of a joint civilian-cadet council to placate individual differences between the two bodies. The opening of the library music room, the establishment of a list of faculty members available for service to campus organizations, the improvement of housing facilities for married students, improved parking arrangements for private automobiles, and a host of other projects keep the Senators on their toes in working towards an improved V. P. I.

The Honor Code is a formal recognition of the fact that no lady or gentlemen will lie, cheat, steal, or in any way conduct herself or himself dishonorably.

It is the duty of the Civilian Honor Court and its staff to "try all students' cases pertaining to the violation of the Honor Code." It is through the Court's work that Virginia Tech has one of the most workable honor systems for a school of its size.
MAJOR WILLIAMS HALL
A Day In The Life Of
A Civilian Student
A few years ago, the Who's Who in the Civilian Student Body was set up to honor those members of the CSB who, during their time at VPI had served the school and the CSB to an outstanding degree. This distinction does not rest on one year's work, but rather on the accumulated activities during the time in attendance. All those chosen to this Who's Who are Seniors, otherwise there are no arbitrary regulations.
CIVILIAN STUDENT BODY

Included in this year's selection are students active in publication work, student government, and organizations within their curricula. In recognition for their outstanding contributions to the Civilian Student Body at VPI, we present the following students who have been elected to Who's Who in the CSB.

WILLIAM E. LAMBERT  JOHN W. STADLER  PATRICIA L. BOWMAN  JAMES J. CORSETTY
THE COMMANDANT

Before coming to VPI in 1952 as the first permanent Commandant of Cadets, General Devine had a long and illustrious career. Following his schooling (United States Military Academy, Master of Science from Yale), he served on the faculties of various schools, including those of his two alma maters. In 1940 he joined the first Armored Division, and later became Chief of Staff of the I Armored Corps under General Patton. He was Commander of the 90th Division Artillery during the Normandy Invasion, served as Combat Command Commander of the 7th Armored Division, and finished out the war as Commander of the 8th Armored Division.

His medals include the Distinguished Service Medal, the Silver star, the Legion of Merit, the Bronze Star, the French Legion of Honor, and the Croix de Guerre with Palm, among others.

TO THE CORPS OF CADETS:

"We live in a revolutionary world, a world that is changing around us and whose future it is difficult to predict. The fundamental virtues, however, which the Corps seeks to impart to its members remain the same. Loyalty, discipline, integrity, a sense of responsibility, are more and more significant as necessary qualifications in a changing world.

It is the mission of VPI, and of the Corps of Cadets as part of VPI, to prepare its members not only to make a living, but to make a life. To meet the problems of these revolutionary times requires men of character as well as men of education. It may well be that the lessons taught by the Corps will prove more significant in the lives of its members than any other single aspect of student life.

I look back upon my nine years as Commandant with some satisfaction and also with a sense of disappointment. From the beginning I have relied very heavily upon the Senior Class to run the business of the Corps. The present organization and method of operation makes such reliance inevitable, I feel that we have made much progress but we still have a long way to go. The general situation at VPI makes the successful conduct of a military Corps of Cadets very difficult, but we have been successful in large measure due to the loyalty and devoted efforts of the cadets themselves.

This will be my last year at VPI, and this message, therefore, is my final one. I congratulate those members of the Corps upon whose energy and loyalty the success of the Corps has depended. They can well be proud of their handiwork. I feel confident that future generations will carry on the work, and I profoundly hope that the Corps of Cadets at VPI will endure for many generations to come."

The Cadet Honor Code is a system of, by, and for the Corps of Cadets. It instills into each cadet moral integrity and strength of character. The purpose of the Cadet Honor System is to benefit the student, so that when he graduates from college his integrity and character will be above reproach. Offering incentive to truth, honesty and honorable conduct, it will not tolerate deception and fraud.

JURY

The Cadet Jury is composed of twelve permanent members and four alternates, four men elected by and from each academic class. The jury tries all cases, weighing impartially all evidence presented during the trial.

The Senate of the Corps of Cadets is the legislative and governing body which adopts the rules and regulations of the Corps. It is composed of senators elected at the beginning of the school year, one senator from each class of each company. The officers are the same as those elected for the Corps.

The Executive Committee is an important part of the student government organization of the Corps of Cadets. It is the guardian of the reputation of the Corps, and is charged with assisting the Commandant in establishing and maintaining high standards of conduct among Corps members. While it should not concern itself with minor infractions of discipline, it does have a direct interest in any actions or omissions by a cadet that might bring discredit upon the Corps.

CHAPLAIN'S COMMITTEE

Russell Howard, Jr.
Robert L. Lively
A. William Claussen, Jr.

The duties of the Corps Chaplain Committee are to attend Corps functions and uphold the spiritual note in the meetings. Our biggest job is in connection with the Cadet Honor Court. It is the Chaplain’s job to remind those on the jury and on the staff that what they do affects the future of each individual and is a matter of great importance that should be handled with prayerful consideration.

The Virginia Tech Marching Band, "Highty Tighties," is one of the best marching bands in the United States. Actually the band speaks for itself; it is the only unit to win first place twice in succession in its field of competition in the Presidential Inaugural Parade. This year it had the honor of increasing that record to three times in succession.
The Virginia Tech Pershing Rifles, Company C-15, is Virginia's outstanding drill unit. As only one drill unit was allowed to represent each state in the 1961 Presidential Inaugural parade Company C-15 was selected from the Virginia Polytechnic Institute.

The company participated in various competition events throughout the school year. At the Regimental Drill Meet in College Park Maryland the unit placed first in Basic Drill and Individual Drill. It placed second to Maryland in Overall Drill.

The Pershing Rifles, Founded by General John J. Pershing in 1894 at the University of Nebraska, is a National Honorary Military Society whose purpose is to encourage, preserve, and develop the highest ideals of the military profession and to recognize these ideals in college R.O.T.C. students.

During the past year, Tech's unit, Company C-15 has made many appearances in parades and drill meets, placing high in proficiency of marching and trick drill. The unit is recognized as one of the finest drill teams on the entire East Coast.

The unit, comprised of 45 men, appeared in the Harvest Bowl Festival in Roanoke, Homecoming at VPI, the Tobacco Bowl at Richmond, the annual Thanksgiving Day game in Roanoke, and the George Washington-Va. Tech game in Griffith Stadium in Washington, D. C. at the Regimental Drill meet held at College Park, Maryland, the company won first place for best drilled individual, first place in basic and trick drill, and best drilled company.

The climax of their very eventful year was their appearance in the Presidential Inaugural Parade for C-15's third consecutive invitation to that very distinguished affair.

MILITARY WEEKEND ... one of the high points of the military year is on the last weekend in February. Thursday is "Rat Day," the freshmen become upper classmen and the later ... RATS. Rank is auctioned off and all the proceeds go to charity.

The 'notorious' Corps Minstrel, Friday night, supplying the humor and the Military Ball, Saturday night, with just enough pomp and ceremony, together make an enjoyable weekend for all.

Organized entirely of students from the School of Engineering and Architecture, the V.P.I. Association was established as a pioneering venture of its kind in 1949. The purpose of the Association is to promote the advancement of the School of Engineering and Architecture and its student body, improve the exchange of information to and from industry and V.P.I., and to represent this student body in its relationships with the administration of the college.

The AAE is responsible for the Engineering Conference conducted annually. This exposition is broad in scope and execution, extending from a high school science fair to nationally known convocation speakers, engineering symposia, industrial exhibits, and fellowships. An opportunity is afforded for businessmen and practicing engineers to exchange ideas and ideals with Virginia Tech students, and for these visitors to the campus to examine at close range the engineering training that is offered by Virginia's Land Grant College.

Chartered on January 8, 1915, the Virginia Tech Chapter of the American Society of Mechanical Engineers is the oldest student section in the South.

The purpose of the society is the presentation of the proper perspective of engineering work, and the promotion of a professional awareness and fellowship.

Included in the activities of the Student Section are industrial inspection trips, technical speech competition, regional conferences, symposiums, active participation in the annual Engineering Conference and other college activities, and regular meetings consisting of speeches, discussions, and movies.

All students enrolled in Mechanical Engineering are eligible to join the Student Section and are encouraged to participate in the activities of the society.

MECHANICAL ENGINEERS

ASSOCIATED GENERAL CONTRACTORS OF AMERICA

OFFICERS

K. V. HERNDON .............................................. President
E. T. CHAPPELL .............................................. Vice-President
D. DEARING ............................................... Secretary
J. D. BROWDER ............................................ Treasurer

One of three in the nation, the Va. Tech Chapter of the A.G.C. is one of the more active curricular clubs on campus. Chartered in 1924, the club is open to Building Construction students. Activities include two symposiums each year, the Engineering Conference, sending representatives to the National Association of Home Builders Conference, striving to improve academic standards, and monthly meetings. Income from a Homecoming party has enabled the A.G.C. to publish a brochure in hopes of expanding the Building Construction Curriculum.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS
INSTITUTE OF RADIO ENGINEERS

OFFICERS

R. M. Ellison ..................................................... President
A. Rodriguez .................................................... Vice-President
J. E. Morgan .................................................... Secretary
M. C. Jones ..................................................... Treasurer

Combined into a joint student branch of the two national parent organizations, the AIEE and the IRE promote fellowship among Electrical Engineering Students and to keep the students informed as to the latest developments in industry. Participation in events such as the Homecoming Float Contest and the Annual Engineering Conference gives the students an opportunity to work together creatively. Guest speakers from various branches of industry are scheduled regularly to give talks and demonstrations acquainting the student with the latest advances in research and production.
AMERICAN SOCIETY OF CIVIL ENGINEERS

OFFICERS

D. DeYOUNG .................................................. President
R. WILLIAMS ................................................ Vice-President
E. L. BOWLING ............................................. Treasurer

Every individual who is following a chosen profession seeks to attain professional recognition. One of the primary objectives of the student chapters of the American Society of Civil Engineers is to afford students an opportunity to get a good start toward reaching that goal. Through the society the student can keep in touch with professional activity and advancement in his field; an advantage usually impossible from strictly classroom work. The society provides the connecting link between formal education and professional experience.

Membership is open to all students in civil engineering. Total national membership exceeds 10,000 and is concentrated in approximately 135 student chapters. Membership in the VPI Chapter averages 100 students.
SECOND ROW: Blair, A. B.; Johnson, Henry; Jefferson, Lawrence J.; Bolt, J. D.; Rorner, Dan E.; Bleiris, Edwin; Boyle,

PAT BOWMAN .................................................. Recording Secretary
TOM PERDUE .................................................. Corresponding Secretary
TERRY DEBOASE ............................................. Treasurer

The Co-operative Engineering Society is organized of students enrolled in the School of Engineering and Applied Sciences and the Co-operative Program. The purpose of this Society is to promote public interest in the co-operative program, serve as a link between the school and the student in industry, and represent the co-op students in their relationship with the administration of the college.

Freshmen are afforded an opportunity to become familiar with situations encountered in industry by talks, movies, demonstrations, and contact with students of previous industrial experience. Various social activities are held throughout the year to promote fellowship between the members.
AMERICAN CERAMIC SOCIETY

OFFICERS
John D. Poffenbarger ....President
Lawrence G. Miskiff ...Vice President
Fred C. Miller ...Secretary-Treasurer
C. B. Fulmer ......................

Jr. A.A.E. Representative
Lee Reed ..............Sergeant-At-Arms
Prof. A. J. Metzger .......Faculty Advisor

The aim of this student organization is to acquaint the students in the Ceramic field with the Ceramic Arts and Sciences. Since the Ceramic field is broad and varied, due to modern application, a wide knowledge is required. The latest technique in Ceramics is brought to the students attention. Programs are planned to give the student a working knowledge of modern applications in industry.

In the spring quarter of 1921, the Dairy Club was organized, and in the spring of 1938, they joined the American Dairy Science Association to become the Virginia Tech Chapter of the American Dairy Science Association.

The club sponsors a dairy cattle judging team, and a dairy products judging team. An annual publication, the "Milky Way," is published by the dairy club. Each spring the club sponsors a club trip through the state and east coast. A dairy show is always held in conjunction with the Agriculture Exposition.

To inform its members on problems of the field of dairying and to bring students and dairymen closer together is the main purpose of the dairy club.
FUTURE FARMERS OF AMERICA

OFFICERS

E. Reeves .................................................... President
W. Cupp .......................................................... Vice-President
D. Carty .......................................................... Secretary
D. Shenk .......................................................... Treasurer

The VPI Collegiate Chapter of Future Farmers of America has as its mission the fostering of a greater interest in vocational training. At semi-monthly meetings, problems are discussed that arise in the teaching field. Since all the members are prospective teachers of vocational agriculture, a great deal of effort is made to familiarize everyone with the functions of such an organization.

On campus, the local chapter acts as a nucleus for all chapters located in high schools throughout the state and prepares future leaders for such chapters. The object of the club, primarily, is the promotion of thrift, leadership, scholarship, as well as striving diligently to encourage vocational training and education activities among the student members at VPI.
HOME ECONOMICS CLUB

OFFICERS

Kitty Gardner ........................................... President
Lucy Selden ............................................... Vice-President

Alpha Kappa Psi is a national professional fraternity in Commerce and Business Administrations of which the Beta Xi Chapter was installed at VPI on February 13, 1939. Aims of Alpha Kappa Psi are "to further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts, and finance; to educate the public to appreciate and demand higher ideals therein; and to promote and advance in institutions of college rank, courses leading to degrees in Business Administration."

This year the fraternity attended the District Conference and won the awards given by the District. Alpha Kappa Psi is proud to have won the National Efficiency Award given by all the national Chapters.

Alpha Phi Omega, national service fraternity, was founded December 16, 1925 at Lafayette College, Eastern Pennsylvania. There are at present 313 chapters covering all sections of the United States.

The purpose of Alpha Phi Omega is “to assemble college men in the fellowship of the scout oath and law, to develop friendship, and to promote service to humanity.”

There are two fundamental requirements for active membership: first—The students must have had previous experience in the Boy Scouts of America; second—The students must prove an earnest desire to render service to others.

VPI's Zeta Beta chapter was installed May 30, 1948. Since that date, the chapter has been intensely active on the Tech campus. Some of their service projects that are well known include work with: the VPI Bloodmobile, the local Boy Scout troops, and campus aid drive, and the distributing of “Career” books.

Penn State University organized the first ROTC Company of the Association of the United States Army in 1956. The VPI Company of AUSA was formed in 1958. The VPI Company is composed of Cadet Army ROTC Seniors who have shown a sincere and lasting interest in the military work of the college, and who furthermore possess qualities which will make them good and efficient officers in the United States Army.

The purposes of AUSA are the following: to find incentives for increasing military skills, to attend meetings which will add to general Army background, to acquire information about the place of the Army in the defense of the nation that can be passed on to other students and to citizens generally, and to associate under favorable circumstances with fellow cadets and military personnel who consider patriotism an important attribute of character.

The Arnold Air Society is a national professional honorary service organization for cadets enrolled in advanced Air Force ROTC who have distinguished themselves by their academic, military, and leadership achievements. It is a private organization, operated on a non-profit basis, and located in 176 of the Nation's colleges and universities.

The Arnold Air Society is named in honor of the late General H. H. "Hap" Arnold, Commander of Allied Air Forces in World War II and late five-star general in the U. S. Air Force. This organization was started during summer camp in 1947 under the name Arnold Society for Air Cadets and was changed in 1950 to the present name, Arnold Air Society. In January, 1949, a squadron was formed on the Virginia Tech campus and has the distinction of being the second such squadron formed in the nation, hence the designation, Squadron A-2.

This society is fully recognized by the U. S. Air Force and is strongly affiliated with the Air Force Association, and organization of the Air Force and industrial personnel similarly dedicated to the advancement of air power in an air age.

Alpha Sigma Mu was established in 1932 by the faculty of metallurgical engineering at the Michigan College of Mining and Technology. In 1957 the American Society for Metals assumed the business management of the fraternity.

The purpose of Alpha Sigma Mu is fourfold: 1) The furtherance of the arts and sciences of metals, 2) The promotion and recognition of scholarship, professional attainments, and the high social and moral culture of its members, 3) The maintenance of the highest and the best objects of the profession to which the members aspire, and 4) the furtherance of free relations among schools and colleges of metallurgy throughout the land.

In order to become a member of Alpha Sigma Mu a student must be at least a Junior in metallurgy and have a scholastic standing within the upper one-quarter of the students enrolled in metallurgy.

The Virginia Tech Chapter of Alpha Sigma Mu is one of the three original chapters.

On December 12, 1919, the Block and Bridle Club was founded and the Virginia Tech Chapter received its charter on December 1935. The objectives of this honorary organization are to promote a higher scholastic standing among students of Animal Husbandry work in colleges and universities, and to bring about a closer relationship among the men pursuing some phase of Animal Husbandry as a profession.

The Block and Bridle Club is composed of students in agriculture who are interested in some phase of Animal Husbandry. As one of the most active organizations on campus, the club supports the VPI livestock and meats judging teams. Two dances, a student livestock and meat judging contest, and several barbecues are sponsored annually. Scholarships to deserving members and to outstanding freshman in Animal Husbandry, The Little International, a student livestock show, is the highlight of the club’s year.
Found in 1922, Chi Epsilon, the national Civil Engineering honor fraternity, was installed at VPI in 1941. The belief of Chi Epsilon is that a fraternity founded on the broad principles of scholarship, character, practicality, and sociability can be an incentive to greater achievements in the Civil Engineering profession. To contribute to the improvements of the engineering profession, Chi Epsilon fosters the development and exercise of fundamentally sound traits of character and technical ability among engineers which will work toward a higher standard of service offered to humanity by the profession.

Being composed entirely of Civil Engineering students and faculty, projects of the Tech chapter of Chi Epsilon are mostly concerned with the Civil Engineering Department. During the past year a congratulatory card was composed and sent to freshmen showing high scholastic ability to provide them with an incentive to continue their good work.

Realizing the difficulty encountered in finding summer jobs, and realizing the importance, financially, a summer job is to Tech students, a questionnaire determining their name and address of summer employer; type of work; salary; was distributed to all Civil Engineering students during pre-registration and filed for use in future summers.

Occasionally a Chi Epsilon project can benefit the whole campus and all attempts are made to introduce it to some one with the authority to decide upon its utility. A good example of this was a plan to have a photograph of each student available in his file. Many times professors are used as references and though they do not recall the name after years gone by, they would remember the reference if they could see a photo. We also joined the campus-wide request by Mr. Paul Derring and contributed our part to the Regional Blood Program.

Finally, the Tech Chapter of Chi Epsilon gathers together often throughout the year in the name of sociability. The majority of these gatherings are banquets at the best restaurants in the area, the entertainment being notable speakers on the Tech campus. The Tech Chapter of Chi Epsilon without a doubt lives up to the broad principles that the national fraternity was founded on scholarship, character, practicality, and sociability.

Founded at VPI in 1951 by the Cooperative Students of the graduating class of 1957, the Kappa Theta Epsilon Society marks in a fitting manner those who have conferred honor upon VPI by distinguished scholarship and outstanding character, as undergraduates in the Cooperative Engineering and Science, or by their attainments as alumni, and to develop a spirit of cooperative achievement in academic work.

The Society is presently engaged in the task of encouraging other colleges and universities, which offer the Cooperative Program, to organize similar organizations. It is hoped that this endeavor will initiate the formation of a National Society. Also, the Society is trying to start a scholarship fund for first year student under the Cooperative Program. It is believed that this scholarship will that student who could not otherwise belong to the Cooperative Program.

Omicron Delta Kappa, National Leadership Honor Society for College Men, was founded December 3, 1914, and the Alpha Omicron Circle a VPI received its charter on June 2, 1933.

The Society encourages and recognizes achievement and leadership in scholarship, athletics, student government, social and religious affairs, publications, and speech, music, and the other arts. Qualifications for membership are exemplary character, leadership and service in campus life, scholarship, and consecration to democratic ideals. Through its recognition of these qualities, ODK brings together members of the student body and the faculty in a cooperative effort of service and leadership in campus activities and for the general welfare of the college.

Alpha Omicron Circle sponsors an annual Leadership Conference for selected student leaders and awards an annual scholarship to an outstanding sophomore who exemplifies the qualities recognized by ODK,

Phi Kappa Phi is the national honorary recognizing scholastic achievement. Members are elected to this organization after they become third quarter Juniors.
Pi Delta Epsilon is the honorary journalism fraternity on campus. It exists to provide recognition for those who have done meritorious work in publications. Its object is to further the cause of publications and increase the prestige of those organizations. Minimum requirements for Pi Delt are to be at least a rising Junior and to have worked for at least one year on some form of publications.
Pi Tau Sigma is the National Honorary Mechanical Engineering Fraternity. It was created to recognize those who, through scholarship and service, have brought honor to their chosen profession. Members of Pi Tau Sigma aid in various activities in the Mechanical Engineering Department, and each year hold open house to demonstrate the facilities of the Mechanical Engineering Building. The fraternity annually presents awards to the outstanding freshman and sophomore in this field. Through these and other similar activities the members of Pi Tau Sigma constantly strive to lead others to greater accomplishments in Mechanical Engineering.

The Sigma Gamma Tau Society was formed on February 28, 1953 at Purdue University by a merger of the two national honorary aeronautical engineering societies, Tau Omega and Gamma Alpha Rho.

The Purpose of Sigma Gamma Tau is "to recognize and honor those individuals in the field of aeronautics who have through scholarship, integrity, and outstanding achievement been a credit to their profession."

Persons eligible for membership include aeronautical engineering students in the upper one-third of their senior or upper one-fourth of their junior class, graduate students who met the above requirements as undergraduates. The society also recognizes those individuals in the aeronautical engineering profession who have made worthy contributions toward the advancement of their profession.
WHO'S WHO IN AMERICAN

One of the highest honors a Senior can be awarded is to be named to Who's Who. The number of students so named is decided by the total number of students in the school. They are picked by a committee made up of both cadets and civilians, approved by the school and by both Senates. There are certain arbitrary qualifications.

As the educational arm of the Methodist Church on the V.P.I. Campus, the Wesley Foundation seeks to make Christianity real and vital to the college students. The organization is under the leadership of its Director and President and serves through the local Methodist Church. It strives through various committees and interest groups and their programs to provide training for college students in mature churchmanship. It offers students the opportunity to know the Church as the Body of Christ and the programs are student-centered, including worship, service, and recreation.

All Methodist students at Va. Tech are invited to become members of the Wesley Foundation and to participate in its program. However, membership is not restricted to this group since students of other faiths, denominations, and lands find spiritual fulfillment within the group and enjoy the benefits of the "always open door" at the Wesley Foundation.

A non-profit organization, the V.P.I. Apple Club consists of students from Frederick, Warren, Clarke, Fauquier, Page, Loudoun, and Shenandoah counties in Virginia; Washington County in Maryland, and Jefferson County in West Virginia. Dances, parties, and picnics are held in the summer and during school holidays for the entertainment and the enjoyment of members and their friends. On campus, meetings, smokerys, and banquets are held to promote good will and fellowship among its members, and to aid new students in becoming adjusted to college life.

The Club was founded in 1941, but was inactive during the war, and was reorganized in the fall of 1947.

Since our principal aim at V.P.I. is to secure an education, the Apple Club awards the "Apple Club Scholarship" to an entering freshman from the club area on the basis of need, character, and ability.

RIFLE AND PISTOL CLUB

The Rifle and Pistol Club exists to bring together those students who are interested in shooting and give them an opportunity to take part in this sport. The activities of the year are confined mostly to the rifle range on upper quad. The highpoint of the year, however, is an all day shoot held at the end of the Spring Quarter.
As Sigma Omega Tau fraternity entered into its third year of existence it demonstrated that it was one of the fastest growing social fraternities at Virginia Polytechnic Institute. While social fraternities are relatively new to V.P.I., it is the firm belief of Sigma Omega Tau that the presence of such organization on campus will enhance the social life and bring credit to the students of Virginia Tech.
ATHLETICS
ATHLETIC DIRECTOR

Returning to Techland for the Fall Quarter of 1960 many Techmen found that the footballers were off to an early start. The Hokies had already slapped down West Virginia 15-6 in the early Tobacco Bowl clash. However, Coach Frank Moseley realized that the Virginia Tech football team needed a strong offensive punch and tried to remedy this situation.

The season progressed and passed. Soon the entire campus seemed very startled when rumors that a reorganization of the entire coaching staff had been completed appeared. On January 24, 1961 Coach Jerry Claiborne arrived on the Tech campus.

A few days later, Claiborne announced the appointment of two new assistant coaches—Cecil W. Ingram and John Shelton—who would devote full time to football coaching and the retention of one of Frank Moseley’s assistants.

Moseley assumed the title of Athletic Director and announced that he planned to retain all the coaches of the other sports. They are: basketball—Chuck Nee and assistant, Bill Mathews; baseball—Red Laird and assistant, Dave Shively; track—Doug Divers; wrestling—Frank Teske; swimming—Dick Redding and assistant Bill Grossman; golf—Preston Newman and W. W. Addington; and tennis—Bill Buchanan.

The Sports Staff of the 1961 EAGLE wish to extend to Coach Frank Moseley many sincere thanks for the tremendous job he has done of which the entire Virginia Tech community can be, and is proud. Mr. Moseley’s constant aim of maintaining and improving a program designed to contribute to a well-rounded college life has produced gratifying results during his career as Head Coach for the Virginia Polytechnic Institute.

VA. TECH COACHING STAFF

FRANK MOSELEY
Athletic Director

CHARLIE BENTLEY
BILL CONDE
JERRY CLAIBORNE
Head Football Coach

CECIL (HOOTIE) INGRAM
H. M. "MAC" McEVER

Coach Jerry Claiborne has stepped into the position of head football coach at Tech. This "Fellow from Alabama" was the top dog to head football coach Paul "Bear" Bryant, the man famous for his coaching techniques at the home of the Fighting Texas Aggies and the University of Alabama.

Claiborne has been on Bryant’s staff throughout his entire coaching career, with the exception of 1957 when he served as defensive coach for Missouri. He joined Bryant in 1952 and went with him to Texas A & M in 1954. Also, he played under the "Bear" when Bryant was at Kentucky. Coach Claiborne was a star on the 1950 Orange Bowl team, and has played the positions of blocking back, end and defensive safety.
The 1960 Tech Football Team was characterized by many unique qualities during this hectic season, winding up with a disappointing 6-4 record for the season.

Perhaps one of the most impressive things about Tech's line was the quickness and speed that it possessed. Price and Strock, along with such operatives as Johnny Watkins, brought exceptional speed into the backfield.

As for size, the Fighting Technicians had the largest line in the area, regardless of conference, with the possible exception of a couple of South Carolina colleges. Don Oakes, at 240; Mike Zeno, 240; Bernie Vlahoski, 225; Allen Whittier, 205; and Duncan Holmclaw, 200, anchored this unyielding line. True, backs like Price and Strock were not gifted with size, but they were exceptional and outstanding in all respects.

Experience backed up our team also. This year's Gobbler squad boasted eighteen lettermen, with all sorts of experience in the line and with several lettermen for the backfield. Price ironed out difficulties brought on by inexperience at the quarterback spot, performing amply enough to gain a place on the All Conference second team.

Also, fine depth was another characteristic of the Hokies. However, grid injuries cut into the Gobbler depth during the latter part of the season—particularly at the time of the G. W. game.

Kicking could have hardly been better. Terry Strock led the Southern Conference in punting, and Leon Tomblin did a consistently brilliant job on kicks. Aster Sizemore tied a school record with 17 conversions.

Last—but though not least by a far punt—every man on the squad possessed a desire to become the top dogs, unmatched by any Tech Team in recent years.

North Carolina State

The pigskin campaign began on a hot September afternoon in Raleigh, N.C., against a fine North Carolina State team, led by All-American quarterback Roman Gabriel. The game saw the Wolfpack and Techmen match touchdowns until midway the final period when Gabriel's needle-threading passes put State ahead to stay, and an intercepted Tech aerial gave the Carolinians an insurance score and the final touches to a closer-than-it-looked 29-13 win.
Tech Snags W. Va. 15-0

The Gobblers tucked their Raleigh heartbreaker away and went to Richmond the following Saturday to meet West Virginia in the 12th Annual Tobacco Bowl game. Two early Tech fumbles gave the Mountaineers golden scoring opportunities but the West Virginians, suffering their poorest season ever, were unable to capitalize on the chances.

Tech then ground out a pair of touchdowns and gained a safety to notch a 15-0 win in what was surely the dullest contest of the season. Astor Sizemore kicked the first of 17 conversions during the season for a school record.
Tigers Claw Tech 13-7

The Techmen went South to meet the powerful, eighth-ranked, Clemson. The Hokies refused to concede anything to the vaunted Tigers or to the broiling South Carolina sun and held a 7-0 halftime lead. The intermission advantage was acquired via a fumble recovery by Terry Trock and a scoring drive which took only four plays and was completed when Price scampered around left end on his patented rollout play.

The Tigers pushed over a third period score and Tech held a 7-6 lead as the action moved into its final quarter.

Here the Clemson depth began to show and with but four minutes remaining quarterback Lowndes Shingler plunged through the dog-tired Gobbler line from four yards out to make the score dooming the Techmen’s chances of glory.
Hokies Cut Deacons
22-13

Saturday, October 4, Homecoming Day in Blacksburg, saw a hard earned but well deserved 22-13 Tech win over a tough Wake Forest team.

The play of Warren Price and Johnny "On the Spot" Watkins highlighted the contest. A Price to Strock pass netted the Hokies their first touchdown and Sizemore's conversion gave them a 7-6 lead over the Deacons who had scored earlier in the quarter. Price sneaked over for another score minutes later following a fumble recovery by Don Oakes, and the Techmen held a 15-6 intermission advantage.

The Baptists never gave up but Watkins' interception and touchdown return late in the fourth quarter ended the Wake Forest threat.
Tech Bugs Indians 27-0

The win over Wake Forest gave momentum to the inspired Techmen, and the fire in the Hokie play was all too obvious at the William & Mary Homecoming game the following Saturday.

The Gobblers ground out a resounding 27-0 victory over W&M behind the play of Price, Watkins, and Strock, and the big mobile Gobbler line, led by Allan Whittier, Don Oakes, and Bernie Vishneski.

With Tech leading 7-0 in the second quarter, Watkins intercepted a misguided aerial on the Tech one yard line and raced all the way to the Tribe 11 from where the Techmen scored moments later and rolled on to an easy win as the gigantic Gobbler line stopped every Indian threat dead in its Tracks.
Hokies Snap U. Va. 40-6

Miss America was the guest of honor at the Harvest Festival clash in Roanoke with the University of Virginia October 18, but the lovely young lady from Mississippi had to share the day's glory with scatbacks Strock and Watkins. Both returned Cavalier kicks for touchdowns with beautiful runs to lead Tech to a 40-6 smashing of the hapless Wahoos, who in losing dropped their 24th consecutive game.

Strock took Wayne Ballard's game-opening kick-off, broke through the middle of the Cavalier defense, and then streaked down the sideline for a touchdown. Watkins was voted the game's most outstanding player.
Tech Webs Spiders

20-0

Frank Moseley's footballers breezed into Richmond the next Saturday amid much fanfare. The spirited University of Richmond Spiders weren't impressed by the Gobbler publicity, however, and scared the daylights out of the Techmen before dropping the contest 20-0. The Tech offense sputtered throughout the first half, except for an 80 yard drive late in the second quarter capped with a scoring plunge by Don Vaught.

The Spiders outplayed the Gobblers throughout much of the second half and threatened to score twice. In the fourth quarter Price came up with some dare-devil signal calling to spark the Gobblers to two more touchdowns (both on passes to Strock) and wrap up the triumph over the stubborn Richmonders.
Miles Stadium was the scene for Tech’s final home game of 1960, with Davidson College furnishing the opposition.

The impossible became a reality as Davidson pulled off the biggest upset in the area in over a decade. The Presbyterians scored on a second period pass play from Tee Redding to Danny House to give Davidson a 7-0 halftime lead. A safety in the third quarter increased the Wildcat advantage to 9-0 before Art Pruett climaxed the Gobblers’ sole scoring drive by slashing over right tackle for the six-pointer.

Late in the period soph halfback Ronnie Hawkins took a screen pass and raced 71 yards for another Tech-score, but the play was called back because of a penalty and the last Gobbler chance of preventing their most humiliating defeat in years was gone.
G. W. Darts Hokies
21-8

The Davidson debacle knocked the wind out of Tech's sails and it was no easy task for the Gobblers to prepare for the clash with George Washington in the nation's capital the following Friday night. Price, who had missed the Davidson game because of a shoulder injury, wasn't in top form for the scrap with the Colonials either. Price's absence proved costly to the Tech offense, which wasn't able to take advantage of several breaks which gave them the ball deep in GW territory.

Meanwhile, Coach Bill Elias's crafty Colonials were pushing over three touchdowns before the Techmen could score on a Price to Speck aerial to fashion a 20-7 upset victory over the Gobblers.
Tech Stops V. M. I.

13-12

Tradition has it that all previous records can be thrown out when the Hokies meet VMI on Thanksgiving Day. And so it was that Tech upset the Keydets 13-12. VMI gained but one first down in the entire first half, and got that one because of a Tech penalty. The Gobblers, in the meantime, scored on two Price to Strock passes to give them a 13-0 halftime lead.

Quarterback Howard Dyer led a stirring VMI rally which netted two touchdowns. That second Keydet touchdown came with less than two minutes left in the game and VMI, trailing 13-12, elected to go for two points. Dyer tried to pass, but couldn't find a receiver and Charlie Speck brought down the big VMI signal-caller to give Tech its biggest win of the year and put a beautiful finishing touch to the season.
Freshman Football

The Virginia Tech Goblets had their victory string snapped by the fresh teams of W. Va. and VMI, capturing victories over the Furman, U. Va. and W. & M. frosh.

In their slide over the Virginia frosh by 14-0, the way was paved for Tech by quarterback Ed Wheless, halfback Tom Walker, and the superior play of the Goblet line.

Wheless completed all five of the passes he threw, one accounting for a touchdown and another setting up a later marker.

Walker led all rushers with 67 yards in 11 carries and was impressive throughout, particularly on a 23-yard burst from scrimmage.

Tommy Marvin was on the receiving end of Wheless' second quarter touchdown toss which gave the Goblets a 7-0 halftime lead.

Individually, and as a team, the Goblets played a season that was more deserving than the story told by a 3-2 record.

INTRAMURAL PROGRAM

"Athletics for all," an old slogan at Tech, has taken on a new meaning. The majority of the 5,000 plus students at V.P.I., both cadet and civilian, take part in one or more of the 24 different intramural sports offered during the year. This is largely from action on the part of Professor M. Buford Blair, associate professor of physical education, who first started intramural sports at Tech 35 years ago.

The intramural program for this year consisted of 24 sports. Most of these sports offered, such as golf, tennis, swimming, have a lasting value that students can retain after leaving college.

During the fall quarter, touch football, wrestling, basketball, duck pins, swimming and cross country were offered.

At the end of the year, both the winning team and the winning individuals are presented trophies. Gold intramural keys are awarded to teams and individuals in each sport.
Basketball, 1960-61

The passing of the 1960-61 basketball campaign into the category of sports history marks the end of an era in the roundball sport at Tech. For along with Bobby Ayersman, the George Washington game was also the last to be played for the Orange and Maroon by Chris Smith and Dean Blake. These three West Virginians, more than any other group of players, have pioneered Virginia Tech into basketball prominence. During their first season (1957-58) Tech, with four freshmen and a sophomore in the starting lineup, dropped five of its first six games. From Jan. 7, 1958 through the just completed 1960-61 campaign, however, the Gobblers compiled an excellent 61-21 record—with nine of those losses being by margins of one to five points.
Tech Stars

While Smith, Ayersman, and Blake were on the squad, the Techmen ran up a school record of three straight undefeated seasons at home—and 26 consecutive wins at War Memorial Hall, where it is unlikely that any more games will ever be played. Smith averaged 18.6 points per game and 17.1 rebounds in each outing over the entire four year span and set an away scoring record by pouring in 41 points in one contest on the road. Big Chris also holds the Tech single game rebound record by virtue of the 36 retrieves which he made in one contest. He finished his career with a shooting percentage of exactly 50 percent, a most enviable accomplishment.

Ayersman finished with a career total of 1782 points, and a four year overall average of 20.5 points per game. During his sophomore year he set a school record by compiling a season's scoring average of 26.5 points per game and a single game mark of 47 points.

Blake did not start nearly all of the games in which he participated, but the steady 6-4 forward sparked the Tech club on numerous occasions. And how about the basket which he scored to beat VMI last year in Lexington?

The names of Smith, Ayersman, and Blake will long be remembered by Tech sports fans, and rightly so, for these were the boys who took Tech to the threshold of the basketball bigtime, and built the Gobblers' basketball prestige to the place to where their spanking new field house next December will be most appropriate.
Upsets Galore in Tournament

A topsy-turvy Southern Conference basketball tournament began with a triple overtime contest and wound up Saturday night with seventh seeded George Washington dumping fourth place William & Mary for the conference title in the most unlikely championship game perhaps to occur in all the years of the hoop playoffs.

The Colonials staged a gigantic rally in the last nine minutes against Tech's Gobblers in the opening round to edge the Techmen 84-83. In this one G.W. trailed, except in the first three minutes, throughout the entire game. Jack Ardell pumped in a 15 foot jump shot with 45 seconds left in the game to climax a Colonial comeback which began when Coach Bill Reinhart's charges trailed the Gobblers 69-53 with but nine minutes left in the contest.

The Hokies went to Richmond well aware that G.W. would be more than just a little bit tough but it didn't look that way through three quarters of the affair as the Gobblers grabbed a 39-34 halftime advantage and continued to widen it, finally to a 16 point bulge. In doing so, Tech was getting fine performances from all of their regulars. Particularly from Bucky Keller, a 24 point man for the evening, Bobby Ayersman, who netted 23 points despite his illness, and Christ Smith, who pulled down 19 rebounds and got 16 points while also doing a fine defensive job. (Smith was named to the second team of the All-Tournament squad despite the fact that his club was eliminated in the first round).

Tech was not the only team to be victimized by the Colonials after leading earlier. In the semifinals Friday night, the Citadel held a firm nine point halftime lead over G.W. but saw it pecked away at after the intermis-

sion until it became non-existent, and the Colonials went on to win 94-87.

When Tech left the floor after having been upset by G.W., the Mountaineers were found grinning broadly—now the S.C. championship was theirs for sure! And their loyal fans felt the same way, but Tech supporters got the last laugh—Pardon, the last grin—Friday night as the West Virginians sunk lower and lower in the seats, as their heralded zone press crumbled before the inspired Indians.

(a) Birmingham Classic

* S. C. Tournament
Hokies Trample U. Va.
105-70

Against Virginia the Techmen had no trouble at all, as they rolled to a whopping 60-23 lead at intermission and never returned the starters to action. The Gobblers got a 21 point first-half performance from Ayersman and a final 14 point, 16 rebound up-'til-intermission showing from Smith to open up the big gap. Keller, Melear, and Quisenberry also chipped in sizeable contributions to provide the margin, although none of the starters actually played more than 17 minutes.

The Hokie reserves refused to let up, however, as they played the Cavaliers on even terms the rest of the way. Cal Jacobs, Smith's replacement at center, was impressive as he dumped in 13 points, while John Fleischmann added 10.
Deacons Outgun Tech
100-84

Against Wake Forest, Tech faced one of the best rebounding teams in the nation without having their best backboard man, Smith, at anywhere near full strength because of an attack of influenza. And since the North Carolinians were taking such complete charge of the boards, even a good shooting night and fine individual performances by Ayersman and Keller couldn’t prevent a Hokie defeat, as Wake Forest swept their way to a 100-84 win on their friendly home court.

The Deacons jumped off to a quick start. The Deacs stretched their advantage gradually throughout the half and held a 52-39 lead at intermission.

The Techmen, getting a lift from the installation of John Fleischman into the lineup, gave the Wakemen plenty of trouble throughout much of the second half, but Coach “Bones” McKinney’s boys just had too much strength on the backboards.

Keller and Ayersman were the big guns for Tech, getting 27 and 21 points respectively. Keller’s point total gave him the game’s scoring honors, over Wake’s Chappell, who stuffed in 26. Ayersman got 11 rebounds to be the Gobbler’s high man in that department.
Spiders Win 81-79 on Hokie Mistakes

The Virginia Tech Gobblers lost a "Heartbreaker" to the Richmond Spiders, 81-79, on a desperation tap-in by Lee O'Bryan. O'Bryan, 6-5 senior from Louisville, Kentucky, put on a blazing last minute performance as he scored his team's final ten points. His clinching basket came when a shot by Red Booker fell short, struck the rim, and bounced high in the air, where O'Bryan gently deflected it in, to give his team its first win over the Hokies in their last seven meetings.

The Spiders jumped to a ten-point lead in the first eight minutes of the contest, largely on the shooting of George Grodzicki, who scored his entire 14 points in the first half. Tech rallied to tie the score at 30-30 and led until the very last seconds of the half, when a basket by Ronnie Floyd gave the Spiders a 43-41 halftime advantage.

Tech pulled ahead early in the second half and with 13:13 left, it held its biggest margin, 59-50.

Chris Smith pulled down an amazing 25 rebounds, and Tech had an overall 67-46 rebound advantage, but the Spiders had better shooting, 41.3 per cent to 33.16 per cent, and threw the ball away only nine times as compared with Tech's 21 miscues. Besides O'Bryan's 18 points, Richmond got a game-high 24 point performance from Booker, 17 points from Danny Higgins, and 14 from Grodzicki.

For Tech, Bucky Keller was high man with 20 points, followed by Ayersman with 19 (along with 15 rebounds), Smith with 17, and Quisenberry with 13.

The loss virtually ruined Tech's hopes for either the Southern Conference championship or the Big Five championship.
Chris scores again.

Smith battles under boards
Wrestling

Virginia Tech's tough-as-ever wrestling squad racked up its fourth straight win against the Citadel, to run the team record to 5-2 and look like a tough club to handle in the forthcoming tournament.

The 22-6 whipping handed the Citadel by the Gobbler grapplers followed a 32-0 shellacking smacked on Davidson College two days earlier.

The highly touted Tech matmen suffered a surprise defeat at the hands of the VMI wrestlers. Termed "The upset of the season," the match went to the Keydets by a 17-11 margin.

Tech took the first two matches but VMI came back strong to capture five of the final six for the victory. There were two pins in the meet. Tech's Mike Grandstaff got credit for one.

Virginia Tech's wrestling team proved that they didn't even need a year to rebuild as they swept to the Southern Conference championship for the second year in a row. In doing so, the Gobbler picked up three class championships, as Mike Grandstaff, Bob Robinson, and Frank Kirk gained titles in the 123 lb., 137 lb. and 177 lb. classes respectively.

Coach Frank Teske's squad began the season without the services of three veterans who had claimed titles for a long time, but the stocky mentor's team lived up to his prediction that the Hokie matmen would be just as tough as ever.

Tech piled up 73 points to win easily over VMI.

Bobby Robinson, Tech's wrestler in the 137-lb. class is shown while in the process of decisioning Al Dirillo of The Citadel in a match with the Bulldogs.

Matman Sanders

Wrestling Coach Teske is in his tenth year at Tech where his teams have suffered only four losses (two of those this year) in the last seven years.

The Winner!

Towney Smith has won two of his four matches by pins while grappling in the 130 class.
Swimming

Virginia Tech's rising swimming fortunes, encountered a stumbling block at Chapel Hill, N.C., in the form of the powerful University of North Carolina tankmen, who proved too much for the Gobblers by a 59-35 margin.

Tech's Steve West and Mike Stoner, capturing first place in the 200-yard butterfly and the 200-yard backstroke respectively, were the only Hokies to capture individual firsts. However, the Techmen did win the 400-yard freestyle relay in a time of 3:44.5, as Rosen, Horner, Overstreet, and Sibley did the water work for the Gobblers.

Two school records and two pool records fell as the Tech swimmers picked up their fourth win in five meets. The Gobblers whipped the Davidson tankmen 51-44.

Steve West swam the 200-yard individual medley in 2:20.1, eclipsing both the school and pool records in that event, Sophomore Dick Sibley set a new school record of 2:17.9 in the 220-yard freestyle, and the 400-yard medley relay team of Mike Stoner, Tommy Toulminson, Geoff Horner, and Charley Moore erased the pool mark in that event.

In addition to his record breaking performance West also took first place in the 200 yard butterfly. Stoner and Moore also added firsts to their record breaking efforts. Stoner grabbed first in the 200-yard backstroke and Moore captured top honors in the 200-yard breaststroke. Lee Hass, a diver, picked up the Techmen's other first.

Assistant Coach .................................. Sgt. Layman
Manager ........................................... Russell Henderson

With the end of another season, the Tech Riflemen saw another skeptical season of riflery. Competing in the regular season matches against thirteen opponents, our men won seven matches and lost six. The muskets of the Air Force Academy shattered the favorable record for the Riflemen with a credit of six points over the Techmen, setting the score for an unsuccessful season's start. Our men aimed a very favorable win over both Maryland and William & Mary, providing a comeback for lightning action against subsequent matches. As the season progressed the Riflemen improved their accuracy and deadly fire against the opponents at V.M.I., defeating this team at both matches. In the Southern Conference, our team shot a total of 1424 points and was able to place second within the Southern Conference, comparable with a record as the Southern Conference Champions in Riflery for two consecutive years during 1956 and 1957. In their last competition for the year, the muskets flashed fiercely to place Tech in the forty-fourth position of the National Rifle Association Intercollegiate Rifle Championship team Match.

VARSITY RIFLE TEAM: F. F. van Deuren, Coach; J. S. Brinkach, Assistant Coach; Stoney Drake, Captain; Robert Downing, Secretary; Robert Hayne, Public Relations Officer; Dennis Gallagher, Manager; Couper, R. J.; Cahilly, D. R.; Corrigan, R. E.; Drake.

Golf

The Virginia Tech golf team, coached by J. P. Newman and O. W. Addington, successfully defended its Virginia Collegiate title, obtaining a total of 643 points to become the State Champions, and place sixth in the Southern Conference Championship this year. The iron squad of nine men started their season with a slide, dropping Amherst 5 1/2 to 4 1/2. After being rained out with a match against Colgate, and losing two matches, winning one and losing another against W&M, Richmond, V.M.I., and Ohio State, respectively, the men putted a 6-0 victory over the Apprentice School. Further victorious matches against G.W., West Virginia, V.M.I., and the Cavaliers ended the season for the golfers with a 7-3 record.

Tennis

Coach “Buck” Buchanan’s racqueteers won five of their eight matches this season, and despite inexperience they played good wide-open tennis in all of the matches.

Tech opened weakly against the impressive Deacons of Wake Forest, but scored strong victories over VMI and Richmond in subsequent matches. The Gobblers then dropped two in a row to Toledo and William and Mary. The rest of the season saw winning action against West Virginia, Davis and Elkins, and VMI.

The team was under the capable leadership of Captain Mac Duke. The Hokie success was boosted by such outstanding players as Wayne Dillon, Duke Williams, Bernard Brown and Larry Johnson. The Tech tennis fans can look forward to a winning season again next year.

Baseball

The Tech sluggers saw a very hazy season this year, but managed to rally to the fifth place slot in the Southern Conference, placing second in the state.

Coach Laird led his stickmen to a 10-11 record for the season, owing mostly to the slugging of Harold Honeycutt. Travis Poole, with a season’s average of .338, led the team in hits, 25, and home runs.

The season saw many new records for the squad, among them: team slugging percentage, .452; total bases, 291; double plays, 20; extra base hits, 59.

Yer out!

Scooping up a hot one

Safe at third
Track

Great strides have been made in the past two years in the little pub-
licized field of track and cross-country. Last year found the Gobbler Har-
rriers finishing the season with no wins, four losses for dual meet compe-
tition, fifth in the state meet, and no point total in the Southern Confer-
ence meet owing to the fact that there were not enough men to make a
full team.

So far this year, things are looking better. Capt.

ain Lou Castagnola and Gene Simpson led the

Tech team to a surprising second place finish in the Southern Conference
Cross Country Championships held at William and Mary on November
21. Castagnola successfully defended his conference crown with a
21:00-06 for the four mile

course, bettering the previous record of 21:18.
The Tech champion also
had an undefeated sea-
son.

The Virginia Tech Monogram Club is composed of men who have been awarded a monogram in one of the varsity sports. Letters and sweaters are given to members by the club in recognition of their achievement on sports. The purpose of the Monogram Club is to maintain a close bond of fellowship among varsity athletics at Virginia Tech, to foster and promote athletics in every way possible, and to encourage prospective athletics of good character to attend this institute.

CLASSES
THE CLASS
OF 1961

OFFICERS

JOHN T. RICE ........................................... President
JAMES CORSETTY ........................................... Vice-President
Dwight Houff ............................................. Secretary
Morgan Wynn ............................................. Treasurer
Gregory S. Rambo ....................................... Civilian Committeeman-at-Large
Walter Cheatham ......................................... Cadet Committeeman-at-Large
John Raisbeck ............................................ Public Relations Officer
Dr. W. W. Gibson, Jr. .................................... Class Advisor

The highlight of the activities of the class of '61 came last May when, to the music of Stan Kenton, the 1961 Ring Dance was presented at War Memorial Hall. The theme of the dance, Rhapsody in Blue, was carried out through the use of murals depicting scenes of New York City. Following the very successful Ring Dance, the class turned its attention towards graduation, and plans were started for Senior Weekend and for choosing the gift that the class would present to the school.

John T. Rice, James Corsetty, Dwight Houff, John Raisbeck, Walter Cheatham, Dr. W. W. Gibson, Jr., Gregory S. Rambo.
THE CLASS

CYRIL BLACKMAN AARON, Newport News, Virginia; Rural Sociology; 2nd Lieutenant; Hillel Club, Secretary, Vice-President and Chaplain; Rural Sociology Club; Member of 1961 Religious Emphasis Planning Committee.

MAHMUD A. ABULHUSN, Beirut, Lebanon; Civil Engineering; A.S.C.E.; A.R.B.A.; Cosmopolitan Club; R.S.L., Dorm Representative, Life Guard.

THOMAS EDWARD ADAMS, Norton, Va.; Building Construction; Sigma Lambda Chi, Secretary; Football; Associated General Contractors; Lonesome Pine Club, Vice President; FIE Dorm Club.

ROBERT C. ADDISON, JR., Norfolk, Virginia; Electrical Engineering; Tau Beta Pi, Corresponding Secretary; Eta Kappa Nu; Kappa Theta Epsilon; Phi Kappa Phi; Cross Country, Track; Freshman Chemistry Award; American Institute of Electrical Engineers; Institute of Radio Engineers.

LINDEN REID ALBRIGHT, Mt. Airy, Maryland; Electrical Engineering; Eta Kappa Nu; Kappa Theta Epsilon; Alpha Phi Omega; Tau Beta Pi; Cadet Senator; Co-Op Engineering Society; AIEE-IRE; Distinguished Air Force Cadet.

ROBERT LEWIS ALLEN, Salem, Virginia; Business Administration; Cotillion Club; Executive Committee; Tau Epsilon Kappa.

HENRY HILTON ALMOND, JR., McGuireysville, Virginia; Business Administration; 2nd Lieutenant; Virginia Tech Regimental Band; Concert Band, Chairman.

DAVIS PORTER ALTMAN, Hopewell, Virginia; Electrical Engineering; Eta Kappa Nu.

EMORY MAYO ANDERSON, Richmond, Virginia; Distributive Education; Richmond Club; Sigma Lambda; Life Saving Corps; Distributive Education Club.

"Statues in the War Memorial Chapel"
LEO THOMAS BARBER, Norfolk, Virginia; Mechanical Engineering; Pi Delta Epsilon; Who's Who in American Colleges and Universities; Virginia Tech, Business Manager; Student Board of Publications, Treasurer; Norfolk Club, Corresponding Secretary; Newman Club; American Society of Mechanical Engineers; Association of Married Students; Intramural Sports.

CONRAD WOODROW BARKSDALE, Danville, Virginia; Industrial Engineers; American Institute of Industrial Engineers.

WAYNE FRAUGHNOUGH BARLOW, Smithfield, Virginia; Agricultural Economics; 2nd Lt.; "A" Squadron Administration Officer; Intramural, Football, Track; Agricultural Economics Club; BTU Peanut Club.

RUSSELL SLADE BARNES, Alexandria, Virginia; Mechanical Engineering; Alpha Psi Omega, Secretary-Treasurer; Fact Finding Board; C.S.R., Senate; Marson Mask; Delta Pi Zeta.

ARNOLD L. BARR, Salem, Virginia; Electrical Engineering; Supply Sergeant; Tau Beta Pi; AIEE-IRE; Co-operative Engineering Society.

FRANK HENDERSON BARRETT, JR., Norwalk, Connecticut; Civil Engineering; American Society of Civil Engineers; Co-operative Engineering Society; American Road Builders Association; Intramural Football; EIE Drum Club.

RALPH KAINER BAKER, JR., Roanoke, Virginia; Building Construction.

CECIL P. BALDROWSON, JR., Charlotte, North Carolina; Aeronautical Engineering; Institute of Aerospace Sciences; Collegiates Orchestra; YMCA; Virginia Tech Sports Car Club.

THOMAS ERNEST BALDWIN, JR., Bluefield, West Virginia; Electrical Engineering.

EDGAR THOMAS BALLARD, Largo, Florida; Chemistry; Tau Beta Pi; Phi Lambda Upsilon; Pershing Rifles, Treasurer; Society of American Military Engineers.

JAMES EDWARD BALLARD, Charlottesville, Virginia; Dairy Science; Honor Court; 1st Lieutenant; Dairy Club.

GEORGE SEWELL BARBER, Arlington, Virginia; Sergeant; Pi Tau Chi; Co-operative Engineering Society; ASCE; ARBA; Wesley Foundation.
ROBERT CARROLL BASFORD, Hampton, Virginia; Mechanical Engineering; American Society of Mechanical Engineers.

GORDON PHILLIP BATEY, Charleston, West Virginia; Electrical Engineering, Sergeant; American Institute of Electrical Engineers; Institute of Radio Engineers; Radio Club; Rifle and Pistol Club.

LARRY RAYMON BEAMER, Galax, Virginia; Industrial Engineering; AIEE; New River Club.

CHARLES GLENN BEARD, Rockville, Virginia; Animal Husbandry; Block and Bridle Club; Winner of Little International 1960.

WILLIAM H. BEASLEY, Craddockville, Virginia; Agricultural Engineering; American Society of Agricultural Engineers; Soil Conservation Society of America; V.P.I. Agricultural Exposition.

HENRY JEFFERSON BECK, Dry Fork, Virginia; Business Administration; Alpha Kappa Psi; Danville Club; Tau Beta Chi.

JOHN MILTON BECK, Beaverdam, Virginia; Industrial Engineering; Association of Married Students; American Institute of Industrial Engineers; Richmond Club; Alpha Zeta.

WILLIAM ANDREW BECKSTOFFER, Richmond, Virginia; Building Construction; Sigma Lambda Chi, Treasurer; Association United States Army; Seaboard and Blade; 1st Lieutenant, H Co.; Football; German Club; Richmond Club; Newman Club; Association Married Students; Association General Contractors; Class of 1961 Ring Committee.

CHARLES ELWIN BEDALL, Staunton, Virginia; Agricultural Education; Future Farmers of America; CAFI Dorm Club.

STEPHEN SHEPHERD BELOK, New York, New York; Architectural Engineering; Hillel Club; Swimming Team; Intramural Sports; American Institute of Architects.

JAMES THOMAS BENJ, III, Portsmouth, Virginia; Mechanical Engineering; Constellation Club; American Society of Mechanical Engineers.

LARRY RANDALL BERREY, Criglersville, Virginia; Mechanical Engineering; Pi Tau Sigma; Association of Married Students; American Society of Mechanical Engineers.
BENNY SWANSON BIGGS, Danville, Virginia; Mechanical Engineering.

EDWIN KING BLEVINS, JR., Richmond, Virginia; Aeronautical Engineering; National Honorary Aeronautical Society Treasurer; The Institute of Aeronautical Science; Association of Married Students.

WILLIAM GRAHAM BLOSE, Pella, Iowa, Virginia; Dairy Science (Production); Intramural Sports; Black and Brindle Club; Dairy Science Club; Treasurer, Dairy Products Judging Team; Agicultural Exposition; Co-Chairman, Commercial Exhibits.

DONALD RICHARD BLUTH, Youngstown, Ohio; Statistics.

HAROLD ARTHUR BUCK, JR., Norfolk, Virginia; Electrical Engineering; Norfolk Club; Institute of Radio Engineers; American Institute of Electrical Engineers.

PAUL CLIFTON BOWART, JR., Norfolk, Virginia; Mechanical Engineering; Second Lieutenant, Flight Instruction Program; American Society of Mechanical Engineers.

JOHN DOUGLAS BOLT, White Sulphur Springs, West Virginia; Aerospace Engineering.

RAYMOND EARL BONNELL, JR., Bridgewater, Pennsylvania; Civil Engineering; Pershing Rifles; Cadet Honor Court; 1st Lieutenant; Institute of Aeronautical Science.

BENTON LEE BORDEN, Staunton, Virginia; Civil Engineering; 2nd Lieutenant; ASCE; ARBA; Catamount Club.

"Construction Work on New Field House"

MURRAY S. BORIS, Newport News, Virginia; Mechanical Engineering; President of Hillel Club; ASME.

PATRICIA LEE BOWMAN, Johnson City, Tennessee; Civil Engineering; Civilian Student Body Treasurer; Civilian Senate; Civilian Honor Court, Investigating Committee Chairman; Fact Finding Board; Hillcrest House Council; Baptist Student Union, Secretary; YWCA, Cabinet; American Society of Civil Engineers; American Road Builders Association; Cooperative Engineering Society, Recording Secretary; Association for Advancement of Engineering; Who's Who in American Colleges and Universities.
ROBERT DANIEL BOWMAN, Atascocita, Virginia; Horticulture; Captain; Battalion Operations Officer; Cadet Executive Committee; Investigation Chairman of Cadet Honor Court.

LEWIS ALLEN BOYER, Winchester, Virginia; Biology (with zoology option); Sigma Mu Sigma, President.

WAYNE WILLIAM BOYLE, Norfolk, Virginia; Aeronautical Engineering.

EUGENE L. BRADSHAW, Norfolk, Virginia; Architectural Engineering; Dormitory Counselor; American Institute of Architects.

RAYMOND GLENN BRANDENBURG, Mount Airy, Maryland; Business Administration; Honor Court Jury; Second Lieutenant; Company Athletics Officer.

ANDREW VAN RIBBER BRAWLEY, JR., Charleston, West Virginia; Chemical Engineering; Secretary of American Institute of Chemical Engineers; Delta Pi Zeta; Dorm Club.

PATRICK JOHN BRENNAN, Colonial Heights, Virginia; Business Administration; Delta Kappa Sigma; Cotillion Club; The Virginia Tech; Newman Club; Cockade Club; Ac Pro House.

WILLIAM FRANKLIN BRITT, Floyd, Virginia; Business Administration; Apollo Club; Judo Club.

ROBERT NATHAN BRITTON, Marion, Virginia; Business Administration; Alpha Kappa Psi; Kappa Delta Sigma.

JAMES MANDLY BROWN, JR., Alexandria, Virginia; Electrical Engineering; Sergeant; Pi Tau Chi; Co-operative Engineering Society; AIKE, Wesley Foundation; State MSM Officer.

WALTER BERNARD BROWN, III, Lynchburg, Virginia; Mathematics; 2nd Lieutenant; Varsity Tennis; Cotillion Club; Ring Dance Figure Committee; Monogram Club; Lynchburg Club, Treasurer.

GRETA SUE BROYLES, Reva, Virginia; Home Economics; YWCA Treasurer; Home Economics Club; 4-H Alumni Club; Agricultural Exposition Princess.
WILLIAM ALBIN BRUWER, JR., Norfolk, Virginia; Electrical Engineering; Eta Kappa Nu; Corresponding Secretary; Kappa Theta Epsilon, Treasurer; Tau Beta Pi; Phi Kappa Phi; AIEE-HEE.

LEWIS HALE BRYANT, Independence, Virginia; Business Administration; Deeks Fraternity, Alumni Secretary; Golf Club; New River Club; Ae Pro House.

THOMAS DUANE BUNKER, Brynwood, Pennsylvania; Chemical Engineering; American Institute of Chemical Engineers; Cave Club; Amateur Radio Club.

DONALD EDWARD BURGESS, Mt. Crawford, Virginia; Business Administration; Shenandoah Valley Club.

LEN TYLER BUSIC, Honaker, Virginia; Business Administration.

JULIAN CASTEL CADGER, Hopewell, Virginia; Mechanical Engineering; Pi Tau Sigma; Association of Married Students; ASME.

THOMAS ANDREW CALDWELL, Smithfield, Virginia; Industrial Engineering; Married Students Association; Vice President of Civic Activities; AIEE.

LARRY RONALD CAMERON, Rector, Virginia; Business Administration; Apple Club; Alpha Pi Zeta; Intramural Sports.

WILLIAM HAROLD CANNADAY, Christiansburg, Virginia; Business Administration.

PHILLIP SAMUEL CANTOR, Richmond, Virginia; Business Administration; 1st Sergeant; Hillel Club.

SAMUEL MEREDITH CARMACK, JR., Hopewell, Virginia; Mechanical Engineering; Arnold Air Society; Scabbard and Blade; 2nd Lieutenant; Golf Club; ASME; Castlesbury Club.

JAMES BRUCE CARPENTER, Clarinda, Iowa; Electrical Engineering; Eta Kappa Nu, Vice President; Tau Beta Pi; Outstanding Sophomore; Co-Axp; American Institute of Electrical Engineers, Secretary.
THOMAS W. CARPENTER, Oakhill, West Virginia; Mechanical Engineering; German Club; Pershing Rifles; Cadet Senate; A.S.M.E.; A.M.S.; Pi Tau Sigma, Corresponding Secretary.

DON RICHARD CARROLL, Salem, Virginia; Business Administration; Alpha Phi Omega; Virginia Tech; Roanoke Club; Feda Club; Ring Dance Committee; Intramural Sports.

JAMES RICHARD CARROLL, JR., Roanoke, Virginia; Aerospace Engineering.

EUGENE WATSON CARSON, JR., Appomattox, Virginia; Agronomy; Baptist Student Union; Y.M.C.A.; Agronomy Club, Treasurer; Alpha Zeta Fraternity, Treasurer; Phi Sigma Society; Agricultural Exposition.

LOUIS CRAIG CASTAGNOLA, Norfolk, Virginia; Electrical Engineering; Varsity Track, Co-Captain; Cross-Country, Captain; Norfolk Club; AIEE; AMS; Monogram Club.

LANIER STEWART CAULEY, Hot Springs, Virginia; Mechanical Engineering; Kappa Theta Epsilon Society; Pi Tau Sigma; Tau Beta Pi; Kappa Delta Sigma; ASME; Cooperative Engineering Society.

DONALD MARION CHAPMAN, Saltville, Virginia; Mechanical Engineering.

JOHN FRENCE CHAPMAN, Woodstock, Virginia; Distributive Education; Apple Club; Canterbury Club; Distributive Education Club, President; Intramural Football, Basketball, and Softball.

MARY VIRGINIA CHARLTON, Dilwyn, Virginia; Botany; Wesley Foundation; Biology Club; Mycological Society of America.

CHARLES WILLIAM CHASE, Clintwood, Virginia; Forestry and Wildlife; President of Lonesome Pine Club; Forestry Club.

WALTER HUGHART CHEATHAM, JR., South Boston, Virginia; Electrical Engineering; Captain, Adjutant on First Group Staff; Alpha Phi Omega, President; Arnold Air Society, Adjutant and Recorder; Omicron Delta Kappa; National Society of Scabbard and Blade; Society of American Military Engineers; Class of 1961 Officer, Cadet Committeeman-at-Large; Ring Dance Cadet Figure Committee, Chairman; Glee Club; Who's Who; Distinguished AFROTC Cadet; Virginia Tech Amateur Radio Club; AIEE-IRE; Baptist Student Union; Cave Club; Banville Club.

JAMES CONWAY CHEELY, Petersburg, Virginia; Business Administration; Civilian Senator; Wesley Foundation; Richmond Club; Kappa Delta Sigma.
JOHN EUGENE CHILDRESS, Richmond, Virginia; Rural Sociology; Alpha Zeta; YMCA Senior Cabinet, Secretary; Association of Married Students; Agricultural Exposition Board of Directors; Baptist Student Union; Richmond Club; Rural Sociology Club, Vice-President.

VICEY ANN CHILDRESS, Clintwood, Virginia; Home Economics; Hillcrest House Council, Treasurer; Freshman Intramural Basketball; 4-H Alumni Club; Home Economics Club; Agricultural Exposition Secretary and Chairman of Queen's Committee; Queen of Agricultural Exposition 1958; Lonesome Pine Club, Secretary.

DENNIS BYRNE CLARK, Toronto, Ohio; Electrical Engineering; 1st Sergeant; Rifle and Pistol Club; Co-op Society; Treasurer, C Squadron.

JOHN GARNER CLARK, Honolulu, Hawaii; Physics; Sigma Pi Sigma; Newman Club; Physics Club; Senator.

ROBERT RONALD CLARY, Blacksburg, Virginia; Mechanical Engineering; American Society of Mechanical Engineers; Intramurals; Co-operative Engineering Society.
PAUL MEREDITH COLEMAN, Wytheville, Virginia: Animal Husbandry; Block and Bridle Club; Southwest Virginia Club; CAFI Dorm Club.

JAMES DONALD COLLIE, Keeling, Virginia: Mechanical Engineering.

"Harry Fuller's Dog"

JOHN FOSTER COLLINS, Blacksburg, Virginia: Mechanical Engineering; Tau Beta Pi; Pi Tau Sigma, President; Omicron Delta Kappa; Pi Delta Epsilon; Civilian Student Body Senate; Sigma Nu Sigma; Who's Who Among Students in American Universities and Colleges; Publication Board; Publications Photography Staff; Life Saving Corps; Co-operative Engineering Society; American Society of Mechanical Engineers; Virginia Tech Glee Club; Baptist Student Union.

CHARLES SAMUEL CONGER, Washington, D.C.; Mechanical Engineering; IAS; ASME; SAE; Co-op Society; Wesley Foundation Capital.

JAMES LEON CONNER, Stuart, Virginia: Mechanical Engineering; ASME.

GERALD COOK, Galax, Virginia: Electrical Engineering; 2nd Lieutenant; Eta Kappa Nu; Tau Beta Pi; Arnold Air Society; Kappa Theta Epsilon; Phi Kappa Phi; Cadet Senate; Distinguished Military Student; Co-Operative Engineering Society; AHE-IRE; New River Club; Inter-Varsity Christian Fellowship.

WILLIAM EUGENE COOK, JR, Danville, Virginia: Mechanical Engineering; Danville Club; ASME.

DAVID LAWRENCE COOKSEY, McLean, Virginia: Mechanical Engineering; American Society of Mechanical Engineers; German Club; Association of Married Students.
WILLIAM FRANK COOPER, Danville, Virginia; Business Administration; Dorm Counselor; Danville Club; Tau Beta Chi; Fede Dorm Club; Va. Tech Glee Club.

JAMES JOSEPH CORSETTY, Alexandria, Virginia; Mechanical Engineering; German Club; Vice President Class '61; Who's Who; Monogram Club; Capitol Club; 1961 Ring Committee; ASME; FIE Dorm Club; Football and Track.

RONALD WILLIAM COUNTS, Abingdon, Virginia; Agricultural Economics; Association of the United States Army; Pi Delta Epsilon; Honor Court Investigating Committee Chairman; Cadet Captain, Commander Co. F; Agricultural Economics Club; Secretary 1, President 4; Southwest Virginia Club; 4-H Alumni Club; Board of Directors Agricultural Exposition; Technique, Circulation Manager 2; Assistant Business Manager 3; Publications Board 4, Business Manager 4.

POLLY ANN COX, Independence, Virginia; Home Economics Student Activities Committee; Danforth Fellowship; Home Economics Club; New River Club, Secretary; YWCA President; Agricultural Exposition Queen, 1960; Sweetheart of TEK; Wesley Foundation.

WILLIAM HETER CRABTREE, Bluefield, Virginia; Electrical Engineering; Captain, Commandant's Staff; Tau Beta Pi; Phi Kappa Phi; Omicron Delta Kappa; Eta Kappa Nu; Theta Kappa Epsilon; The Society of Seaboard and Blade; Arnold Air Society; Distinguished AFROTC Cadet; Who's Who; Reserve Officers Association Silver Medal; Co-operative Engineering Society; Institute of Radio Engineers.

EDWARD GUY CRAZE, JR., Richmond, Virginia; Mechanical Engineering; ASME.

STEPHEN ARTHUR CRESSWELL, Elizabethton, Tennessee; Mechanical Engineering.

JOHN HAROLD CREWS, JR., Newport News, Virginia; Mechanical Engineering; Pi Tau Sigma, Corresponding Secretary; Kappa Theta Epsilon, Vice President; Tau Beta Pi; American Society of Mechanical Engineers; Association of Married Students; Intramural Sports; Rifle Club; Co-operative Engineering Society.

CARL WILLIAM CRIST, Cumberland, Maryland; Civil Engineering.

ROBERT BURNS CROWELL, Miami, Florida; Mechanical Engineering; ASME.

DENNIS LOWELL CUPP, Bridgewater, Virginia; Business Administration; Captain s-l, 2nd Battalion Staff; The National Society of Seaboard and Blade; Associate Judge of the Cadet Honor Court; Glee Club, Treasurer; YMCA; 4-H Alumni Club.

JOYNER REID CUTLER, Hampton, Virginia; Electrical Engineering.
LARRY ALBERT DAVIS, Manassas, Virginia; Industrial Engineering; Alpha Pi Mu Recording Secretary and Publicity Director; Civilian Student Body Senate; American Institute of Industrial Engineers, Vice-President; Association of Married Students; Capitol Club.

JAMES ROBERT DAWES, Schenectady, New York; Mechanical Engineering; AUSA; 2nd Lieutenant; Administrative Officer Regimental Band; ASME; Collegiates.

HERBERT MAXWELL DAWSON, Nathalie, Virginia; Civil Engineering; American Society of Civil Engineers; Chi Epsilon Fraternity; Tau Beta Pi Association.

(MRS.) MARGARET ANNE ESTES DAWSON, Rochelle, Virginia; Home Economics Extension; National 4-H Clothing Achievement Winner; 4-H Alumni Club; Home Economics Club; YWCA Methodist Student Wives Circle.

ROBIN ROMER DEARING, Roanoke, Virginia; Architecture.

RICHARD ALLEN DEARING, Roanoke, Virginia; Building Construction; German Club, Publicity Chairman; Pi Delta Epsilon; Roanoke Club, President, Vice President; Associated General Contractors of America, Secretary; The Virginia Tech News Staff; 1963 Beta; Business Manager; Virginia Tech Engineers Art Staff; VPI Publications Board, Vice Chairman; Decoration Ring Dance; CSB Senator, Special Projects; Dormitory Counselor; Who's Who in the Civilian Student Body; Committee for Improved VMI-VPI Student Relations; Intramural Football; Varsity Track.

JAMES ROBERT DAFRIS, Baltimore, Maryland; Electrical Engineering; Sigma Omega Tau Fraternity; Society of American Military Engineers; Institute of Radio Engineers; Association of Married Students.

ROGER DALE DANIELS, South Point, Ohio; Chemical Engineering; Phi Lambda Upsilon; Kappa Theta Epsilon; American Institute of Chemical Engineering; Circle K; Co-Operative Engineering Society; Huntington Area Club.

CARL GLENN DARNALL, Arlington, Virginia; Mechanical Engineering.

RONALD EARL DAUGHTERY, Pulaski, Virginia; Business Administration; Accounting.

FRANK WHITE DAVIS, JR., Blackstone, Virginia; Mechanical Engineering; Civilian Senate; Fact Finding Board; Social and Cultural Committee; Committee on Political Orientation; Jazz Club Treasurer; Southside Club.

JAMES DONALD DAVIS, Danville, Virginia; Business Administration; Alpha Kappa Psi; Tau Beta Chi; Danville Club, Secretary; Foal Dorm Club; Dorm Floor Counselor; Baptist Student Union.
TERRY ALLEN DeBIASE, Morgantown, West Virginia; Mechanical Engineering; Sigma Omega Tau; Co-Operative Engineering Society, Treasurer; American Society of Mechanical Engineers; Intramural, Golf and Softball.

NELSON SUTTON DeMUTH, JR., Richmond, Virginia; Mechanical Engineering; Pershing Rifles; Society of American Military Engineers; Arnold Air Society; Society of Scuba and Blade; Pi Tau Sigma; Omicron Delta Kappa; Tau Beta Pi; Who's Who in American Colleges and Universities; Major on Regimental Staff (Intelligence Officer); American Society of Mechanical Engineers, Vice Chairman; Baptist Student Union.

LEONARD JOSEPH DERGER, JR., Hampton, Virginia; Electrical Engineering; IRE-AIEE; Association of Married Students.

DANIEL JACKSON DeYOUNG, Fort Benning, Georgia; Civil Engineering; American Society of Civil Engineers, President; American Road Builders Association, Treasurer; Varsity Football, 2 years.

FORREST LESLIE DICKINSON, Staunton, Virginia; Electrical Engineering.

JAMES JOSEPH DI CONCILIO, Hempstead, New York; Mathematics; Cadet First Lieutenant "N" Squadron; American Society of Aeronautical Engineers; Newman Club; Math Club.

DONALD LOYD DIETRICK, Portsmouth, Virginia; Mechanical Engineering.

EDWARD PURNELL DRUDGE, JR., Shacklebords, Virginia; Business Administration; Glee Club, Treasurer; YMCA Freshman Council; Cadet Senate; Sigma Omega Tau; Intramural, Softball and Football.

JOHN FERGUSON DRUM, Richmond, Virginia; Electrical Engineering; 1st Lt., 1st Group Staff; Pershing Rifles; Scuba and Blade; Arnold Air Society; Canterbury Club; AIEE-IREE; Virginia Tech Amateur Radio Club; Air Force Flight Instruction Program (Flight Commander) 1961 Military Ball Favor Chairman.

CLIFTON LOUIS DUKE, Suffolk, Virginia; Horticulture; American Society of Agronomy; Sigma Mu Sigma Fraternity; Peanut Club; Student Chapter Future Farmers of America; Horticulture Club.

ROTHENBERG McLEAN DUKE, JR., Richmond, Virginia; Mathematics; Cadet 2nd Lieutenant; Tennis, Captain, Manager; Varsity Basketball; German Club; Monogram Club; Executive Committee; Chairman, Invitations Committee for Ring Dances.

ARTHUR LEE DUNLAP, JR., Winchester, Virginia; General Science; Math Major; Physics Minor; Second Lieutenant, Scholastic Officer, F.C.O.; Corps Eager Squad Winner; Apple Club; Newman Club; Rifle and Pistol Club; Holden Society; Institute of Aeronautical Science.

DONALD KING DUNSMORE, Verona, Virginia; Electrical Engineering.

JOSEPH RUSSELL DURRETT, JR., Beckley, West Virginia; Civil Engineering; American Society of Civil Engineers.

ROBERT LINDWOOD EATON, Bluefield, West Virginia; Civil Engineering; Chi Epsilon; Kappa Theta Epsilon; Tau Beta Pi; Supply Sergeant; Cave Club; American Society of Civil Engineers; Co-Op Society.
JOSEPH WILLIAM EBBETS, The Plains, Virginia; Mechanical Engineering; Newman Club; American Society of Mechanical Engineers; Delta Kappa Sigma; Association of Married Students.

MARLIN WAYNE EBY, Newport News, Virginia; Business Administration; Ring Dance Committee, Chairman; Hampton Roads Club; Phi Delta Sigma House.

EARL MASSIE EDWARDS, JR., Richmond, Virginia; Chemical Engineering; Kappa Theta Epsilon; Corresponding Secretary; Tau Beta Pi; Phi Lambda Upsilon; Smith-Douglass Chemical Engineering Scholarship (Senior year); American Institute of Chemical Engineers, Vice-President; Co-operative Engineering Society.

ROEN MCGUIRE EDWARDS, JR., Zuni, Virginia; General Agriculture; Captain, 1st Group Staff; Agronomy Club; Agricultural Exposition Banquet Committee, Publicity Committee, and Board of Directors; Technicope Staff; Baptist Student Union; YMCA; Student Branch of the Soil Conservation Society of America.

MAXWELL BRANDON EDWARDS, Norfolk, Virginia; Civil Engineering; Chi Epsilon; Phi Kappa Phi; American Society of Civil Engineers; Association of Married Students.

RAY WARREN EDWARDS, Collinsville, Virginia; Business Administration, Accounting; Alpha Kappa Psi, Master of Rituals.

DANIEL MAURICE EGGLESTON, JR., Balboa Heights, Canal Zone; Electrical Engineering; Second Lieutenant; Rifle Team; Rifle Club; A.I.E.E.-I.R.E.; Alpha Zeta Zing.

ROBERT WILLIAM ELLIS, Richmond, Virginia; Metallurgical Engineering.

RICHARD MORRIS ELLISON, Colonial Heights, Virginia; Electrical Engineering; Chairman of Student Chapter of AIEE-I.E.

DOUGLAS NELSON ELLIOTT, Arlington, Virginia; Architectural Engineering; Sgt. Westminster Fellowship; Glee Club; Virginia Tech Sports Car Association.

"Faculty Center Reflection Pool"
DUDLEY JOSEPH EMICK, JR., Roanoke, Virginia; Business Administration; Defense Staff; Honor Court; Captain—Company Commander G Company, Winter Quarter; Virginia College Softball Champs; Catillon Club; Roanoke C Club; All Star Intramural Teams (Softball and Football); WUVT Sports Announcer.

GEORGE DOBYNES ENGLISH, JR., Kinsale, Virginia; Agricultural Education; President of FEEDA, Treasurer of FEEDA; Vice-President, Northern Neck Club; Reporter for Future Farmers of America; Board of Directors for Agricultural Exposition.

WALTER WILLIAM ERWIN, Fairfax, Virginia; Industrial Engineering; Civilian Student Body Senate Parliamentarian; Inter Dorm Club Council; Wrestling (Varsity); Delta Pi Zeta, President; American Institute of Industrial Engineers; Westminster Fellowship; Capitol Club.

JAMES BART EVANS, Baltimore, Maryland; Electrical Engineering; Major; Pershing Rifles; Arnold Air Society; Scabbard and Blade; Who's Who; Society of American Military Engineers; Cadet Senate; International Telephone and Telegraph Scholarship; Distinguished Military Student; German Club; Sigma Omega Tau President; Newman Club; Institute of Radio Engineers.

ORMOND KEENTER EVANS, JR., Danville, Virginia; Agricultural Education; Baptist Student Union, Executive Council; Future Farmers of America; Intramural Sports; Agricultural Exposition Staff; Technique, Advertising Manager.

JULIAN REID EVERLY, Roce, Virginia; Agricultural Education; Captain; Alpha Zeta; Pershing Rifles; Scabbard and Blade; Association of U.S. Army (2nd Lt.); Omicron Delta Kappa; Who's Who; Apple Club; Future Farmers of America.

CHARLES WILLIAM EVERS, Waynesboro, Virginia; Business Administration; Second Lieutenant, Administrative Officer, G Company; Intramural, Football, Basketball, Softball, Golf, Volleyball, Tennis, Wrestling, Swimming, Cross Country, Pingpong, Badminton, Pool, Track, Bowling and Bridge; All Intramural, Horse Shoes; German Club; YMCA; Shenandoah Valley Club; Corps Executive Committee; Class of '61 Ring Dance Decoration Committee; Intramural Athletic Director.

JOSEPH COLLINS FAISON, Portsmouth, Virginia; Electrical Engineering; American Institute of Electrical Engineers; Co-operative Engineering Society; Intramural Sports.

DONALD LEE FALLS, Chace City, Virginia; Agricultural Economics; Cadet Platoon Sergeant, G Company; Agronomy Club; Agriculture Economics Club; Case Club; Southside Club; Intramural, Football, Softball; Ring Dance Floor Committee Corps of Cadets.

"On the Spot Observations"
JAMER R. FERGUSON, Clifton, Virginia; Agronomy; American Society of Agronomy.

WILSON FISHER, JR., Woodbridge, Virginia; Geophysics; Holden Society, President; Sigma Gamma Epsilon; Capitol Club; Association of Married Students; Intramural, Football and Softball.

HARRY FLEMING, Clintwood, Virginia; Animal Husbandry; Block and Bridle Club; Second Lieutenant; High Individual Beef Evaluation Award; Southeastern Intercollegiate Judging Contest, L.S.U.; Lonesome Pine Club; Livestock Judging Team; Agricultural Exposition Committee; Baptist Student Union; Assistant Sales Manager Little International.

ROBERT LEE FLETCHER, Middleburg, Virginia; Civil Engineering; American Society of Civil Engineers.

BERNARD LEE FLYNN, JR., West Englewood, New Jersey; Chemical Engineering; Captain, Fourth Group Staff; A.I.Ch.E.; Canterbury Club; Cadet Honor Court, Honor Council Chairman.

THOMAS WHATELY FOLE, JR., Roanoke, Virginia; First Mate Virginia Tech Lifesaving Corps.

MICHAEL THOMAS FORTNER, Hampton, Virginia; Geology; Cotillion Club; Holden Society.

CHARLES BOYD FOSTER, Arlington, Virginia; Architectural Engineering; Delta Sigma Chi; American Institute of Architects.

ALLEN WAYNE FOX, Washington, D.C.; Architectural Engineering; Cotillion Club; Delta Kappa Sigma, President; Inter-Dorm Council, Vice-President; K.I.E.; Residence Counselor; American Society of Civil Engineers; American Institute of Architects; Intramural Football and Baseball.

JOSEPH JACKSON FRAY, Madison, Virginia; Business Administration; Alpha Phi Omega; C.S.R.; Lutheran Student Association; Blacksburg Volunteer Fire Department and Life Saving Crew.

JOHN TEMPLE FRAY, Madison, Virginia; Agricultural Education; Sigma Mu Sigma, Senior Vice-President, President; Corps of Cadets Senator for Company I; Company Supply Sergeant; Lutheran Student Association, Vice-President, President; VPI Student Section of the American Society of Agronomy; Collegiate Chapter of the Future Farmers of America, Treasurer; Agricultural Exposition Committee, Chairman; Editorial Staff of the 1960 Yearbook; YMCA Senior Cabinet (See Counselor at the 1960 Freshman camp); Ushers Committee for War Memorial Chapel, Airing Chairman.
HERBERT HANCOCK FRAZIER, Altavista, Virginia; Civil Engineering; 2nd Lieutenant, Drum Major; Scabbard and Blade; Association of U. S. Army; Cadet Club; ARRA; Concert Band; Marching Band.

ROBERT PHILIP FRIEIAN, Amsterdam, New York; Mechanical Engineering; Tau Beta Pi; National Engineering Honor Society; Pi Tau Sigma; National Honorary Mechanical Engineering Fraternity, Treasurer; Kappa Theta Epsilon; VPI Co-Operative Program Honor Society.

THEODORE ALLAN FRITZ, Kingsport, Tennessee; Physics; Varsity Track; Virginia Tech Life Saving Corps; Physics Club; Monogram Club.

IRVING ANTHONY FRIE, Rosedale, Virginia; Mechanical Engineering; American Society of Mechanical Engineers; Southwest Virginia Club, Vice-President, Treasurer.

JAMES WESLEY FULLER, Bristol, Virginia; Mechanical Engineering; American Society of Mechanical Engineers; Intramural Football; Southwest Virginia Club; YMCA; "S" Squadron.

THOMAS H. FUGUA, JR., Richmond, Virginia; Business Administration; German Club, Leader; Cadet Senate; Richmond Club; Association of Married Students; Baptist Student Union; Ring Dance Flower Committee.

ROGER WAYNE FUBROW, Roanoke, Virginia; Mechanical Engineering; Pi Tau Sigma; Tau Beta Pi; Cadet Senator; 2nd Lieutenant Scholastic Officer; 6 Cadet Scholastic Awards; American Society of Mechanical Engineers.

CHARLTON ARNOLD GAINES, McLean, Virginia; Mechanical Engineering; American Society of Mechanical Engineers; Capitol Club.

WILLIAM JOSEPH GALL, Richmond, Virginia; Civil Engineering; Sigma Delta Psi; Richmond Club; Virginia Tech Lifesaving Corps; F.I.E., Dorm Club.

ROBERT CAGE GARRITT, Danville, Virginia; Business Administration; Junior Rotarian; Dorm Floor Councillor; Student Government at Danville Branch, Secretary, Treasurer, Feda Club; Danville Club; Tau Beta Chi, Secretary, Treasurer.

WAYNE CODY GAST, Roanoke, Virginia; Dairy Science; American Dairy Science Association, Vice-President; Agricultural Exposition, Treasurer; CAFI Dorm Club, Secretary.

NICHOLAS EPPERSON GASKINS, Hopewell, Virginia; American Society of Mechanical Engineers; Cave Club.
WILLIAM DEMIN GAYLORD, Washington, D.C.; Business Administration; Newman Club; Capital Club; Institute of Aeronautical Sciences; German Club; Cosmopolitan Club; Intramural Sports; Golf Team; Swimming Team.

JAMES GORDON GEEST, Culpeper, Virginia; Civil Engineering; American Road Builders Association; American Society of Civil Engineers; Cadet Senator; Regimental Band; Baptist Student Union; 1961 Ring Dance Salute Committee; Intramural Basketball.

JAMES FRANK GERY, JR., Danville, Virginia; Business Administration; Wrestling; Danville Club of VPI.

JOHN WILLARD GIBBS, JR., Charlottesville, Virginia; Electrical Engineering.

DAVID LAWRENCE GHISON, Oakton, Virginia; Public Administration; Tau Kappa Alpha, Secretary-Treasurer; Cadet Honor Court, Assistant Defense Attorney; 1st Platoon Leader; Herbert J. Thomas Award, 1969; Debate Club, President; Alpha Kappa Psi; Alpha Phi Omega.

PROFESSOR E. C. MARSH ........................................Faculty Advisor

This year, the Class of '62 has been pouring all their efforts into preparing for the major class function, Ring Dance. Having finished designing their ring last Spring, the class has gone to work with gusto to make their Ring Dance, the theme of which is Some Enchanted Evening, equal the quality that Ring Dance is famous for.

THE CLASS OF 1963

During the Winter, the Class of 63 committed its first significant act as a class: the electing of the officers who will guide the class through its remaining time at Tech. Already they are at work on a design for a class ring and plans for Ring Dance. Theirs to will be the responsibility of planning the class' Senior Weekend and choosing the Class gift to the school at Graduation time.

ACKNOWLEDGMENTS

We would like to take this space to thank all those who contributed pictures to the 1961 Bugle.

We would especially like to credit Tom Parker for the picture appearing on page 57, Mike Lowry for page 144, Roger A. Moyer for the duotone on page 135; also, the Corps divider pages 77 and 78 are from Shields, Washington, D. C.
BEST WISHES

to the students and faculty of VPI.

Graduates may be eligible for a challenging career with Poly-Scientific Corporation, working with approximately 400 researchers, engineers, scientists, and skilled workers to produce sub-miniaturized electro-mechanical components for missile inertial guidance system and other industrial, military, and space exploration applications. Poly-Scientific Corporation maintains its position as the quality leader in this highly specialized field by the consistent production of ultra-reliable parts.

OPPORTUNITY awaits top technical men in the world's largest factory of its kind

It's not the kind of opportunity that assures the most mediocre man a rocket-like rise to the "top". But it is the solid kind of opportunity that recognizes merit and offers steady progress to any ambitious, willing-to-learn, intelligent VPI Graduate who wants a future in a great Southern industry.

Engineering, Chemistry, Selling, Advertising, General Business Administration — in these and other fields at The Lane Company, there are sturdy and much-used "ladders to the top" awaiting the right men.

VPI colors fly today at a number of key posts in the Lane organization: Chairman of the Board, Vice President, Secretary, Head of Industrial Engineering, Assistant Personnel Director, Head of Production Scheduling, Territorial Sales Representatives... these to mention a few. Thus, the VPI Graduate now launching his career in the Company finds an especially congenial "Alma Mater" atmosphere to make him feel at home right at the start. Don't judge opportunity by its distance... sometimes the biggest opportunities are closest to home!

LANE'S MODERN FURNITURE PLANTS symbolize the brilliant future for one of the South's youngest, fastest growing industries. These modern departments keep the highly geared LANE organization functioning at peak efficiency:

- PRODUCTION CONTROL
- QUALITY CONTROL
- METHODS AND STANDARDS
- ENGINEERING PERSONNEL
- SALES AND ADVERTISING
- AND OTHERS

OUR
Ever-Present
CHALLENGE

The prosperity and individual freedoms we enjoy today are hard-earned gifts from our forefathers and must never be taken for granted.

Each new generation must stand on its own feet and preserve these freedoms. The freedoms we enjoy through the American Way have a high price and must be earned over and over.

W. Somerset Maugham expresses it this way: "If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too."

Paper and Careers for the future

TODAY there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now the fifth largest in the country . . . and why it needs trained researchers and technicians for future growth.

Our company, a pioneer kraft manufacturer, joins with other mills in sponsoring college scholarships in paper technology. It also offers scholarships for study in a subject of the student’s choice. For information, write: Public Relations Department —

LEXINGTON, VIRGINIA

MORE than ever before, quality has become
an important factor in College Annuals.

Everything to express skill, technique, artistry, is revealed in our prints.
They are the only material proof of our ability, the only visible
evidence of the value of our photographs
and workmanship.

OFFICIAL PHOTOGRAPHERS FOR 1961 "BUGLE"
A Memorable Year

- Congratulations to the Student Body and Faculty of Virginia Tech upon the completion of another outstanding year of accomplishments.

- The Staff of your annual has worked exceedingly hard to give you a superb book that portrays the highlights of memorable activities. To preserve this excellent literary and photographic record, the best grades of material have been combined with skilled workmanship to provide the finest quality yearbook.

- We are very proud that the 1961 Staff selected us to design, print and bind the Book. We have earnestly endeavored to fulfill the confidence placed in us.
