## Bibliography of Virginia-Related Cookbooks©

(Compiled by Cynthia D. Bertelsen, Spring 2006)

Note: This is a working document, constantly being updated. If you own a cookbook either on this list or not, please contact us at 540-951-7227 or sandybos@verizon.net. We'd like to consider a donation, possibly a purchase, or a digitization of your book. Many community cookbooks and other old books like them have never been cataloged in libraries, so we are depending on cookbook owners to help make this bibliography as complete as possible. Thank you!
