Battle of the Golden Arrows

PITTSBURGH: In a move that could only be
considered unorthodox, the Pittsburgh Press
has been given a tour of its annual<br>

by a team of volunteers from the University of<br>

Pittsburgh. When asked to give his reaction to this<br>

of his team, Steve Waite, the coach of the<br>

Pittsburgh High School football team, said,

"This is the most valuable thing that has ever
happened to me. It has been a great opportunity
for me and my team to see the way things are done
in the Big Ten. I have learned a lot from this trip.

The next time we play Ohio State, I will be able to
use this knowledge to our advantage."
