BARBER SETS UP TD—I. R. Barber, 42, finds plenty of running room as he goes 18 yards to the two before being stopped. Two players later he scored the first Tech tally of the day.

RECORD—Dave Streich, 40, of Virginia Tech approaches the ball as Brother Dan holds. Streich booted the ball through the goal posts from 53 yards out to set a Tech field goal record. It was one of the longest in collegiate history. Streich came back minutes later and nailed 48-yarder through the uprights for another 3 points.
