BLACKSBURG—George Miles, head coach at Morehead, N.C., high school for the last two years, will serve as a graduate assistant on Virginia Tech's 1973 football staff, Coach Charlie Coffey has announced.

A native of Rockingham, N.C., Miles was an All-Carolina’s Conference player and MVP at Lenoir Rhyne.

He started his coaching career as backfield coach at Hickory, N.C., high and then became head coach at St. Stephens High, Hickory, N.C., where his 1970 team posted a 7-3 mark, best ever in the school’s history. His 1971 Morehead team compiled an 8-2 record, best in 12 years at that school.

“We’re very pleased to have George in our graduate program,” Coffey said. “He obviously has the credentials to step up in his chosen profession as several of our former graduate assistants already have done.’
