For Virginia Tech's special teams to have been special under Frank Beamer, who's in his 12th season as head coach at his alma mater, the Hokies are especially stingy at blocking kicks. They've been at it for three years in a row.

Since the start of the 1990 season, Tech has blocked 25 kicks — or about 1-in-53 per game.

And in each of those years, they've been under the watchful eye of Beamer, who's become known for his special teams.

"Tech's Special teams rock around the block.
